The contract specifies a Transition Period between April 1 and June 30th as the Incoming Head of School with an annualized salary of \$141,553.26. Greg shared that the school recently completed a comprehensive salary review and is not implementing it until SY 2025-2026, and as such, this salary is benchmarked backwards 12% from that comprehensive salary review that Edgily conducted. IV. Head of School Report

A. Head of School Report

Daniel started the Head of School Report. Recent and upcoming events include the UMCS Auction March 15-29; Spring Break - March 29 - April 7; State SBAC testing April 29 - May 10; May 3 - Classroom Placements for Rising K and 3rd grade shared; May 27 - No School in honor of Memorial Day; May 31 - Last day of school! Minimum day dismissal.

Daniel shared photos from the recent Family Game Night and Auction Kickoff. Krishna shared about the attendance rate of 90% and the importance of attendance. Krishna shared about enrollment for next year and tracking around 375 total students, slightly more than the current year, again bucking the trend of enrollment decline.

Krishna shared staffing updates including making an offer to a support teacher this week, and that one Lead teacher is confirmed to not be returning next year, along with needing to reconfigure the admin team as Daniel steps into the role of Head of School.

No other public comments or questions.

B. Local Control Accountability Plan (LCAP) 2024-2025

Krishna shared an overview of the LCAP process and unduplicated students. Greg asked and Krishna shared how the school creates opportunities at all public meetings for the public to weigh-in and provide feedback, and that people can comment and suggest ideas online as well. Krishna shared that a more full draft would be ready for April. Greg asked and Krishna shared how ideally the LCAP focuses actions on specific students contributing to the unduplicated count, but that those impacts support across other student groups as well. Amy asked and Krishna shared about the need to submit the LCAP to the county and being ready to respond if needed to the county's feedback.

No other questions or public comments on this item.

C. Charter Renewal and Proposal for Improvement and Development at UMCS

Daniel shared that California recently released renewal tracks for all public charter schools and that currently UMCS is designated in the low track, which is a presumptive nonrenewal and can only seek a two year term. UMCS staff are working to clarify our track status, as there seems to be a discrepancy with our English Learner information. But also, the school has been actively making plans and already implementing changes that align to the subgroups identified on the California School Dashboard, including supporting students to better translate their learning to how SBAC assesses concepts. Amy asked and Daniel responded that the school and county staff are still discussing the right timing for submission. Greg commented that the UMCS Board will need to approve the charter prior to submission, which may require scheduling a Special Meeting to do so. Kara asked and Daniel shared that right now families can help the most by supporting students to attend every single day, and that there will be more specific help asked for later in the fall.

Daniel shared that Finance Committee asked admin to bring a multiyear budget plan that includes the expenses and plans called for in the draft plan for improvement and development. Daniel supports making investments aligned to a plan to support key improvements. Greg shared that Finance Committee discussed that investing now and making gains is much more desirable than not investing, risking nonrenewal, and leaving money in the bank for no reason.

No other questions or public comments on this item.

V. Family Advisory Council

A. Discussion Item - Committee Report

Ann shared the FAC report, including the great Family Game Night, and that the Auction is going strong for another week. There is a Parent Night's Out on May 4th. Emily mentioned and Krishna shared that the school has a better PA system to use than the one that was used at the Family Game Night. Kara commented that it was both a very fun night, and confusing with so much going on.

No other questions or public comments on this item.

VI. Academic Oversight Committee

A. Committee Report

VII. Executive & Governance Committee

A. Committee Report and Board roles

Greg gave the committee report. The committee reviewed the Board Book, and Board Bylaws, which are both on tonight's General Consent Report. The board agreed to take action to name committee alternates. Greg shared about connecting with Evan about onboarding and upcoming trainings. Greg reminded everyone that Forms 700 are due April 1st. The committee discussed the Head of School evaluation and shared that it's time for the Board to conduct its own annual assessment through BoardOnTrack and that he would send that out. Amy asked and Greg shared that the Board shares the summary results out at a future meeting, and can inform training opportunities and board member recruitment.

No other questions or public comments on this item.
