A. Paths Forward from non-renewal

Daniel shared about having many conversations with OUSD about what are the pathways to bringing our model into an OUSD school. Right now the idea may be to start with a co-location with an interested partner school, and then design more of a merger over time. Lisa and Daniel have visited multiple OUSD sites and meet people. Seeking to narrow down to a single school/campus. After that, there would be work to create a memorandum of understanding about what next year could look like.

Daniel also shared about meeting with our own legal counsel about changing the purpose of our current articles of incorporation with more follow-up next week. When ready, that paperwork comes to the Board.

The committee discussed possible pathways with the legal status of the nonprofit entity and the timelines. Daniel will follow up with counsel.
