II. Finance

A. Discussion Item: Monthly Fiscal Report

Eboni from Edtec shared the most recent year-to-date forecast through the end of August. All of Edtec's files are included in the Packet, and will be part of the monthly Regular Board meeting, as well. The forecasted operating income is now currently at \$109,000, up from \$28,000. The changes were driven primarily from increasing one-time funding here in FY24 instead of recognizing the revenue in FY23, along with aligned the budget to this year's current enrollment. Greg asked and Josh responded that the shifting of when UMCS is recognizing certain one-time funds does not materially impact our multi-year projections for FY25 and FY26. The school has about 25 more students this year compared to last year, and also has slightly fewer students than originally planned for in the budget adopted in June. The ending fund balance is now forecasted at just over \$1.7M and 30% of expenses. Cash on hand decreases through the Fall, but is forecasted to remain steady and strong all year.

Josh shared the unaudited actuals from FY23, showing an operating income of just over \$96,000 for the year and an Ending Fund Balance of just over \$1.6M. Edtec and school staff are now engaged in the formal audit process. The audit will need to come before the Finance Committee in November, and for the Board's approval at the November Board meeting, with submission to the County in December.

No public comments on this item.

B. Local Control and Accountability Plan 2023-2024

Greg shared about needing to do a midyear LCAP reflection. Greg asked for more details and Josh followed up that the Board shall receive a midyear LCAP reflection before February 28th, and that Edtec will be able to provide support on the budget overview for parents and the actions/expenditures.

No other questions or public comments on this item.

C. New Business

Greg clarified that the bulk of the Board's financial monitoring would now only occur at the Committee level, and not repeat the same information and files at the Regular Board Meetings through a Finance Committee Report agenda item. Instead a monthly committee report repeating the work of the Committee, the information and monthly files will be included in the Board's General Consent Report, giving Board members the opportunity to vote to accept the information, and still pull an item and ask more questions if there are any. Board members and members of the public can also review the Finance Committee minutes for more details, attend public meetings, and email with any questions.

No public comments on this item.

III. Closed Session

A. Closed Session Items

At 4:19pm, the committee went into closed session on Public Employee Performance Evaluation - Head of School. There were no public comments on this item.

B. Report out of Closed Session

At 4:29pm, the committee returned to open session. No actions were taken.

IV. Closing Items

A. Adjourn Meeting

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 4:30 PM.

Respectfully Submitted,
G. Klein
