The committee **VOTED** to approve the motion.

F. Vote on updated Committee Calendar and Meeting Time

II. Academic Oversight

A. Instructional Updates

Middle of SBAC testing - going smoothly. Haven't need makeup days so far.

Coaching - not focus at this point in the year with state testing. Starting to look at student portfolios and what will go into them starting next year. Aiming to share with families next year at first conferences.

Health/sex ed curriculum - Upper EI teams starting this week.

Attendance - staff attendance has gone up. Uptick in covid cases in students; not in staff. Student attendance - low 90%, high 80% for a couple days.

Middle school - plans to continue using amplify. Sent up updated intent to return to determine staffing for middle school. Changes to SIS to separate out middle school to do separate attendance for each class. Possibility to get bells. Parents are meeting with students to plan graduation - looking at last day of school for ceremony.

Looking at how to support and align curriculum across classrooms further - teachers meeting over summer to design lesson plans for the upcoming year. includes things like when teachers will look at NWEA data to see where additional support is needed.

Transition placements for k and 3rd graders will be announced on May 13th, Families meetings around transitions will be on May 26

B. 2021-2022 LCAP Review to inform 2022-2023 LCAP Development

Added comments and questions to the gdoc.

Questions around parent education nights - who can do anti-racism trainings for parents next year? Are there any workshops offered by any of the national public Montessori organizations that our parents can attend?

C. School Academic Policies

Homeless Education Policy - updated the liaison. Different version around; be sure all the same after approved.

Child Study process identifies students and identifies any wraparound services needed.

Needs to be put on full board agenda to approve.

Grading Promotion policies

Data issue - TK students showing as being retained, but not accurate

No retention in the last four years. Given mixed age classrooms and range of levels of materials, work and SEL options, retention or acceleration is extremely rare and leadership does not recommend. Only consider recommending during bridging of developmental planes.

Consider flags as universal preschool is implemented and we have younger students (toddlers).

Update to policy: add statement around parents not being able to observe in person (1.1) - online options available.

Acceleration - should we have a statement about it? Daniel has the same rational for not acceleration as for not retaining. Add language similar to Retention policy 3.1 but focused on acceleration.

III. Closing Items

A. Topics for next meeting

Updates on MS numbers; returning 6th graders and staffing

SBAC participation numbers; preliminary results

staffing update for next school year

B. Adjourn Meeting

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 12:16 PM.

Respectfully Submitted,

J. Faraguna
