II. Head of School Report

A. Head of School Report

Ms. Feeney began the Head of Schools Report.

Successful fall round of family conferences, with 84% of our primary and elementary families signed up for and attended conferences. Tomorrow is the Expanded Learning Opportunity Program (ELOP) family game night 12/1/23 from 5:00 - 6:00. There will be a Family Night on Wednesday, 12/13/23 - Punishments vs Logical Consequences with Parent Mariana Bissonnette. Winter Break 12/25 - 1/8, students return on Jan 9 as there's a PD day on Jan 8.

President Cole and Trustee Berrick have visited this school year from Alameda County Board of Education. Trustee Cooke-Kallio asked for a re-invite in January and Director Hutchinson from the OUSD Board will also soon visit.

The Oakland Montessori Training Center will be in session the weekend before Winter Break for a full weekend of additional training.

The School Leadership Team has been working on a school wide student outcomes goal, that 60% of K, 3, 6th grade students will be proficient or master 60% of Math transition checklist items.

For teachers, by the end of the year, teachers will articulate and calibrate what student proficiency and mastery looks like for specific lessons that support skills mapped to each

level's transition checklist, and how these lessons/skills connect to NWEA results and CA state standards. Also, teachers at each level will be trained or given resources (age-appropriate books, lessons, and discussion topics) to their classrooms connected to and to deliver SEL specific curriculum, the UMCS ABAR commitment, and Land acknowledgement. Sarah asked and Daniel clarified that the topics are school wide, but discussed developmentally appropriately for each Level. Staff connectedness and feeling of inclusiveness will be at 90% or above by May 2024 as measured by staff surveys. Every month staff will have an opportunity to connect at an outside location or on campus event in a way that honors different needs/levels of comfort so we have opportunities to build relationships with each other in new ways throughout the year.

For enrollment updates, we are up to 353 students enrolled and still accepting students in some grades where space is available, with 2 offers out now! Student Attendance has been hovering just over 90%.

For next year's enrollment we are seeing lots of interest in our enrollment tours! The last tour we had about 30 individuals and 48 people registered for our tour next week!

On staffing updates the new OT began a few weeks ago. Currently hiring for: Support Teacher, Student Support Assistant, and Aftercare Program Leaders.

The board discussed scheduling a Special Meeting on December 11th to vote on the audit and the first interim report.
