Daniel shared Instructional Updates, and appreciated Anna for all her MS support. Earlier this week, the school contracted with an data analyst to support with data around attendance, NWEA, SBAC, and DIBELS.

Coaching conversations have continued, included using data collection and observations as tracked in Transparent Classroom. Looking at disaggregated data.

Daniel shared data from a recent school site visit from Public Montessori in Action, showing year over year increases in work engagement for this time of year, and year over year increases in the amount of Montessori materials being used.

Daniel shared about the upcoming PD day, including staff community building, finalizing ABAR and Land Acknowledgement statements, Affinity Groups, Curriculum planning, Data Review, and more.

Krishna shared midyear staffing updates. Teacher Lisa will be the Amethyst English and History. Ms. Sandra will be the Leopard Lily Lead. Teacher Stef will be the Support Teacher for Leopard Lily. We are hiring for California Poppy Support Teacher. Ms. Shani supporting in the interim.

Greg appreciated the observational data year over year showing higher levels of engagement and use of materials. Greg asked if the staff have seen this sort of evidence of their progress. Daniel shared that it gets discussed individually through coaching sessions.

Greg appreciated the updates related to Middle School staffing. Greg asked about any feedback or messages from families on any of the changes. Krishna shared only a few positive comments so far wishing staff well.

Sarah asked about NWEA schedule. Krishna clarified that it will be a Fall and Spring administration.

No other questions or public comments.

III. Finance Committee

A. Discussion Item - Committee Report, including year to date financial report

Greg shared the 2021-2022 unaudited actuals, ended with a \$46k operating income. The recent hold harmless state budget law supported this. Audit process underway right now. Ended last year well above our 20% of expenses ending fund balance.

For this year, through end of August, showing a current-year operating income of just over \$488k. Again, this is mostly due to recent increases in state funding. Cash flow looks strong throughout the year. Greg shared that the forecasted operating income will decrease as Edtec more tightly aligns with actual enrollment. The forecasted operating income, though, should stay about at the forecasted level of fundraising and grants, which is the main goal of the Finance Committee to continue to operate our school model on public dollars.

Davis asked about spreading one-time monies across multiple years. And Greg responded that some spreading could still occur, which would effectively lower this year's operating income further and save for future years.

No other questions or public comments.

IV. Academic Oversight Committee

A. Discussion Item - Committee Report

Kara shared the committee's report. Look at aggregate SBAC data from the spring, but without Oakland comparison data and there was no data the prior year. Used time to makes plans about how and when to look at various data sets through the year and discussed the work of the new data analysis support.

Davis rhetorically asked how closely we believe NWEA aligns to success at UMCS? Kara responded about looking at multiple data points this year, including Transparent Classroom. Sarah shared that part of our work this year to look at any of the multiple data points and define for each what level or status is the progress and achievement we want to see.

No other questions or public comments.

V. Family Advisory Council

A. Discussion Item - Committee Report

Kara shared that about 20 families joined the first FAC meeting of the year. Families shared about what's needed and how they want to volunteer. Nominations should go out this week for elections. READathon launched this week with book swaps coming next week after school. Also had the first Morning Coffee of the year. Goal of having the second FAC rep join in October.

Anna shared that there's an upcoming weekend work day at the school. Lots of families interested in helping with the library and the first library work day is also planned.

No other questions or public comments.
