Greg shared that it was great having the Board engage in visioning work and brainstorming work.

The committee discussed how to move this work forward at the Board, Committee, FAC, and staff levels. Notes from the last Board meeting are here:

### **B. 2022-2023 Head of School Evaluation Process**

Sarah and Krishna scheduled the winter listening session for later in January. Each year, the Board asks staff what is going well for our school? Of these areas, how (if at all) has the Head of School contributed? What is something for our school that needs resolution or feels "incomplete"? Of these areas, how might the Head of School further support and/or lead? Is there anything else you'd like to share at this time?
