II. Executive and Governance

A. Board Structure Evolution & Long Term Goal Alignment

Sarah shared about how it's important for the Board to hold a clear idea of the vision of the school, and have it clear and institutionalized across the board and administration. Sarah would like to emphasize the need for the Board and school to take one strong step towards this work this school year. The committee and Ms. Feeney discussed the idea of admin team working together to codify their a one-pager as a good starting place for creating a shared understanding of the school's vision, that builds on what has already been put in place and written down in other places. Such a document could then be socialized with the school leadership team, all staff, FAC, families, students, and the board, and the goal would be to have a clear in-common grounding on who we are as a school, what we're aiming for for our students, and what it means to belong here in the UMCS Community. The committee discussed this being more of an exercise in grounding our work, and less so about seeking to move the school in new directions.

No public comments on this item.

B. Board Membership, Recruitment, and Training

Ms. Feeney discussed scheduling soon with Amy N. The committee discussed recommending Amy and Kara for two-year terms as part of the October board meeting agenda.

No public comments on this item.

C. Head of School Evaluation Process

The committee discussed scheduling annual listening sessions with staff, how the committee is currently supporting Ms. Feeney to finalize the language of specific goals, and that the Board would again use the BoardOnTrack evaluation tool later in the Spring to gather feedback as well.

No public comments on this item.
