Movathon is May 14th and end of year is about to start, including ELPAC and SBAC. Admin team is currently at a leadership retreat. Trainings completed with NCMPS, PMAI, and Embracing Equity, including English Language Development training. The report shared photos from the classrooms. Enrollment continues to look good and on track, and the county unanimously approved our enrollment related material revision. A new Director of Expanded Learning was recently hired - welcome!

III. Finance Committee

A. Discussion Item - Committee Report, including year to date financial report

Greg shared the committee's report. The committee did not meet in April. Edtec's monthly report showed a positive improvement in the forecasted one-time deficit, an improvement of over 20% since the last forecast. Cash forecast remains OK through end of year, but slips below our three-month cash-on-hand goal near the end of the fiscal year.

On budget development, still waiting for the May revise, but with recent forecasted changes to retirement contributions, we have more work to do in May after the revise to ensure the budget is balanced.

Davis shared that there's been no new information about any hold harmless passing for this current fiscal year.

No public comments on this item.

IV. Academic Oversight Committee

A. Discussion Item - Committee Report

Jan gave the committee's report. Jan presented information from the Panorama Survey, and the slides are in the "other files" of this meeting on BoardOnTrack. Climate of support for learning highest rated by students. Safety is one of lowest rated areas for students overall, and lower for Black and Latinx students. Families overall rate school-wide communication and sense of belonging very highly, and slightly lower by Black and Latinx families. Results will continue to be discussed at upcoming FAC and ELAC. Admin identified Upper Elementary recess as a time leading to safety-related issues and are concentrating their change-making efforts there to address the survey results. Past efforts have gone into better school-wide communication, which resulted in higher survey results in that area.

The committee also discussed the updated English Language Learner Policy, which is on the agenda later.

No public comments on this item.

V. Family Advisory Council

A. Discussion Item - Committee Report

Kara gave the FAC report. Met in April and next meet on May 17th. Last coffee of the year is May 20th. On fundraising, the Plant/Bake sale raised about \$2500. Moveathon is coming up on May 14th. On other items, there was a scheduling conflict with Dr. Rogers-Ard, and the FAC is starting to think about additional parent learning options for next year. FAC and Families Unidas are discussing an upcoming community meeting. Donald asked about any prior issues specific to the BIPOC community and Kara responded that yes issues are brought up, including at last Spring's listening session.

No other questions or public comments.
