## **III. Finance Committee: Dr. Reva Gershen-Lowy**

### **A. Audit Updates**

Dr. Gershen Lowy, chair of the Finance Committee, presented the Finance Committee report.

Ms. Leslie Cruz, CSBM, provided updates on financials.

---

*Audit Updates:* The audit package went out to auditors in August. Initial selections have been made. The internal CSBM team is working on sending the backups over. By the

Finance Committee meeting this month, there will be additional updates. The process is on track to meeting the November 1st deadline. There will be an additional review of financial statements for the audit prior to the deadline as well.

**B. Budget vs Actual for FY25 through July 2024 - pg.15**

*July 2024 Monthly Financial Report:*

- o CBSM financial statement template will return.
- o Enrollment is based on projections as per July/August per pupil invoice.
- o The per pupil lease assistance will increase in the next few months based on the FY25 lease. Currently waiting on third invoice for FY25 lease submission. The signed copy will be submitted to DOE once reviewed and approval to follow.
- o The Bloomberg Grant was awarded at \$240,000 for FY25, and was fully spent in July 2024.
- o Classroom supplies and equipment line item was higher than budgeted in July. This was expected for the start of the new school year with increased number of classrooms.
- o Insurance shows full expense in July because it does not carry over to the following year.

**C. July PA Account Rec - pg.19**

*July PA Account Bank Reconciliation:* There has been no recent activity. The current balance is \$4,300.45.

**D. Update on the status of the CSP unpaid expenses**

*CSP Unpaid Expenses Update:* The school has joined a lawsuit with other charter schools in regards to unpaid CSP funding. Progress has been made on the case and next steps were discussed with lawyers last week. CSBM recommended writing it off for this fiscal year. It was written off on the FY24 audit and the amount was budgeted for last year in case it was not received. As a positive net asset, it does not affect the school at the end of the year. Writing it off implies the school is not expecting it. If the monies do come in, the CSP grant will become revenue again. CSBM recommended writing it off in FY24, and if funds are eventually awarded, it is unrestricted revenue. The final application was approved, but CSP ran out of funds that year

**IV. Action Items**

**A. CMCCS Employee Handbook - pg. 15**

Counsel Kevin Quinn has reviewed the SY2425 handbook. Revisions are outlined. Dr. DeVivio highlighted the major changes including FMLA, extended COVID policy, and pregnancy doctor appointments.

The board **VOTED** unanimously to approve the motion.

**B. CMCCS Board Self-Evaluation - pg. 172**

Mr. McCarthy confirmed that the board used the CSI board evaluation metric tool to complete its self-evaluation. Directors shared highlights of their board self-evaluations. Clarification was made that according to CMCCS bylaws, the board does not add new members, so that metric is not applicable.

**C. CMCCS Annual Monthly Tasks - pg. 176**

Mr. McCarthy confirmed that the monthly tasks, as recommended by CSI, have been added to BoardOnTrack.

**V. Closing Items**
