II. Reports, Correspondence & Program

A. PHS ASB Report

The PHS ASB student representative provided an update on recent ASB activities:

- Provided end of year updates which included Prom, and an update on the results of the annual ASB elections. ASB is considering planning a "Hound Olympics" event to finish out the school year.

B. Board Reports

- Craig Nelson: Attended Bob's Bulletin update at the Franklin Elementary staff meeting and participated in the Kamiak Blood Drive noting that some elementary schools are planning to compete for various blood drive prizes in the future.
- Lisa Waananen Jones: Jefferson Elementary is preparing for end-of-year events. Director Waananen Jones provided a follow-up on the budget decision to transition the full-time Athletic Director position to a combined Assistant Principal/Athletic Director role. The update included a summary of community feedback shared at the last board meeting and a response to the key points raised. Director Waananen Jones also shared that they are exploring ways to show appreciation for and recognize the contributions of volunteers.
- Arron Carter: Director Carter shared follow-up conversations regarding the budget decision about the Athletic Director position, including discussion of next steps and efforts to provide clarity and understanding. He also met with the Lincoln Middle School Students of Color Association, who are organizing a "Week of Kindness" to promote kindness among peers, with plans to continue the initiative into the next school year. The group is also partnering with the City and local supermarkets for a

snack drive to support their teen rec center; students will be collecting donations in front of stores for this effort. Director Carter also participated in the exit audit meeting. The auditors found no concerns—everything was in order. A policy revision related to the audit is included in the board packet. He expressed appreciation for Diane Hodge and her team, noting that their thorough preparation saved the district money. He also briefly highlighted items reviewed during the audit.

◦ *Dr. Maxwell noted that the auditors commended Finance Director Diane Hodge and her team for their outstanding work, which resulted in a \$3,400 savings for the district. He emphasized that the district incurs an annual cost for the audit and appreciated the auditors providing an estimate and focus areas for next year's audit. Director Hodge added that the district received the State Auditor's Award in 2022 and highlighted that Pullman School District is audited very thoroughly.*

- Amanda Tanner: No report.
- Nathan Roberts: No report.

C. Superintendent's Report

- Had another successful 5th Grade Outdoor education experience at Camp Wooten and for our day campers. This event is a team effort and shared appreciation for all of the work put into that experience.

Budget Update provided by Dr. Bob Maxwell, Superintendent and Diane Hodge, Finance Director

The presentation highlighted the district's ongoing financial challenges due to declining enrollment, rising costs (particularly utilities and insurance), and inadequate state and federal funding. Although the district remains solvent, continued budget adjustments are necessary to avoid future financial insolvency. Dr. Maxwell provided clarification around headcount versus student FTE. District's are funded on a student's full-time equivalent for every student that is attending time spent in a Pullman school. Clarification was provided on student headcount vs. Full-Time Equivalent (FTE), with a reminder that Running Start students only generate partial funding for the time spent in Pullman High School. The district is working to expand College in the High School offerings. Dr. Maxwell also clarified that transfer data shows a relatively equal number of students transferring in and out of the district.

Key priorities included:

- Keeping student learning as the central focus.
- Reducing expenditures thoughtfully, targeting up to \$1.3 million in savings.
- Increasing revenue through advocacy and operational efficiency.
- Rebuilding the district's fund balance to 8–10% over four years.

- The district is aligning its financial planning with Board Policy 6000 on fund balance maintenance.

Board Discussion:

During the board discussion, board members sought clarification on how rising property taxes impact school funding. Director Waananen Jones questioned why higher property taxes do not necessarily benefit the district, and Finance Director Hodge explained that as property values increase, the state lowers its funding through Local Effort Assistance (LEA), classifying the district as “property rich.” Finance Director Hodge emphasized that the district can only collect the levy amount approved by voters, regardless of property value changes. Superintendent Maxwell reinforced that the levy cap is fixed and not tied to assessed value fluctuations. Finance Director Hodge clarified that Title I, Title III, and Special Education funds are primarily used to support staffing. Director Nelson noted that recent state-imposed adjustments to Whitman County’s assessed property values contributed to the district’s current funding challenges—a point both Dr. Maxwell and Finance Director Hodge agreed with, adding that further increases may still occur. Director Carter asked about the duration of the LEA formula’s impact, and Finance Director Hodge explained that it is recalculated annually, with the next review scheduled for January 2026 for the 2027–28 school year. Dr. Maxwell added that LEA amounts can vary significantly over time.

D. A Community of Belonging - Update

Update provided by Board Director Craig Nelson:

The task force is actively pursuing two key efforts: removing barriers from the Harassment, Intimidation, and Bullying (HIB) reporting process to encourage more individuals to report incidents, and planning a monthly community resource fair. The fair aims to spark conversations, provide valuable resources to families, and strengthen partnerships within the community.

Director Roberts noted that any future recommendations from the task force will come to the board through the consent agenda.

III. Public Comment

A. Speakers

Speaker: Sherree Komp

Topic: A Pullman High School math teacher with 26 years of experience, including coaching and advising various activities, expressed appreciation for the board’s earlier comments, and shared personal reflections on the impact of the decision to merge the standalone Athletic Director position into a combined Assistant Principal/Athletic Director role. Sherree also voiced concern over the lack of district recognition for Wendy Kruger’s

recent award and emphasized the importance of board members visiting schools to engage directly with teachers and staff, as has been done in the past.

V. Action Items

A. 2026-2027, 2027-2028, and 2028-2029 Academic Calendars

Presenter: Juston Pollestad, Executive Director of Operations

This item was presented at the last board meeting. According to school board policy and procedure 2220, the board of directors will take action to approve the school calendars on or before June 1. The calendar committee proposed three different calendar options for the 2026-2027, 2027-2028, and 2028-2029 school years. The Pullman Education Association (PEA) and the Pullman Paraprofessional Association (PPA) voted on the proposed draft options.

The results of the overall voting indicated that Draft Option (A) received the majority of votes for the 2026-2027, 2027-2028, and 2028-2029 school years.

There was a question about receiving input on calendar preference from the calendar committee, Executive Director Pollestad provided an overview of the bargaining agreement language that guides the selection of the recommendation to the board.

During discussion, board members acknowledged feedback from families and students. Director Carter shared that feedback received from high school students was in support for starting school on a Monday rather than a Wednesday followed by a holiday weekend, feeling it offers a more cohesive start to the year. Director Carter also shared feedback received from families that also were in support of Option B's approach to inclement weather make-up days, which groups them within the same week at the end of the year, making it easier to plan summer activities. Director Roberts highlighted the possibility of a staggered start in the future to support elementary students' transition. Director Tanner emphasized the need to consider teacher input, as the calendar directly impacts their daily work.

Superintendent Maxwell reminded the board that current policy specifies a Wednesday start, and a policy change would be required to alter that. Director Roberts also noted the importance of aligning the school calendar with community events that typically occur in August.

Amanda Tanner made a motion to approve Option A for the 2026-2027, 2027-2028, and 2028-2029 academic calendars.

Craig Nelson seconded the motion.

The board **VOTED** to approve the motion.

B. Resolution 24-25:08 180-Day School Year Waiver for Family-Teacher Conference Days

Presenter: Roberta Kramer, Assistant Superintendent

This item was presented at the last board meeting. This resolution is required as part of the OSPI 180-Day School Year Waiver application renewal process to continue the district's Family-Teacher conference model structure that is currently in place.

Arron Carter made a motion to Resolution 24-25:08 180-Day School Year Waiver for Family-Teacher Conference Days.

Amanda Tanner seconded the motion.

The board **VOTED** unanimously to approve the motion.

VI. Discussion Items

A. 2025-2026 Board Meeting Schedule

Presenter: Bob Maxwell, Superintendent

A draft of the 2025-2026 Board Meeting Schedule is presented for consideration. Meeting dates

mimic the schedule followed in 2024-2025 (board work sessions are scheduled for the first

Wednesday of the month, and board meetings are scheduled for the 2nd and 4th

Wednesdays in

the month). The months of April, November and December differ to accommodate the school

and holiday schedule.

Director Roberts noted that the calendar include a fall and spring community listening session.

B. 2025-2026 Pullman Public Schools Student and Family Handbook

Presenter: Bob Maxwell, Superintendent

The 2025-2026 Pullman Public Schools Family and Student Handbook has been revised and is

presented to the board for review and feedback. The handbook is available on our district website

and will be updated throughout the year, as needed, to reflect policy changes. Paper copies are

also available upon request.

Major Revisions:

- School Addendums - updated as appropriate (subject to change as staffing is finalized)
- Annual Notifications list was updated.
- Policies and procedures have been updated as appropriate.

There may be additional minor changes in the future as a result of legislative session rule changes that may be required to be in a handbook.

C. 2025-2026 Lincoln Middle School/Pullman High School Athletics & Activities Handbook

Presenter: Debbie Crabtree, Pullman High School Principal & Tammy Sewell, Lincoln Middle School Assistant Principal

The 2025-2026 Lincoln Middle School/Pullman High School Athletics & Activities Handbook

has been revised and is presented to the board for review and feedback. Staff have worked to ensure continuity between LMS and PHS information. Paper copies are also available upon request. Major revisions were reviewed.

D. Pullman High School Credit Recovery Summer School Fee

Presenter: Debbie Crabtree, Pullman High School Principal

In past years Pullman High School has charged \$175 per course for PHS Credit Recovery

Summer School. This fee went away during COVID due to extra funds to cover credit recovery.

Proposal: For PHS Credit Recovery Summer School, PHS would like to charge \$150 per course.

We will offer an early enrollment fee of \$125 per course if enrolled by June 6th.

Scholarships

may be available for students that need those and those funds would come from the building.

PHS Summer School:

- July 1-31 (Required orientation on June 26th at 10:15 at PHS)
- Tuesday – Thursday
- 10:00 am – 2:00 pm
- In person at PHS – absences can be prearranged

Superintendent Maxwell inquired about the urgency of the early enrollment deadline, and Principal Crabtree confirmed that having the early enrollment date set would be greatly appreciated to assist counselors and secretaries before their June departures.

Amanda Tanner made a motion to move this discussion item to an action item.

Arron Carter seconded the motion.

The board **VOTED** unanimously to approve the motion.

During the discussion, Director Carter asked about typical student enrollment and course offerings for PHS Credit Recovery Summer School. Principal Crabtree responded that core classes are usually offered, and while 30–40 students enrolled last year, actual participation was lower. It was also noted that PHS covers the setup costs for the courses, and emphasized that if students don't recover credits in the summer, they must give up elective classes during the regular school year to make up those credits.

Arron Carter made a motion to approve the Pullman High school credit recovery summer school fee.

Lisa Waananen Jones seconded the motion.

The board **VOTED** unanimously to approve the motion.

Dear Parents and Guardians:

Welcome to Pullman Public Schools! This is a community that takes a great deal of pride in the quality of life it has to offer. We believe you will find its residents friendly and ready to lend a hand when needed.

One of the key assets of the Pullman area is its public schools. The quality of our schools is the result of the many strong partnerships that exist among parents, students, community agencies and organizations, and the high value the whole community places on quality education for all its children and youth.

The public schools in Pullman offer rich academic programs. As well, there are tremendous opportunities for children to extend classroom learning through curricular and co-curricular enrichment. All of the arts, in particular music, visual arts, and drama offer thriving and vibrant programs in the Pullman schools from elementary through the high school level. Many team experiences are available to students through athletics and academic programs. Understanding that students engaged in their schools are more apt to be successful, we are proud that a large majority of our students at the secondary level are involved in some co-curricular activities throughout the school year.

The academic success of our students, on average, is among the top-performing school districts in our state. We are also committed to doing whatever we can to help students who struggle find success. The best results with any student are those that happen when we are able to build strong partnerships with parents who take a strong interest in their child's learning and educational program. We look forward to the opportunity to serve you and your child in the Pullman Public Schools in the coming school year!

Sincerely,

Bob Maxwell

ATTENDANCE POLICY

Regular and punctual attendance is a habit that is indicative of a student's attitude toward school and which will follow into the student's career and other responsibilities throughout life. The school and parents must work cooperatively by making regular and punctual attendance a top priority. The responsibility for school attendance belongs with parents and guardians. The following shall govern the development and administration of attendance procedures within the district. Students involved in extracurricular activities are responsible for picking up assignments from their instructors when leaving early for school-related activities. **Policy 3122: Excused and Unexcused Absences** is located in [Appendix A](#) of this handbook.

Excused Absences

Absences due to the following reasons shall be excused: 1) physical health or mental health symptoms, illness, health condition, and medical appointments; 2) family emergencies and death/illness or a family member; 3) religious or cultural purposes; 4) court-ordered activity or jury service; and 5) as required by law and outlined in policy 3122. All specific instances for excused absences are outlined in [policy](#) and [procedure](#) 3122. An excused absence shall be verified by the parent or school authority responsible for the absence.

Unexcused Absences

Unexcused absences fall into two categories:

1. The parent, guardian, or adult student submits an excuse that does not meet the definition of an excused absence as defined previously; or
2. The parent, guardian, or adult student fails to submit any type of excuse statement, whether by phone, email or in writing, for an absence.

Unexcused absences are a violation of school rules; therefore, a student who has an unexcused absence is subject to discipline. [RCW 28A.225.020](#) defines the school's responsibility in filing truancy petitions (*a Becca Petition*) when a student has 7 unexcused absences in one month or 15 in one year and the school can document an effort to contact parents and remedy the situation without court intervention.

Truancy petitions are filed with the Superior Court of Washington for Whitman County Juvenile Department in compliance with [RCW 28A.225](#). Students arriving late to school without an excused note or phone call are considered truant.

Tardies

Students are tardy when they arrive to class after the bell signaling the start of class. Unexcused tardies are recorded. Any student receiving two unexcused tardies within a two-week period will receive a lunch detention. An accumulation of four tardy sanctions will result in the assignment of after school detention for each additional tardy. ***Minimum attendance thresholds are set by the Superintendent. For a student to be determined 'present', they must be present at least 50% of an attendance period.***

STUDENT ARRIVAL & DEPARTURE

For specific details about arrival and departure times or school schedules, please see the family handbook addendum for each school.

After school, students need to leave school grounds. Supervision ends at 3:10. In accordance with state law, students who wish to use a school playground after school for free play need to report home before returning to the school grounds, no sooner than 3:30 pm. ****Supervision times vary by school. Check your school's addendum in this handbook to see specific times.***

WALKING & BIKING

Pullman Public Schools, in collaboration with the City of Pullman, aims to support walking and biking to school by developing safe routes and path networks. Walking or biking to and from school are great strategies for kids and adults to incorporate physical activity into their lives. The benefits of walking or biking to and from school extend beyond health. Research shows that there is a connection between physical activity and academic achievement.

Walkers

Many of our students walk to and from school. All students must abide by general safety rules when walking to and from school. Crossing guards are provided on busy corners around all of our elementary schools (contact your main school office for specific corner information). We ask all students and parents to respect our safety patrol members and follow their directions when walking to and from school.

Bicycle Riders

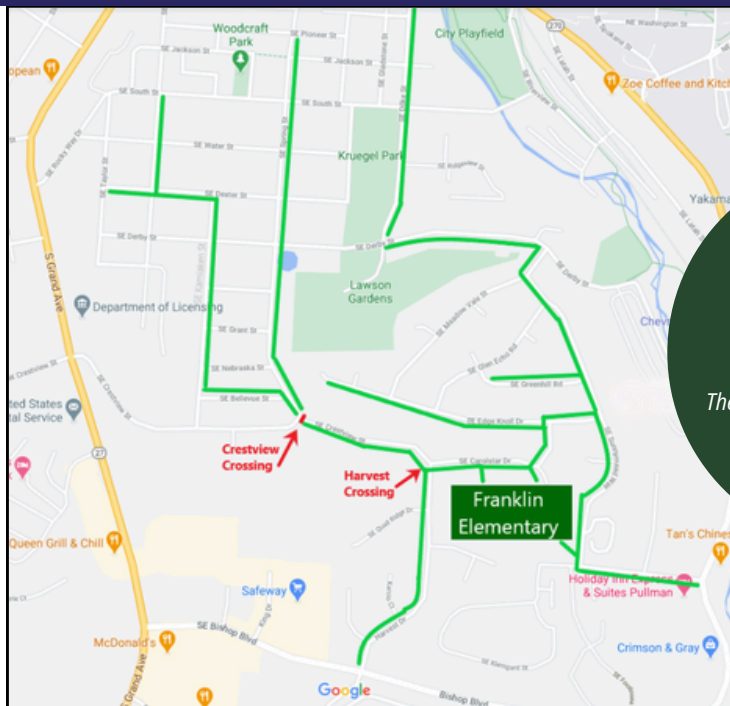

All of our elementary schools have bike racks. We recommend a bike lock for securing your bicycle. We have several safety policies for bike riders.

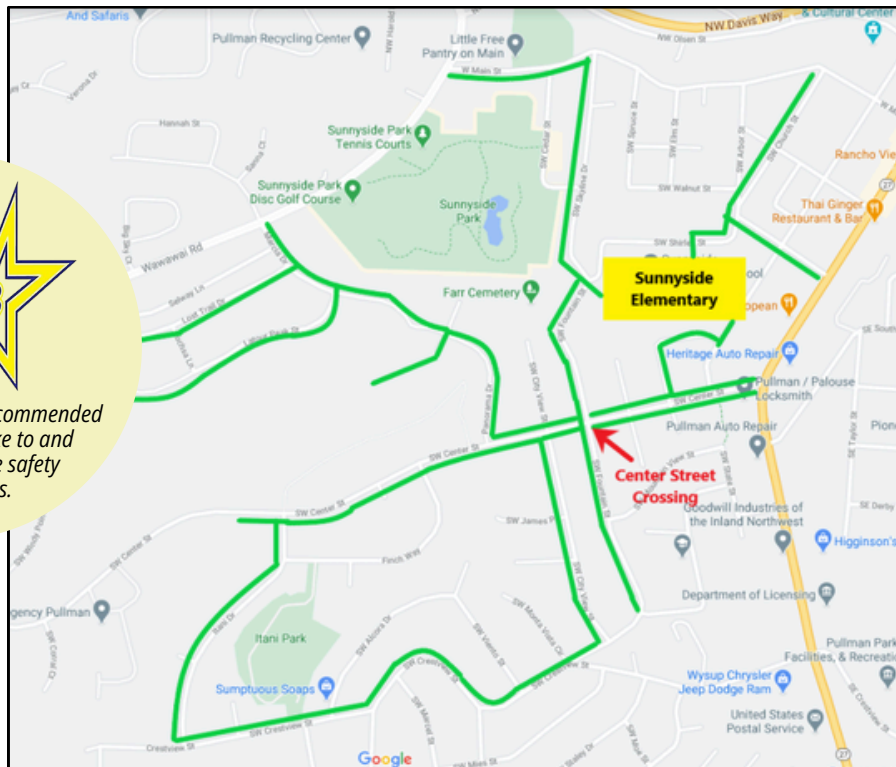

- Bike riders must always wear a helmet.
- Always obey general traffic and safety rules.
- Listen to staff and safety patrol members and follow their directions.
- Walk your bike on school grounds and sidewalks.

Below you will find the recommended routes to walk or bike to and from school for the safety of all students.

FRANKLIN ELEMENTARY SAFE ROUTES TO SCHOOL

JEFFERSON ELEMENTARY SAFE ROUTES TO SCHOOL

These routes are the recommended routes to walk or bike to and from school for the safety of all students.

Enforcement of Rules & Regulations

First report/ticket: Written warning mailed to parents/guardians.

Second report/ticket: Three (3) day suspension from riding the bus.

Third report/ticket: Two (2) week suspension from riding the bus.

Fourth report/ticket: Permanent suspension for the remainder of the semester.

Flagrant violations (such as abuse of a driver or major violation) may result in a stronger penalty or could accelerate the suspension process.

FIELD TRIPS

Field trips are defined as travel away from school premises, under the supervision of a teacher, with an approved course of study, for the purpose of affording students a direct learning experience not available in the classroom.

Any time students leave school grounds to attend a field trip, a signed permission slip is required in advance.

- This includes walking field trips to any location off site.
- This includes taking a bus to another school in our district for any event.

EMERGENCY OPERATING PROCEDURES & INCLEMENT WEATHER

During adverse weather conditions, it may become necessary to exercise one or a combination of the following emergency procedures:

All information regarding school delays or closures will be made available to guardians, news and radio stations by approximately 6:00 a.m.

Announcements about school delays or cancellations are shared in the following ways:

- Automated emails, phone calls and/or text messages will be made to all parents/guardians by approximately 6:00 a.m (automated phone broadcast notification preferences are set in your ParentSquare account. If you do not have access to ParentSquare, please request access by emailing info@psd267.org or notifying your school's front office)
- An announcement will be made on the District website via the ParentSquare feed widget, located on each school's homepage, as well as the district's (www.pullmanschools.org).
- Weather announcements will be posted on our social media pages:
 - Facebook: [@PullmanPublicSchools](https://www.facebook.com/PullmanPublicSchools)
 - Twitter: [@PullmanSD](https://twitter.com/PullmanSD)
 - Instagram: [@PullmanPublicSchools](https://www.instagram.com/PullmanPublicSchools)
- Radio stations: KQQQ (1150 AM), KHTR (104.3 FM), KRPL (1400 AM), KZFN (106.1 FM), KWSU (1250 AM), KRFA (91.7 FM), KZZL (99.5 FM)
- TV Channels will be contacted: 2 (KREM), 4 (KXLY), 6 (KHQ), and 3 (KLEW)

Late School Starting Time

It may be necessary to delay school starting times by one to two hours in order to take advantage of daylight hours and/or improving weather and/or road conditions. This will also allow in-town students more time to get to school and avoid heavy traffic periods. The delay will be announced using the same methods as above. Schools will be open and students may come earlier, if necessary. Schools will normally be dismissed at the regular time.

If a delayed start time occurs on a 'Late-Start Monday', the delay time will be based on your student's normal Tuesday-Friday start time.

Emergency Rural Bus Routes

These schedules will be distributed to all rural bus riders by their bus drivers. When emergency bus routes will be used, you will receive a notification from our rapid notification system (ParentSquare).

Rural students who cannot be transported to their home will be returned to their applicable school where arrangements will be made for staying at their emergency in-town address.

In-town elementary students without parents/guardians at home will not be released until arrangements have been made for a babysitter and/or alternate supervision.

School Delays

One-Hour Delay

AM preschool programs, zero period classes, and before-school activities, programs, and clubs canceled. Rural bus route students will use emergency routes. Rural bus route students will be notified separately via our rapid notification system (ParentSquare).

- Franklin starts at 9:20 a.m.
- Sunnyside starts at 9:35 a.m.
- Jefferson starts at 9:20 a.m.
- Kamiak starts at 9:35 a.m.
- Lincoln starts at 9:30 a.m. - *start in 2nd period class*
- Pullman High starts at 9:30 a.m. - *check with PHS for delayed start schedule*

Two-Hour Delay

AM preschool programs, zero period classes, and before-school activities, programs, and clubs canceled. Rural bus route students will use emergency routes. Rural bus route students will be notified via our rapid notification system (ParentSquare).

- Franklin starts at 10:20 a.m.
- Sunnyside starts at 10:35 a.m.
- Jefferson starts at 10:20 a.m.
- Kamiak starts at 10:35 a.m.
- Lincoln starts at 10:25 a.m. - *start in 3rd-period class*
- Pullman High starts at 10:30 a.m. - *check with PHS for delayed start schedule*

City Transit System Operating on Snow Routes or Not Running

If Pullman Transit transitions to snow routes or stops running routes completely, Pullman Public Schools will provide alternative transportation options both before and after school. Families should go to their nearest school in the morning, with the exception of LMS students living near Franklin and PHS students living near Kamiak.

PSD families will be notified via ParentSquare in the event a Pullman Transit route, used by students in grades 6-12, is running a snow route and will include information about alternate pick-up and/or drop-off locations with pick-up times. These times can also be found on our website:

https://www.pullmanschools.org/families/helpful_resources/inclement_weather

No School Buses

Under extreme or prolonged days of bad weather it may be necessary to operate without any school buses. Under these conditions it will be necessary for parents/guardians and students to provide their own transportation to school. Normally, we will operate both morning and afternoon kindergarten under these circumstances.

Early School Dismissal

On some occasions, weather conditions may deteriorate during the school day and necessitate early dismissal of schools. Rural students will be returned to their homes only if there is adult supervision and/or a vehicle to receive them at the point they leave the bus.

School Closure

Closure will be announced via the above mentioned radio and television stations, by phone/email/text using our rapid notification system (School Messenger), on social media channels, and on the district website as a popup window. When school is closed, all activities and athletic events will be cancelled at home or away. This decision will be made by district administrative personnel. At the discretion of the high school principal, high school varsity sports or other major activities may hold non-required practices.

BREAKFAST & LUNCH PROGRAMS

Breakfast and hot lunches are served each day. *Milk is available for students carrying cold lunches.*

Free and reduced price meals are provided for children whose family size and monthly gross income meet federal guidelines. Applications are available at any Pullman Public School or at

www.pullmanschools.org/departments/nutrition-services.

Parents may enroll their children at any time during the school year. If the student qualifies for free or reduced lunches, they automatically qualify for free or reduced breakfasts. The names of students participating in the free/reduced program are kept confidential. Applications should be returned directly to the school office.

The Food Service program is self-supporting through student participation and federal supporting terms of commodities and reimbursement. Program benefits and services are available to all students without regard to race, color, sex, disability, age, or national origin.

Meal prices and menus can be found on the Pullman Public Schools website under the [Nutrition Services](#) department.

FREE & REDUCED-PRICE MEALS

If your family qualifies for free or reduced-price meals, the district can facilitate fee waivers for school programs. Fee waivers can be applied to optional non-credit based activity fees, ASB card fees, sports/athletics fees, field trip fees, summer school fees, testing fees (ACT, SAT, etc.), course fees, and/or lab fees for students that are eligible for free or reduced-price meals. Schools may disclose children's free and reduced-price eligibility information to programs, activities, and individuals that are specifically authorized access under the National School Lunch Act (NSLA).

We encourage all families to complete the Consent to Share Child Nutrition Program Eligibility Form through Skyward Family Access for all students in each family as part of the annual registration for returning students or as part of the new student enrollment process, whichever is applicable. This is an optional form and submitting/not submitting this form will not affect your child's eligibility for free or reduced-price meals. After the completed Consent to Share Eligibility Form has been received, the fee waivers will be automatically applied, where applicable. ***You can get a Consent form from your school's front office or the district.***

IT'S MORE THAN A MEAL APPLICATION

We strongly encourage all parents/guardians to submit a Meal Application. Completing an application takes less than 10 minutes, and parents only need to complete one Meal Application.

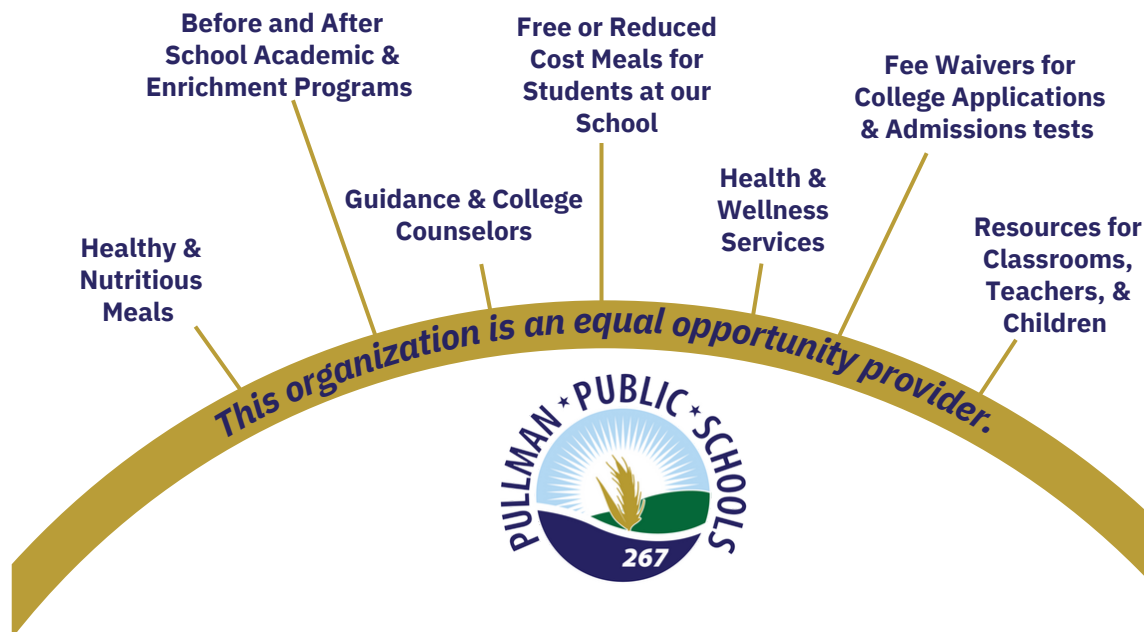

Meal Applications may be downloaded from our website at www.pullmanschools.org or a paper copy may be picked up from any school or the district office. Additionally, families may complete meal applications in their Skyward Family Access account. Once you submit an application, you will receive a notice in the mail as to whether your child/children can receive free or reduced- price meals.

EVERY ELIGIBLE FORM COUNTS!

Every eligible form that is not submitted means lost resources for our schools.

Foster children and students receiving benefits from state programs such as Basic Food or Medicaid automatically qualify for free/reduced priced meals!

Filling out the School Meal Application may help provide:

DISTRICT SNACK POLICY

In an effort to best meet the needs of all students, our district has implemented a policy related to food in classrooms. We have students in each of our schools with diagnosed life-threatening food allergies and others with food sensitivities. Our policy is intended to better care for our students and was adopted as the result of a recommendation from our district Wellness Committee. The Wellness Committee is comprised of school administrators, district employees, community members, and parents.

We do not serve food on individual student birthdays. We do allow for activities that involve food up to once a month in each classroom, at the discretion of the teacher. Individual teachers will create their own classroom birthday recognition practices, which often include learning components on the student's special day. These events may have different themes and purposes at each grade level, and may take the form of a combined monthly birthday celebration. In all cases, families will have prior notice of the events, including information about what types of food will be available, so that parents may plan alternative food options for their child if needed.

Food practices in individual classrooms will be mindful of life-threatening allergies, food sensitivities, health, and the potential for disruption, and will be communicated by individual classroom teachers. There are many occasions when we wish to recognize accomplishments of students and we will continue to explore and implement strategies unrelated to food. We hope to create a safer, healthier environment, and minimize loss of instructional time throughout the school year.

Click the link below to view the Approved Snack List. The list of approved snacks is also available in each school office and on our website. Please do not bring food to school unless pre-arranged with the school and/or classroom teacher. Instead of bringing food, please consider bringing stickers, pencils, erasers, etc. for birthday celebrations.

All foods offered on the school campus will meet or exceed the USDA Smart Snacks in School nutrition standards including:

- **Foods brought for celebrations & parties** - The district will provide a list of healthy party ideas to parents and teachers, including non-food celebration ideas.
- **Classroom snacks brought by parents** - The district will provide to parents a list of foods and beverages that meet Smart Snack nutrition standards. All food must be dropped off at the school office and will be distributed to the classroom at the appropriate time.
- **Rewards & Incentives** - The district will provide teachers and other relevant school staff a list of alternative ways to reward children. Foods and beverages will not be used as a reward, or withheld as punishment for any reason, such as for performance or behavior.

STUDENT DRESS POLICY

The student and parent/guardian(s) may determine the student's personal dress and grooming standards, provided that the student's dress and grooming does not:

- Lead school officials to reasonably believe that such dress or grooming will disrupt, interfere with, disturb, or detract from the school environment or activity and/or educational objectives;
- Create a health or other hazard to the student's safety or to the safety of others;

Examples of student dress that are prohibited include, but are not limited to clothing that:

- States or implies intimidation, discrimination, or ridicule based on a legally protected status such as race or gender;
- Displays words, pictures, or references to profanity, alcohol or marijuana, tobacco, illegal drugs, weapons, or sexual innuendo;
- Display words, pictures, or references that create an atmosphere in which a student, staff, or other person's well-being is affected by undue pressure, behavior, intimidation, overt gesture, threat of violence, gang membership or affiliation.
- Exposes torso, midriff, or backside, and clothing without sleeves or straps.

The principal, as well as the teacher, advisor, coach, or other person(s) in charge of a curricular, co-curricular, or extracurricular activity, may regulate the dress and grooming of students who participate in the curricular, co-curricular, or extracurricular activity if the principal, teacher, advisor, coach, or other person(s) reasonably believes that the student's dress or grooming:

- Creates a hazard to the student's safety or to the safety of others; or
- Will prevent, interfere with, disrupt, or adversely affect the purpose, direction, or effort required for the activity to achieve its goals.

If the student's dress or grooming is objectionable under these provisions, the principal will request that the student make appropriate corrections. If the student refuses, the principal will notify the parent, if reasonably possible, and request that the parent make the necessary correction. If both the student and parent refuse, the principal will take appropriate disciplinary action. Students may be suspended, if circumstances so warrant. Students who violate provisions of the dress code relating to extracurricular activities may be removed or excluded from the extracurricular activity for such period as the principal may determine. All students will be accorded due process safeguards before any corrective action may be taken.

Students identified as being gang involved influenced or affiliated will be provided assistance and/or programs which discourage gang involvement or affiliation, enhance self-esteem, encourage interest and participation in school or other positive activities and promote membership in authorized school organizations.

Pullman School District is committed to continuing to find ways to be more sustainable. A way for the district to be more sustainable is for the temperature in school/district buildings to be set to 68 degrees for heating and 72 degrees for cooling. Please note while this is the set temperature, school and district buildings could range in temperature from 68-72 degrees. Please have your student dress accordingly.

PARENT INVOLVEMENT

Parent Volunteers

We pride ourselves on building strong parent relationships and we encourage parent involvement. Each classroom has a parent communication plan and options for parent volunteers. Volunteers must complete and submit an application to volunteer via the district website at:

pullmanschools.org.

Please note that in order to volunteer, you must be able to clear a background check.

Lunchroom Visitation

Our lunchrooms are open for parents to visit and eat with their children. This can be a special treat for children and parents on occasion, but we do not encourage parents to regularly come to our lunch room to visit their child (more than once per week). Our goal for every child is to develop independence. Lunch is one of the only times during the day where students can informally visit with their friends and work on peer-to-peer social skills. This is a very important time for students to interact independently and learn daily lessons on how to interact and problem solve with their peers. If parents are visiting the lunchroom too often, children can miss out on an important learning opportunity. If parents intend to buy a hot lunch from the cafeteria, we do request a phone call in the morning before 8:45, so we can prepare enough food for the day.

Classroom Visitation

Along with classroom volunteering, we encourage parents to visit our schools for special events (assemblies, unique class activities, student presentations, etc.) and for special occasions (holiday parties, class parties, birthdays, etc.). We view our schools as community schools and are always looking to increase our parent partnerships. Our schools would not be the amazing places they are without our incredible PTA/PTO groups and supportive parents and community.

Outside of volunteering and special events, parents (visitors) that would like to meet with a teacher, visit their child, or observe a classroom during school hours need to be pre-approved by the school office or classroom teacher (per district [policy](#) and [procedures](#) 4200P). Instructional time is very important, so parent visits that are unplanned can take away from planned instructional activities and can cause distractions to the learning environment. The teacher may request to meet with the parent (visitor) before and/or following the visitation.

Teachers are available and willing to schedule parent meetings during non-student times (FES/JES: 7:50- 8:20 or 2:50-3:20; SES/KES: 8:00-8:35 or 3:30-4:00). You can schedule a teacher meeting by either calling the main school office or emailing your child's teacher directly.

Playground Visits

Recess is an extension of the classroom and school day. As such, all playground visits need to be pre-approved by the building principal. Students need informal social time with their peers to develop social skills and develop a sense of being independent. Safety is our top priority. We must ensure that all adults that are visiting our schools are safe to be around other children and we are unable to do that if visits are not pre-arranged.

WHEN TO STAY HOME FROM SCHOOL

Deciding when to keep a sick child home from school is not always easy. Below are some guidelines to help families decide when to keep students at home:

- **Diagnosed Strep Throat or Bacterial Conjunctivitis (Pink Eye):** Must stay home 24 hours after the first dose of antibiotics.
- **Diarrhea:** Three or more loose or watery stools in a 24-hour period, especially if the student feels ill. Students should stay home for 24 hours after the last watery stool.
- **Eyes:** Draining mucus or pus or that have unusual redness, itchiness or pain not due to injury or allergy.
- **Fatigue:** Students who are unusually tired, pale, lack appetite, or who are difficult to wake, confused, or unusually irritable.
- **Fever:** Temperature 100 degrees Fahrenheit or over. Students need to stay home for 24 hours after their temperature has returned to normal without the help of fever-reducing medications such as Ibuprofen or Acetaminophen.
- **Live Lice:** Students may return to school once treatment has begun.
- **Persistent Coughing:** Students who are unable to participate in classroom activities due to persistent coughing should stay home.
- **Rash:** Unknown origin or those known to be contagious such as ringworm, impetigo or scabies. Students may return to school as soon as treatment has begun.
- **Vomiting:** Two or more times during the last 24 hours, especially if the student feels ill. Students should stay home for 24 hours after the last time they vomited.

If your student shows any of the above symptoms at school you may be called to pick him/her up. We suggest that you also consult your health care provider. **Please consult your school nurse or health care provider if you are unsure whether or not your student should miss school due to health conditions.**

FREQUENTLY ASKED QUESTIONS (FAQ)

Contacting the School

What do I do if I need to contact the school?

Please contact our schools by calling the main school office. If you call either before or after school hours, you may leave a message on the answering machine, or opt to email.

What do I do if I need to speak with my child's teacher?

The best way to communicate with your student's teacher is through e-mail. If you have an emergency, please call their school office and talk to the Office Manager.

Student Drop-Off & Pick-Up

May someone else pick up my child?

Students may be released to persons other than parents or legal guardians only if:

- The student's school has been notified in advance by the parents or guardian that the pupil is to be released to a specific person or persons (identity to be verified by the school).
- The student can correctly identify the designated guardian.

Students are not allowed to leave school for any reason without permission of the parent or guardian.

Missing School

What do I do if my child is going to miss school for the day?

- If you know of the absence in advance, please send a note to the student's school.
- If the absence is unexpected, please call the school's main office by 8:30 AM. Messages before or after school hours will be recorded on the answering machine.

What do I do if my child needs to miss just part of the day?

- If you know of the absence in advance, please send a note to the student's school.
- If the absence is unexpected, please call the schools' office to notify the Office Manager.

What do I do if our family is going to leave for a vacation?

Excused absences due to family trips/vacations need prior approval by the school principal.

How do I get classwork my child may have missed while absent?

Please email the student's teacher for guidance regarding missed work

Visitation

May my child bring a friend to school?

Visits are discouraged because the children tend to focus on the visitor and valuable instructional time is lost. Lunch time visits can be arranged through each school's main office. **Please call the school's office by 8:45 am if you would like to order a lunch.**

Medication

What do I do if my child needs to take medication during school hours?

Please fill out the "Authorization for Administration of Medication at School" form, as required by the state of Washington. Please note that by law the child's physician must sign this form. Turn in this form and the medication in its original container to your student's school office. The form is at:

www.pullmanschools.org in the [Forms](#) section.

Progress Reports

When will I receive a report on my child's progress?

The year is separated into three reporting periods:

- 1st trimester: Parent-teacher conferences for all students in October
- 2nd trimester: Parent-teacher conferences for all students and a report card in February/March.
- 3rd trimester: A final report card for all students in June.

Informal reports are part of checking your child's daily work or by placing a call or sending an email to your child's teacher if you have any questions.

Please avoid asking for a report on your child in a public setting.

STUDENT DISCIPLINE POLICY

"Discipline" means any action taken by the school district in response to behavioral violations. Discipline is not necessarily punitive, but can take positive and supportive forms. Data show that a supportive response to a behavioral violation is more effective and increases equitable educational opportunities. The purposes of this policy and accompanying procedure include:

- Engaging with families and the community and striving to understand and be responsive to cultural context
- Supporting students in meeting behavioral expectations, including providing for early involvement of parents
- Administering discipline in ways that respond to the needs and strengths of students and keep students in the classroom to the maximum extent possible
- Providing educational services that students need during suspension and expulsion
- Facilitating collaboration between school personnel, students, and parents, and thereby supporting successful reentry into the classroom following a suspension or expulsion
- Ensuring fairness, equity, and due process in the administration of discipline
- Providing every student with the opportunity to achieve personal and academic success
- Providing a safe environment for all students and for district employees

The Superintendent shall establish and make available rules of student conduct, designed to provide students with a safe, healthy, and educationally sound environment. Students are expected to be aware of the district's rules of student conduct, including behavior standards that respect the rights, person, and property of others. Students and staff are expected to work together to develop a positive climate for learning.

This is not the full discipline policy! The Pullman School District Board [Policy](#) and [Procedure 3241: Student Discipline](#) can be found in [Appendix B](#)

HARASSMENT, INTIMIDATION, & BULLYING (HIB)

OUR SCHOOLS PROTECT STUDENTS FROM HARASSMENT, INTIMIDATION, AND BULLYING (HIB)

Schools are meant to be safe and inclusive environments where all students are protected from Harassment, Intimidation, and Bullying (HIB), including in the classroom, on the school bus, in school sports, and during other school activities. This section defines HIB, explains what to do when you see or experience it, and our school's process for responding to it

What is HIB?

HIB is any intentional electronic, written, verbal, or physical act of a student that:

- Physically harms another student or damages their property;
- Has the effect of greatly interfering with another student's education; or,
- Is so severe, persistent, or significant that it creates an intimidating or threatening education environment for other students.

HIB generally involves an observed or perceived power imbalance and is repeated multiple times or is highly likely to be repeated. HIB is not allowed, by law, in our schools.

How can I make a report or complaint about HIB?

Talk to any school staff member (consider starting with whoever you are most comfortable with!). You may use our district's reporting form to share concerns about HIB ([link to form](#)) but reports about HIB can be made in writing or verbally. Your report can be made anonymously, if you are uncomfortable revealing your identity, or confidentially if you prefer it not be shared with other students involved with the report. No disciplinary action will be taken against another student based **solely** on an anonymous or confidential report.

If a staff member is notified of, observes, overhears, or otherwise witnesses HIB, they must take prompt and appropriate action to stop the HIB behavior and to prevent it from happening again. Our district's HIB Compliance Officer is the Assistant Superintendent and they support prevention and response to HIB.

What happens after I make a report about HIB?

If you report HIB, school staff must attempt to resolve the concerns. If the concerns are resolved, then no further action may be necessary. However, if you feel that you or someone you know is the victim of unresolved, severe, or persistent HIB that requires further investigation and action, then you should request an official HIB investigation. Also, the school must take actions to ensure that those who report HIB don't experience retaliation.

What is the investigation process?

When you report a complaint, the HIB Compliance Officer or staff member leading the investigation must notify the families of the students involved with the complaint and must make sure a prompt and thorough investigation takes place. The investigation must be completed within 5 school days, unless you agree on a different timeline. If your complaint involves circumstances that require a longer investigation, the district will notify you with the anticipated date for their response.

When the investigation is complete, the HIB Compliance Officer or the staff member leading the investigation must provide you with the outcomes of the investigation within 2 school days.

This response should include:

- A summary of the results of the investigation
- A determination of whether the HIB is substantiated
- Any corrective measures or remedies needed
- Clear information about how you can appeal the decision

What are the next steps if I disagree with the outcome?

For the student designated as the “targeted student” in a complaint:

If you do not agree with the school district’s decision, you may appeal the decision and include any additional information regarding the complaint to the superintendent, or the person assigned to lead the appeal, and then to the school board.

For the student designated as the “aggressor” in a complaint:

A student found to be an “aggressor” in a HIB complaint may not appeal the decision of a HIB investigation. They can, however, appeal corrective actions that result from the findings of the HIB investigation.

HIB & DISCRIMINATION

OUR SCHOOLS STAND AGAINST DISCRIMINATION

Discrimination can happen when someone is treated differently or unfairly because they are part of a **protected class**, including their race, color, national origin, sex, gender identity, gender expression, sexual orientation, religion, creed, disability, use of a service animal, or veteran or military status.

What is discriminatory harassment?

Discriminatory harassment can include teasing and name-calling; graphic and written statements; or other conduct that may be physically threatening, harmful, or humiliating. Discriminatory harassment happens when the conduct is based on a student's protected class and is serious enough to create a hostile environment. A hostile environment is created when conduct is so severe, pervasive, or persistent that it limits a student's ability to participate in, or benefit from, the school's services, activities, or opportunities.

To review the district's Nondiscrimination Policy and Procedure, visit:

Board Policy 3210 Non-Discrimination

Board Procedure 3210P Non-Discrimination

Website Link: <https://app2.boardontrack.com/public/t6gNEZ/documents?categoryId=49300>

What is sexual harassment?

What is sexual harassment? Sexual harassment is any unwelcome conduct or communication that is sexual in nature and substantially interferes with a student's educational performance or creates an intimidating or hostile environment. Sexual harassment can also occur when a student is led to believe they must submit to unwelcome sexual conduct or communication to gain something in return, such as a grade or a place on a sports team.

Examples of sexual harassment can include pressuring a person for sexual actions or favors; unwelcome touching of a sexual nature; graphic or written statements of a sexual nature; distributing sexually explicit texts, e-mails, or pictures; making sexual jokes, rumors, or suggestive remarks; and physical violence, including rape and sexual assault.

Our schools do not discriminate based on sex and prohibit sex discrimination in all of our education programs and employment, as required by Title IX and state law.

To review the district's Sexual Harassment Policy and Procedure, visit:

- Board Policy 3205 Sexual Harassment of Students Prohibited
- Board Procedure 3205P Sexual Harassment of Students Prohibited
 - Website Link: <https://app2.boardontrack.com/attachment/publicDownload/358051?s=t6gNEZ>

What should my school do about discriminatory & sexual harassment?

When a school becomes aware of possible discriminatory or sexual harassment, it must investigate and stop the harassment. The school must address any effects the harassment had on the student at school, including eliminating the hostile environment, and make sure that the harassment does not happen again.

What can I do if I'm concerned about discrimination or harassment?

Talk to a Coordinator or submit a written complaint. You may contact the following school district staff members to report your concerns, ask questions, or learn more about how to resolve your concerns.

To submit a written complaint, describe the conduct or incident that may be discriminatory and send it by mail, fax, email, or hand delivery to the school principal, district superintendent, or civil rights coordinator. Submit the complaint as soon as possible for a prompt investigation, and within one year of the conduct or incident.

What happens after I file a discrimination complaint?

The Civil Rights Coordinator will give you a copy of the school district's discrimination complaint procedure. The Civil Rights Coordinator must make sure a prompt and thorough investigation takes place. The investigation must be completed within 30 calendar days unless you agree to a different timeline. If your complaint involves exceptional circumstances that require a longer investigation, the Civil Rights Coordinator will notify you in writing with the anticipated date for their response.

When the investigation is complete, the school district superintendent or the staff member leading the investigation will send you a written response. This response will include:

- A summary of the results of the investigation
- A determination of whether the school district failed to comply with civil rights laws
- Any corrective measures or remedies needed
- Notice about how you can appeal the decision

What are the next steps if I disagree with the outcome?

If you do not agree with the outcome of your complaint, you may appeal the decision to the School Board and then to the Office of Superintendent of Public Instruction (OSPI). More information about this process, including important timelines, is included in the district's Nondiscrimination Procedure (3210P) and Sexual Harassment Procedure (3205P).

I already submitted a HIB complaint - what will my school do?

Harassment, intimidation, or bullying (HIB) can also be discrimination if it's related to a protected class. If you give your school a written report of HIB that involves discrimination or sexual harassment, your school will notify the Civil Rights Coordinator. The school district will investigate the complaint using both the Nondiscrimination Procedure (3210P) and the HIB Procedure (3207P) to **fully resolve your complaint**.

Who else can help with HIB or discrimination concerns?

Office of Superintendent of Public Instruction (OSPI)

All reports must start locally at the school or district level. However, OSPI can assist students, families, communities, and school staff with questions about state law, the HIB complaint process, and the discrimination and sexual harassment complaint processes.

GENDER INCLUSIVE SCHOOLS

OUR SCHOOLS ARE GENDER-INCLUSIVE

Pullman School District encourages participation for all students regardless of their gender identity or expression. State rules and regulations require schools to provide transgender and other gender-diverse student-athletes with equal opportunities to participate in athletics. Pullman School District encourages a culture in which student-athletes can compete in a safe and supportive environment, free of discrimination. In Washington, all students have the right to be treated consistent with their gender identity at school. Our schools will:

- Address students by their requested name and pronouns, with or without a legal name change
- Change a student's gender designation and have their gender accurately reflected in school records
- Allow students to use restrooms and locker rooms that align with their gender identity
- Allow students to participate in sports, physical education courses, field trips, and overnight trips in accordance with their gender identity
- Keep health and education information confidential and private
- Allow students to wear clothing that reflects their gender identity and apply dress codes without regard to a student's gender or perceived gender

ANONYMOUSLY REPORT SAFETY CONCERNS

Safety is one of our district's top priorities and to help safeguard our school community, we utilize a reporting service called Vector LiveSafe Alert (formerly known as SafeSchools).

Vector LiveSafe Alert is a tip reporting service that allows students, staff, and parents to submit safety concerns to our administrators in four different ways: phone, text, email, or an online form.

Anyone can easily report tips on bullying, harassment, drugs, vandalism, or any safety issue of concern, through Vector LiveSafe Alert.

Every tip Vector LiveSafe Alert receives is immediately logged and administrators are notified so that they can quickly investigate and take appropriate action. Tips may be anonymously submitted if preferred.

Together, using Vector LiveSafe Alert, we can make Pullman Public Schools a safer place to work and learn!

A link to Vector LiveSafe Alert can be found at the bottom of the District's home webpage as well as the bottom of each school's home webpage or by using this link: <https://psd267-wa.safeschoolsalert.com>.

SEXUAL HARASSMENT POLICY

The district is committed to maintaining learning and working environments that are free from all forms of discrimination, including sexual harassment. The district prohibits sexual harassment in any form by employees, students, volunteers, and others involved in school district activities. Sexual harassment can occur adult to student, student to adult, student to student, adult to adult, male to female, female to male, male to male, and female to female.

As a first step, any individual who believes they have been sexually harassed is encouraged to directly inform the harasser the behavior is offensive, unwelcome, and must stop.

Sexual harassment may include (but is not limited to):

- Demands for sexual favors in exchange for preferential treatment or something of value;
- Pressure for dates or sexual activity;

- Penalizing a person for refusing to submit to a sexual advance, or providing a benefit to someone who does;
- Making unwelcome, offensive, or inappropriate
 - sexually suggestive remarks, comments, gestures, or jokes; or
 - remarks of a sexual nature about a person's appearance, gender or conduct;
- Using derogatory sexual terms for a person;
- Standing too close, inappropriately touching, cornering or stalking a person; or
- Offensive sexual graffiti, pictures, or photographs;
- Hazing, pranks, or other intimidating behavior directed toward an individual in the educational environment.
- Sexual jokes or teasing.

Any student who believes that they have been subjected to sexual harassment in the educational environment is strongly encouraged to bring their complaint to the immediate attention of any adult staff member. Third party harassment will also be disciplined under this section.

Engaging in sexual harassment will result in appropriate disciplinary action up to and including suspension or other appropriate sanctions against offending staff and contractors.

No person shall be retaliated against for making a report of sexual harassment or for providing testimony or assisting in the investigation of such a report. Retaliation will lead to disciplinary action against the offender.

It is also a violation of this policy to knowingly report false allegations of sexual harassment. Persons found knowingly reporting false allegations will also be subject to disciplinary action.

It is the policy of the Pullman School District not to discriminate against any student on the basis of sex. In keeping with that policy, sexual harassment will not be tolerated by any of its students. It is the goal of the Pullman School District to maintain an educational environment free of sexual harassment. Student initiated sexual harassment toward another student or toward an adult within the school is considered to be a major offense that will result in disciplinary action against the offender.

The district will develop and teach appropriate curriculum to address issues of sexual harassment.

- 1st offense: Warning, conference with Principal/Counselor
- 2nd offense: In-School Suspension
- 3rd offense: 3-day out-of-school suspension
- 4th offense: 10-day out-of-school suspension

Sexual harassment is unwelcome behavior or communication that is sexual in nature when:

- A student or employee is led to believe that they must submit to unwelcome sexual conduct or communications in order to gain something in return, such as a grade, a promotion, a place on a sports team, or any educational or employment decision, or
- The conduct substantially interferes with a student's educational performance or creates an intimidating or hostile educational or employment environment.

Examples of Sexual Harassment:

- Pressuring a person for sexual favors
- Unwelcome touching of a sexual nature
- Writing graffiti of a sexual nature
- Distributing sexually explicit texts, e-mails, or pictures
- Making sexual jokes, rumors, or suggestive remarks
- Physical violence, including rape and sexual assault

NON-DISCRIMINATION POLICY 3210

What is discrimination?

Discrimination is unfair or unlawful treatment of a person or group because they are part of a defined group, known as a protected class. Discrimination may include treating a person differently or denying someone access to a program, service, or activity because they are part of a protected class, or failing to accommodate a person's disability.

What is a protected class?

A protected class is a group of people who share common characteristics and are protected from discrimination and harassment by federal, state, or local laws. Protected classes under Washington state law include sex, race, color, religion, creed, national origin, disability, sexual orientation, gender expression, gender identity, veteran or military status, and the use of a trained dog guide or service animal.

DISCRIMINATION COMPLAINT PROCEDURE

How do I file a complaint about discrimination?

If you believe that you or your child has experienced unlawful discrimination or discriminatory harassment at school based on any protected class, you have the right to file a formal complaint. For a full copy of the school district's nondiscrimination procedure, visit www.pullmanschools.org or contact the school district at 509-332-3581.

Before filing a complaint, you may wish to discuss your concerns with your child's principal or with the school district's Section 504 Coordinator, Title IX Officer, and Civil Rights Compliance Coordinator, Dr. Roberta Kramer, Assistant Superintendent at 509-332-3581. This is often the fastest way to resolve your concerns.

STEP 1: SUBMIT COMPLAINT TO THE SCHOOL DISTRICT

In most cases, complaints must be filed within one year from the date of the event that is the subject matter of the complaint. A complaint must be in writing, describe what happened, and state why you believe it is discrimination. It is also helpful to include what actions you would like the district to take to resolve your complaint.

Complaints may be submitted by mail, fax, e-mail, or hand delivery to any district or school administrator or the district's Compliance Coordinator.

When the school district receives your written complaint, the Compliance Coordinator will give you a copy of

the district's discrimination complaint procedure. The Compliance Coordinator will then make sure that the school district conducts a prompt and thorough investigation. You may also agree to resolve your complaint in lieu of an investigation.

The school district must respond to you in writing within 30 calendar days after receiving your complaint, unless you agree on a different date. If exceptional circumstances related to the complaint require an extension of the time limit, the school district will notify you in writing about the reasons for the extension and the anticipated response date.

When the school district responds to your complaint, it must include:

1. A summary of the results of the investigation;
2. Whether or not the school district has failed to comply with civil rights requirements related to the complaint;
3. Notice of your right to appeal, including where and to whom the appeal must be filed; and
4. Any corrective measures determined necessary to correct any noncompliance.

STEP 2: APPEAL TO THE SCHOOL DISTRICT

If you disagree with the school district's decision, you may appeal to the school district's board of directors. You must file a notice of appeal in writing to the secretary of the school board within 10 calendar days after you received the school district's response to your complaint.

The school board will schedule a hearing within 20 calendar days after they received your appeal, unless you agree on a different timeline. At the hearing, you may bring witnesses or other information related to your appeal.

The school board will send you a written decision within 30 calendar days after the district received your notice of appeal. The school board's decision will include information about how to file a complaint with OSPI.

STEP 3: COMPLAINT TO OSPI

If you do not agree with the school district's appeal decision, you may file a complaint with the Office of Superintendent of Public Instruction (OSPI). A complaint must be filed with OSPI within 20 calendar days after you received the district's appeal decision. You may send your complaint to OSPI by e-mail, mail, fax, or hand-delivery:

- E-mail: Equity@k12.wa.us
- Fax: (360) 664-2967
- Mail: OSPI Equity and Civil Rights Office, PO Box 47200, Olympia, WA 98504-7200

Complaints cannot be filed with OSPI unless they have already been raised with the school district and appealed, as outlined in Steps 1 and 2 above, or if the school district did not follow the correct complaint and appeal procedures.

For more information, visit www.k12.wa.us/Equity/Complaints.aspx, or contact OSPI's Equity and Civil Rights Office at (360) 725-6162/TTY: (360) 664-3631 or by email at equity@k12.wa.us.

STUDENTS AND TELECOMMUNICATION DEVICES

Starting December 2, 2024, Pullman School District will start limiting student mobile device usage in our district in accordance with updated Board Policy and Procedure 3245 Students and Telecommunication Devices. This policy covers cellphones, smartphones, smartwatches, non-medical listening devices, headsets, earbuds, and other wearable technology that may distract from learning. Students may still bring these devices to school; however, they must be kept away and unused during instructional time/school hours.

Elementary and Middle Schools

Elementary and middle schools will be mobile device-free during school hours, unless in an emergency or authorized by an administrator.

High School

The high school will be mobile device-free during classroom time. Devices may be used before school, after school, at lunch, and during passing periods, but not during instructional time unless in an emergency or authorized by an administrator.

Students may access their mobile devices to manage their documented medical condition in accordance with the student's health care provider orders and/or other written IEP, 504, or Health Care Plans. Accommodations may be made for students with specific medical or other documented needs.

This policy and procedure aims to increase in-person social connection, minimize classroom distractions, enhance well-being, and improve your student's educational experience.

MEDIA OPT-OUT NOTIFICATION

Pullman Public Schools enjoys celebrating the achievements and activities of our students. There are times when our schools, athletics, activities, or events may be featured in various media. District staff may highlight and recognize student achievements and activities with our community through school and district newsletters, the news media (may include interviews), and on the internet (may include our website or social media). News reporters, photographers and/or film crews from TV, radio stations, newspapers or magazines may wish to photograph and/or film your child in relation to a story about our schools or students. Your child's name and grade may be included in the report. Classrooms may also participate in video-conferencing on the internet.

Our schools are also visited by community organizations or partners who are providing services to students. These organizations or partners may wish to photograph your child and may want to use the photograph and/or your child's name and the name of the school in their publications and informational materials.

In addition, there may be instances when, under the guidance of instructors, student work is published online. Student achievements and activities may be published unless the parent/guardian directs otherwise. If you choose to opt your student out of media, we will make every effort to honor your request. Please be aware that there may be circumstances when your child may be photographed or filmed beyond our control. Please discuss your wishes with your child so that she/he knows if you do not want them to be photographed or filmed.

Parents have the right to exclude their student's name, photo, grade, school, and achievement/activities from publication. The [Media Opt Out Form](#) can be requested from any school office, by calling the district office at 509-332-3581, or is available on the district website (www.pullmanschools.org). **Please note that this form must be re-submitted at the beginning of each school year.**

NOTIFICATION OF RIGHTS UNDER FERPA

The [Family Educational Rights and Privacy Act](#) (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. They are:

- 1) The right to inspect and review the student's education records within 45 days of the day the school receives a request for access. Parents or eligible students should submit to the school principal (or appropriate school official) a written request that identifies the record(s) they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
- 2) The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate or misleading. Parents or eligible students may ask school to amend a record that they believe is inaccurate or misleading. They should write the school principal (or appropriate official), clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.
- 3) The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception,

which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the school board; a person or company with whom the school has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing their tasks. A school official has a legitimate education interest if the official needs to review an education record in order to fulfill their professional responsibility. Upon request, the school discloses education records without consent to officials of another school district in which a student seeks or intends to enroll.

(Note: FERPA requires a school district to make a reasonable attempt to notify the parent or eligible student of the records request unless it states in its annual notification that it intends to forward records on request.)

4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the school to comply with the requirements of FERPA. The name and address of the office that administers FERPA:

FERPA

Rights & Privacy Act

Family Policy Compliance Office, U.S. Department of Education

Directory Notification

The Family Educational Rights and Privacy Act (FERPA), a Federal law, requires that school districts, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, school districts may disclose appropriately designated "directory information" without written consent, unless the parent advised the school district to the contrary. The primary purpose of directory information is to allow the school district to include this type of information from your child's education records in certain school publications. Examples include a playbill, showing your student's role in a drama production; the annual yearbook; honor roll or other recognition lists; graduation programs; and sports activity sheets, such as for wrestling, showing the weight and height of team members.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local educational agencies receiving assistance under the **Elementary and Secondary Education Act of 1965** (ESEA) to provide military recruiters, upon request, with three directory information categories—names, address and telephone listings—unless parents have advised the school district that they do not want their student's information disclosed without their prior written consent.

If you do not want the school district to disclose directory information from your child's education records without your prior written consent, please fill out the following form:

<https://form.jotform.com/pullmanschools/directory-information-optout-form>

OSPI Data Sharing - High School Students

Starting in 2024, school districts are required to submit directory information for high school students and their parents/guardians to OSPI. OSPI is required to share the information with institutions of higher education for the purpose of informing students/families of postsecondary educational opportunities available in the state. If you do not want this information released to OSPI, and you have not already filled out an opt-out form, please fill out the following form:

<https://form.jotform.com/pullmanschools/directory-information-optout-form>.

PROTECTION OF PUPIL RIGHTS AMENDMENT (PPRA)

PPRA affords parents and students who are 18 or emancipated minors ("eligible students") certain rights regarding conduct of surveys, collection and use of information for marketing purposes, and certain physical exams. These include the right to:

***Consent before students are required to submit to a survey that concerns one or more of the following protected areas ("protected information survey") if the survey is funded in whole or in part by a program of the U.S. Department of Education (ED)—**

1. Political affiliations or beliefs of the student or student's parent;
2. Mental or psychological problems of the student or student's family;
3. Sex behavior or attitudes;
4. Illegal, anti-social, self-incriminating, or demeaning behavior;
5. Critical appraisals of others with whom respondents have close family relationships;
6. Legally recognized privileged relationships, such as with lawyers, doctors, or ministers;
7. Religious practices, affiliations, or beliefs of the student or parents; or
8. Income, other than as required by law to determine program eligibility.

***Receive notice and an opportunity to opt a student out of—**

- Any other protected information survey, regardless of funding;
- Any non-emergency, invasive physical exam or screening required as a condition of attendance, administered by the school or its agent, and not necessary to protect the immediate health and safety of a student, except for hearing, vision, or scoliosis screenings, or any physical exam or screening permitted or required under State law; and
- Activities involving collection, disclosure, or use of personal information obtained from students for marketing or to sell or otherwise distribute the information to others.
- Inspect, upon request and before administration or use—
- Protected information surveys of students;
- Instruments used to collect personal information from students for any of the above marketing, sales, or other distribution purposes; and
- Instructional material used as part of the educational curriculum. Parents/eligible students who believe their rights have been violated may file a complaint with: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, D.C. 20202

SECTION 504 & THE REHABILITATION ACT OF 1973

[The Rehabilitation Act of 1973](#), commonly referred to as "Section 504", is a nondiscrimination statute enacted by the United States Congress. The purpose of the Act is to prohibit discrimination and to ensure that students who are disabled have educational opportunities and benefits equal to those provided to students who are non-disabled.

It is the intent of the Pullman School District to ensure that students who are disabled within the definition of Section 504 of the Rehabilitation Act of 1973 are identified, evaluated, and provided with appropriate educational services.

An eligible student under Section 504 is a student who (a) has, (b) has a record of having, or (c) is regarded as having a physical or mental impairment which substantially limits a major life activity such as learning, self-care, walking, seeing, hearing, speaking, breathing, working, and performing manual tasks. Following assessment, an accommodation plan may be developed for a student who is eligible to receive services under Section 504.

The counselor at each school site is designated as the 504 contact.

The District Compliance Officer for Section 504 is the Assistant Director of Special Services, (509) 332-3581 or dventresco@psd267.org. If you would like further information or want to make a referral for possible services under Section 504, contact the designated counselor at your student's school.

RIGHT TO REQUEST TEACHER & PARAEDUCATOR QUALIFICATIONS

In compliance with the requirements of the Every Student Succeeds Act (ESSA) the Pullman School District would like to inform you that you may request information about the professional qualifications of your student's teacher(s) or instructional paraeducator(s).

The following information may be requested for teacher(s):

- Whether the teacher has met Washington teacher certification requirements for the grade level and subject areas in which the teacher provides instruction.
- Whether the teacher is teaching under an emergency or other provisional status through which Washington qualifications or certification criteria have been waived.
- The college major and any graduate certification or degree held by the teacher.
- Whether the student is provided services by paraeducators, and if so, their qualifications.

The following information may be requested for instructional paraeducator(s):

Paraeducators must work under the supervision of a certified teacher. In schools that operate a schoolwide program, all paraeducators must meet professional qualifications. In a Targeted Assistance program, any

paraeducator who is the direct supervision of a certificated teacher must meet the professional qualifications. Paraeducators can provide a copy of their high school diploma — transcripts are not necessary. Schools that operate a Title I, Part A program must have a high school diploma or GED and completed the following:

1. Completed at least two years of study at an institution of higher education; or
2. Obtained an associate's or higher degree; or
3. Pass the ETS ParaPro Assessment. The assessment measures skills, and content knowledge related to reading, writing and math;
4. Completed previously the apprenticeship requirements and must present a journeycard or certificate. The portfolio and apprenticeships are no longer offered for enrollment; however, the Office of Superintendent of Public Instruction (OSPI) will continue to honor this pathway.

If you wish to request information concerning your child's teacher's and instructional paraeducator's qualification, please contact Dagny Myers, Human Resources Manager, at (509) 332-3584 or dmyers@psd267.org.

If you have any questions regarding any of these notifications, please contact your student's school office, or the district office at 509-332-3581.

FRANKLIN ELEMENTARY SCHOOL

850 SE KLEMGARD PULLMAN, WA 99163 (509) 334-5641

Welcome to the 2025-2026 school year at Franklin Elementary!

On behalf of the skilled and dedicated staff of Franklin Elementary, we would like to extend a heartfelt greeting to all of you. We are beyond excited to begin this school year. I look forward to continued time to get to know our parents, students and community this school year as we strive to deliver a high-quality education in a safe and secure environment where instructional services and programs meet the needs of each and every student.

We recognize that each child brings special attributes that are appreciated and encouraged. We create opportunities for students to work together, develop cooperative skills and take positive risks, all while respecting uniqueness and cultural differences. In addition, Franklin offers opportunities for students to participate in a variety of extracurricular group activities such as Fox Council (both Community Service and Spirit), Chess and Garden Club. We partner with community organizations and our amazing PTA to bring students and families multiple opportunities to participate before, during, and after school. It is with pride that we prioritize these family and community partnerships which are so integral to the positive and welcoming culture of our school.

Here at Franklin, we have developed core cultural beliefs as a commitment to you and our students. Our core belief is that *"Every Fox is Our Fox"*. What does that mean? It doesn't matter if you are a teacher or support professional in any role, every student here at Franklin belongs and matters to each and every one of us. Stemming from this belief, we are committed as a staff to our core values:

- Each Franklin Fox can learn and grow with MY support
- We believe all students can grow academically, socially and emotionally with the tools we provide
- We are a staff that learns, grows, and supports one another
- We are here for ALL of you and our students. Belonging is key at Franklin, and we are so excited to have you as a part of our Franklin Fox Family.

We will continue to value the support and input of parents. I look forward to continuing to foster a school environment where parents and community are actively involved partners providing support for school activities, input to school decision-making and fundraising for school projects. If you are interested in becoming involved, please contact Michelle Dunlap in our office or consult our website for more information. It is our goal at Franklin to provide a safe, positive learning environment where parents, guardians, students and staff are partners in making Franklin a wonderful place to learn and grow. We look forward to working with you this year!

Sincerely,

Kathi Keefer

SCHOOL ARRIVAL & DEPARTURE

ARRIVAL

Students should not arrive on the grounds before 8:05 am. Our school doors do not open to students until 8:05. Students will enter through the lunchroom doors or front doors.

VEHICLE PICK-UP & DROP-OFF AREAS

We have two student drop-off and pick-up areas. One is located in the front of the building off of Klemgard (following the loop around the flagpole). The second is in the back of the building off of Carolstar (another pick up loop).

When picking up or dropping off, please follow these safety guidelines...

- Do not double park or stop in the left lane of either pick up loop.
- Find a spot that is empty and fully park on the right side of the loop.
- Drive very slowly and cautiously. Our pick-up areas are very congested with students.
- If you need to enter the building, please move your car to a safe area and park. NEVER leave smaller children or students unoccupied in your vehicle. We will contact the Pullman police department if we see any unsupervised small children left in unoccupied vehicles.

PEDESTRIANS

Many of our students walk home within the immediate Pioneer Hill neighborhood. All students must abide by general safety rules when walking home. Crossing guards are provided on several busy corners around Franklin School (contact main school for specific corner information). We ask all Franklin students, parents, and Lincoln Middle School students to respect our safety patrol members and follow their directions when walking home.

BICYCLE RIDERS

Franklin has two bike racks for parking student bicycles. We recommend a bike lock for securing your bicycle (one that is easy for a child to operate).

We have several safety policies for bike riders.

- Bike riders must always wear a helmet.
- Always obey general traffic and safety rules.
- Listen to staff and safety patrol members and follow directions.
- Walk your bike on school grounds and sidewalks where pedestrians are present.

BUS RIDERS

These rules were prepared by the State Superintendent of Public Instruction with the advice of the Chief of the Washington State Patrol and Director of Highways for the State of Washington.

When on the bus, please follow these safety guidelines...

- Students need to follow instructions and directions of the driver. They are in charge of the bus and the student riders.
- General classroom conduct and behavior must be observed.

POSITIVE BEHAVIOR INTERVENTION & SUPPORT

Our school district mission is "Ensuring Learning While Supporting and Challenging each Student to Achieve Full Potential". Franklin mirrors that same mission. It is our opinion that an essential skill for persons who will live and work in the present and future world is the ability to communicate respectfully and problem-solve peacefully, even when disagreement is present.

Respectful behavior is expected of all children and adults at this school. To this end, we provide social/emotional and problem-solving learning opportunities using curricula and programs such as Second Step and DARE. We work diligently to teach expected behaviors continuously throughout the school year. Staff members engage in training opportunities and regular discussions related to this learning.

At Franklin, we stress the expectations of Respect, Responsibility and Safety through our Positive Behavioral Interventions and Supports program. We begin each year by teaching expected behaviors school-wide and we continuously reinforce and reteach those expectations. Our goal is to provide a safe environment for students to learn these very important skills. In the interest of safety and respect, we do not allow any students to engage in fighting, rough hands-on play (like shoving, hitting, kicking, or aggressive physical contact) or in any type of bullying or harassment. We work diligently to help students learn what it looks like and feels like to function in a safe, respectful and responsible society. This continuous and intentional work assists in creating a positive and safe place for all children at Franklin Elementary.

As students are progressing through their childhood years and related developmental stages, they sometimes make mistakes. While ensuring the safety of all students, it is critically important that we help students who make mistakes learn from them, and that any relationship affected by the mistake is restored. Any consequence that a student may experience is turned into a learning opportunity so that the behavior has a lower chance of being repeated. This philosophy and our related practices are designed to ensure the social and emotional safety and well-being of all students.

When consequences become necessary, they may include:

- Recess or other free time, used to process the situation that occurred
- Lunch and/or lunch recess in the office, particularly for incidents related to those activities
- A consequence that remedies damage that may have been caused

Serious and/or repeated offenses may lead to a student plan being put into place to address the behavior.

The staff and parents of Franklin want your child to feel safe and secure at our school. Please consult the Pullman School District Rights and Responsibility Policy #3200 for additional information. You will find a copy of the policy on the Pullman School District website or you may request a copy from the office. We sincerely appreciate your support and assistance as we work to build a community of responsible citizens who can learn, work, and play with others throughout their lives.

IMPLEMENTING STUDENT DISCIPLINE POLICIES AND PROCEDURES: RESEARCH-BASED PRINCIPLES FOR SCHOOL DISTRICTS

In response to significant changes to OSPI discipline rules under [Chapter 392-400 WAC](#), school districts are in the process of revising discipline policies and procedures at the local level. The following principles highlight the major policy areas educators need to be aware of to meet state requirements, and the research supporting why implementation is critical for improving equity and fairness in the administration of school discipline.

Engage Families, Students, and Staff in Discipline Decisions

- Research highlights the benefits of inclusive decision-making processes and family engagement
- OSPI rules provide multiple opportunities for meaningful parent and family communication
- School districts must consult with staff, students, and families about discipline policies

Eliminate Zero-Tolerance Discipline Policies and Practices

- Research finds punitive practices can produce negative and racially disproportionate outcomes
- OSPI rules prohibit school districts from administering mandatory exclusionary discipline
- School districts may no longer immediately suspend a student for “exceptional misconduct”

Adopt Positive and Instructional Approaches to Behavior

- Research demonstrates restorative discipline approaches can mitigate disparities
- OSPI rules require district policies to identify best practices to support student behavior
- Educators must attempt or consider best practices before exclusionary discipline

Disrupt Inequitable Discipline Decision-Making Processes

- Research promotes strategies for neutralizing implicit bias in discipline decision-making
- OSPI rules establish procedures intended to slow down discipline decision-making processes
- Educators must consider individual circumstances, context of behavior, and school safety

Focus on the Classroom Context and Data-Informed Decision-Making

- Research shows disproportionality in discipline starts at the classroom level
- OSPI rules provide procedures for classroom exclusion and using disaggregated discipline data
- School administrators and teachers must collaboratively review building discipline standards

FOOD CELEBRATIONS AT SCHOOL

Dear Parents and Guardians:

In an effort to best meet the needs of all students, our district recently revised our policy related to food in classrooms. We have students in each of our schools diagnosed with life-threatening food allergies and others with food sensitivities. The changes made to our policy are intended to better care for our students and are the result of a recommendation from our district Wellness Committee. The Wellness Committee is comprised of school administrators, district employees, community members, and parents. Thank you in advance for your cooperation and understanding.

We will no longer serve food on individual student birthdays. We will allow for activities involving food up to once a month in each classroom, at the teacher's discretion. Individual teachers will create their own classroom birthday recognition practices, which often include learning components on the

student's special day. These events may have different themes and purposes at each grade level and may take the form of a combined monthly birthday celebration. In all cases, families will have prior notice of the events, including information about what types of food will be available, so that parents may plan alternative food options for their child if needed.

Food practices in individual classrooms will be mindful of life-threatening allergies, food sensitivities, health, and the potential for disruption, and will be communicated by individual classroom teachers. There are many occasions when we wish to recognize accomplishments of students, and we will continue to explore and implement strategies unrelated to food. We hope to create a safer, healthier environment, and minimize loss of instructional time throughout the school year. In order to move forward, we appreciate your help.

A list of approved snacks will be available in the school office and on our website. Please do not bring food to school unless pre-arranged with the school and/or classroom teacher. Instead of bringing food, please consider bringing stickers, pencils, erasers, etc. for birthday celebrations.

For further guidance see Pullman School District Administrative Procedure 6700P.

Thank you for your help and consideration in this matter. Please don't hesitate to contact me if you have questions.

Sincerely,

Kathi Keefer

BICYCLE, SCOOTER, AND SKATEBOARD RIDERS

For the safety of all, bikes, scooters, or skateboards must always be walked when on school grounds. The school assumes no responsibility for stolen or damaged bikes, scooters or skateboards. However, provisions have been made to safeguard bikes and scooters by requiring them to be properly parked and locked in the school bike/scooter rack located at the front of the school. We ask that kindergarten students not ride a bicycle, scooter or skateboard to school. Rollerblades and/or roller skates are not to be worn on school grounds.

JEFFERSON POSITIVE BEHAVIOR INTERVENTION & SUPPORT

Jefferson Elementary School encourages and teaches appropriate behavior through a proactive approach called “Positive Behavioral Interventions and Supports” (PBIS). PBIS is a school-wide approach to make our school safe and to promote positive student behavior. It’s also a way for us to decide how to respond to a child who misbehaves.

Following are a few important PBIS principles:

- Every child can learn proper behavior.
- Stepping in early can prevent more serious behavior problems.
- Each child is different and schools need to provide many kinds of behavior support.
- How schools teach behavior should be based on research and science.
- Following a child’s behavioral progress is important.
- Schools must gather and use data to make decisions about behavior problems.

Keep in mind that PBIS is not a treatment or therapy. It is more like a framework for teachers, administrators and parents. It’s used with all students in our school, whether or not they receive special education services. According to several studies, PBIS leads to better student behavior. In schools with PBIS, students receive fewer detentions and suspension. There is less bullying. Students also have better grades.

The Focus of PBIS: Prevention, Not Punishment

In a school with a traditional approach to discipline, teachers/staff may try to correct behavior through punishment.

By contrast, in a school using PBIS, the focus is on preventing problems. From the start, students learn about what behavior is appropriate, just like they learn math or science. Students are taught social skills, including how to act in different settings, such as the classroom, on the bus or with friends. This is done through instruction in or in our “common” areas on what appropriate behaviors should look like throughout our school community.

Your child’s teacher will be teaching their classroom behavior expectations during the first week of school and re-teaching/reviewing them during the year. Please contact your child’s teacher to find out the expected classroom behaviors.

In addition, your child’s classroom teacher will be teaching the “common area” behavior expectations during the first few weeks of school and re-teaching/reviewing them during the year.

PBIS has an emphasis on interaction and modeling by all staff members and focuses on both a child’s behavior and the child as a human being. PBIS is a pro-active approach rather than a re-active approach to discipline.

Our staff wants your child to feel safe and secure at our school. Please consult the Pullman School District School Board Policy 3241 and 3241 (F1, F2, & P) for additional information. You will find a copy of the policy on the Pullman School District website or you may request a copy from the office. We sincerely appreciate your support and assistance as we work to build a community of responsible citizens who can learn, work, and play with others throughout their lives.

We no longer serve food on individual student birthdays. We will allow for activities that involve food up to once a month in each classroom, at the discretion of the teacher. Individual teachers will create their own classroom birthday recognition practices, which often include learning components on the student's special day. These events may have different themes and purposes at each grade level, and may take the form of a combined monthly birthday celebration. In all cases, families will have prior notice of the events, including information about what types of food will be available, so that parents may plan alternative food options for their child if needed.

Food practices in individual classrooms will be mindful of life-threatening allergies, food sensitivities, health, and the potential for disruption, and will be communicated by individual classroom teachers. There are many occasions when we wish to recognize accomplishments of students and we will continue to explore and implement strategies unrelated to food. We hope to create a safer, healthier environment, and minimize loss of instructional time throughout the school year. In order to move forward, we need your help.

A list of approved snacks will be available in the school office and on our school district website (Food and Snack Policy 6700P). Please do not bring food to school unless pre-arranged with the school and/or classroom teacher. Instead of bringing food, please consider bringing stickers, pencils, erasers, etc. for birthday celebrations.

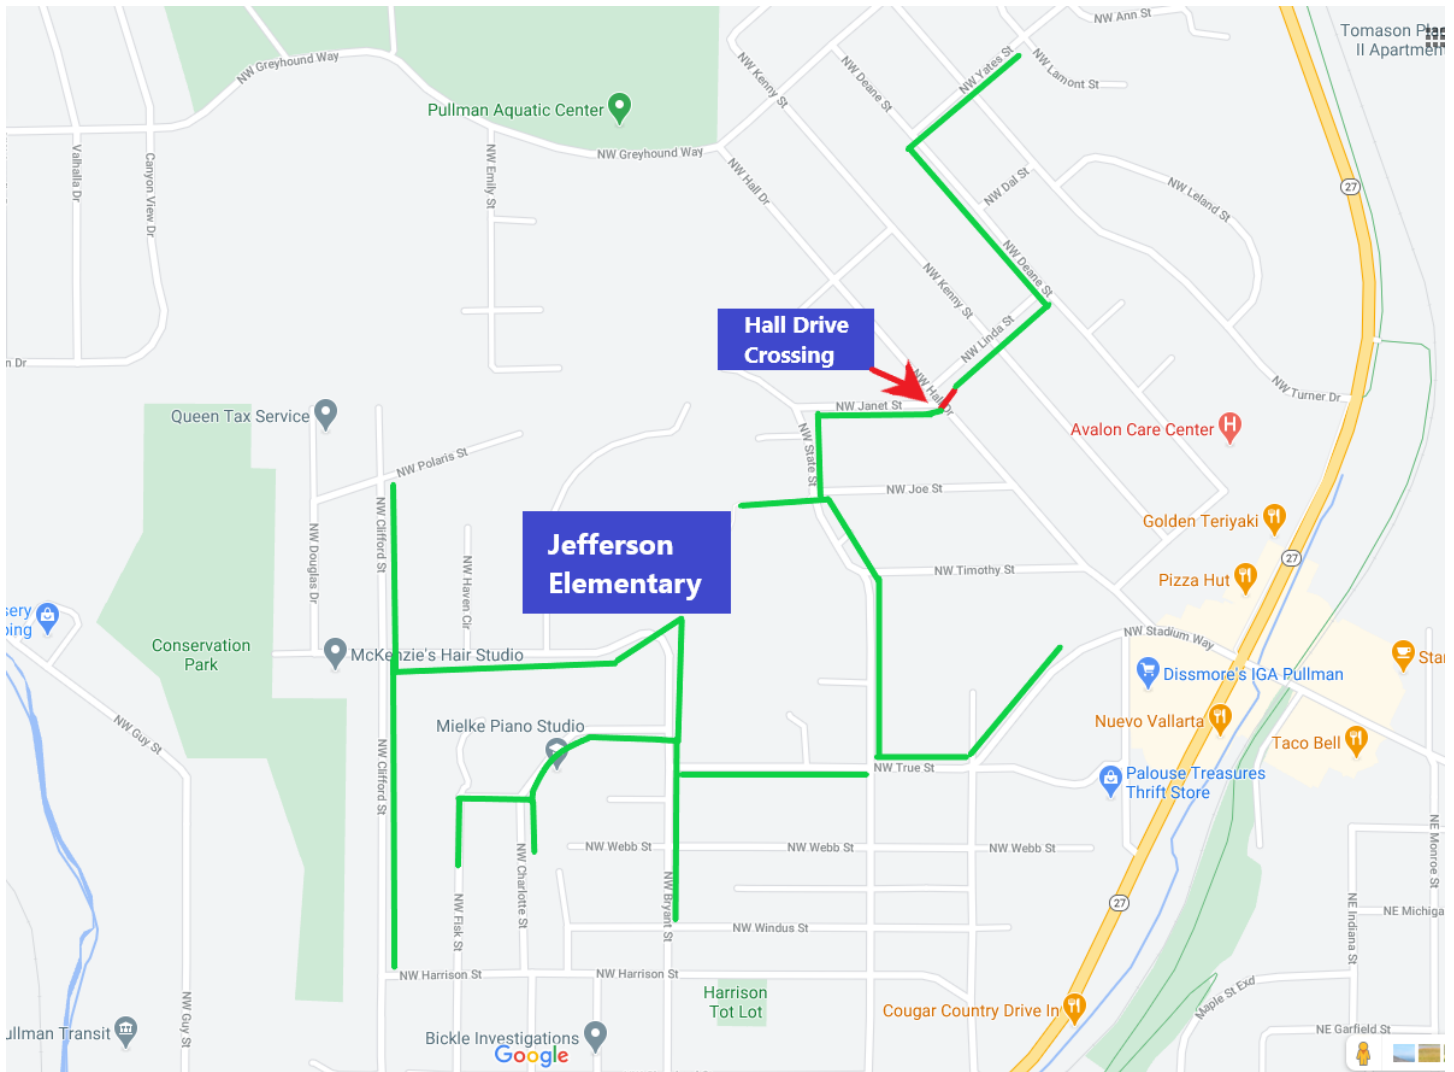

For further guidance see Pullman School District Administrative Procedure 6700P.

Thank you for your help and consideration in this matter. Please don't hesitate to contact me if you have questions.

PERSONAL ITEMS

Common sense and consideration is the best guide in determining whether or not to bring personal possessions to school. We expect students not to bring extra money or other valuables to school. Personal toys or any other items that may be disruptive to the students, teachers, and/or the educational process at Jefferson Elementary School are not allowed. Neither the school nor any of its staff will be held responsible for damage to or loss of personal items brought to school.

KAMIAK ELEMENTARY SCHOOL

1400 NW TERRE VIEW DRIVE PULLMAN, WA 99163 (509) 334-5641

Welcome to the 2025-2026 school year at Kamiak Elementary!

I am thrilled to begin our seventh year as a professional learning community! Last year, Kamiak Elementary School was recognized as a 2024-2025 Washington State Elementary and Secondary Act Distinguished School. Serving as the first principal of Kamiak Elementary has been a great honor, and I look forward to building relationship with our extraordinary students, families, and staff this year.

My wife, Carli, and I have lived in Pullman for 19 years, and we are thankful for this community. as we are raising our three children: Joseph (19), Adrian (15), and Georgia (11). Joseph just graduated from PHS and attends WSU now, Adrian attends PHS, and Georgia attends LMS.

I was drawn to education because I love the learning process. I love seeing what all students can achieve if given the opportunity to explore, to create, to problem solve, to fail, and then to try again. As the Principal of Kamiak Elementary School, one of my primary goals is to unite all school district stakeholders, and to help create a shared vision - a vision centered on creating a safe and engaging professional learning community committed to excellence and inclusion. I look forward to working with our students, families, community, and our instructional and support staff to provide the tools necessary for our students to navigate and be successful in this world.

Please don't hesitate to reach out if you or your student needs anything!

Sincerely,

Evan Hecker

KAMIAK ELEMENTARY STAFF

We have an incredible staff at Kamiak and they are very excited to begin this school year! I am thankful and appreciative for this wonderful group of educators! We will strive to deliver a high-quality education in a safe and secure environment where instructional services and programs meet the needs of ALL students. We will reinforce expectations that help students become responsible citizens.

Each child brings special attributes that are appreciated and encouraged. We will create opportunities for students to work together, to develop collaborative skills, and to take positive risks, all while respecting uniqueness and cultural differences. Additionally, Kamiak will offer opportunities for students to participate in a variety of extracurricular group activities such as Kestrel Council, Chess Club, Soar Squad, etc. We will partner with community organizations to bring students and families several enrichment opportunities to participate before, during, and after school.

We value the support and input of parents. Kamiak Elementary will have an active and involved parent organization that provides support for school activities, input to school decision making, and fundraising for school projects. If you are interested in becoming involved, please contact Lynda Hamilton in our office or consult our website for more information. It is a goal at Kamiak to provide a safe, positive learning environment where parents, students and staff partner together.

After school, students need to leave for home. School ends at 3:05 pm. Supervision ends at 3:15 pm.

PICK-UP & DROP-OFF AREAS

- **Walkers** – Many of our students walk home within the immediate Military Hill neighborhood. All students must abide by general safety rules when walking home. We ask all Kamiak students and families to respect our safety patrol members and follow their directions when walking home.
- **Bicycle and Scooter Riders** – Kamiak has two racks for parking student bicycles and scooters at the main entrance. We recommend a lock for securing your bicycle or scooter (one that is easy for a child to operate).
- **We have several safety policies for bike riders.**
 - Bike riders must always wear a helmet.
 - Always obey general traffic and safety rules.
 - Listen to staff and safety patrol members and follow their directions.
 - Walk your bike on school grounds and sidewalks where pedestrians are present.

- **Cars** – We have one student drop-off and pick-up area. It is located in the front of the building off of NW Terre View Dr. When driving south on NW Terre View Dr., take the first driveway to the school on the right and remain to the right of the yellow stripe and follow in a single file line to the flagpole.
 - **When picking up or dropping off, please follow these safety guidelines...**
 - Do not double park or stop in the left lane.
 - Fully park at the curb to the right-side of the yellow stripe
 - Have students exit the car on the right side against the curb only
 - Drive slowly and cautiously. Our pick-up areas are very congested with students.
 - If you need to enter the building, please move your car to a safe area and park.
- **Bus Lanes** – The bus lanes are also located in the front of the building off of NW Terre View Dr. The third and fourth driveways are for buses only. Please do not use the third and fourth driveways for student drop-off and pick-up, or for parking
- **Bus Riders** – These rules were prepared by the State Superintendent of Public Instruction with the advice of the Chief of the Washington State Patrol and Director of Highways for the State of Washington.

SCHOOL BUS SAFETY GUIDELINES

KAMIAK POSITIVE BEHAVIOR INTERVENTION & SUPPORT

Our school district's mission is "Ensuring Learning While Supporting and Challenging Each Student to Achieve Full Potential". Kamiak will mirror this same mission. We will provide social/emotional support and problem-solving learning opportunities using curricula and programs like Second Step and D.A.R.E. Positive behavioral interventions and supports (PBIS) is a way for schools to encourage

good behavior. With PBIS, we teach kids about behavior, just as we would teach about other subjects like reading or math. The focus of PBIS is prevention, not punishment. We will work diligently to teach expected behaviors continuously throughout the school year. Staff members will engage in training opportunities and regular discussions related to this learning.

At Kamiak, we will teach the expectations of Safety, Open-mindedness, Awareness, and Respect through our PBIS program. We will begin the year teaching school-wide expected behaviors and will continuously reinforce and reteach these expectations. Our goal is to provide a safe environment for all students to learn. In the interests of safety and respect, we will not allow any students to engage in fighting, rough hands-on play (like shoving, hitting, kicking, or aggressive physical contact) or any type of bullying or harassment. We will work to help students learn what it looks like and feels like to function in a community that promotes safety, open-mindedness, awareness, and responsibility.

As students' progress through their childhood years and related developmental stages, they will sometimes make mistakes. While ensuring the safety of all students, it is critically important that we help students who make mistakes learn from them and that any relationships affected by the mistake is restored. We will tie any consequences that a student may experience to learning, so that the behavior has a lower chance of being repeated. This philosophy and our related practices are designed to ensure the social and emotional safety and well-being of all students.

When consequences become necessary, they may include:

- Recess or other free time, used to process the situation that occurred
- Lunch and/or lunch recess in the office

Our staff wants your child to feel safe and secure at our school. Please consult the Pullman School District Rights and Responsibility Policy #3200 for additional information. You will find a copy of the policy on the Pullman School District website or you may request a copy from the office. We sincerely appreciate your support and assistance as we work to build a community of responsible citizens who can learn, work, and play with others throughout their lives!

TITLE I PARENT INVOLVEMENT POLICY

TEACHER/STUDENT/PARENT LEARNING COMPACT: 2025-2026 SCHOOL YEAR

Kamiak Elementary School is committed to the goal of providing quality education for every child. To this end, we want to establish partnerships with parents and with the community. Everyone benefits if Kamiak Elementary School and our families work together to promote high achievement by our children. Neither home nor Kamiak Elementary School can do this job alone. Parents play an extremely important role as their child's first teachers. Support for their child and of the school is critical to each child's success.

Kamiak Elementary School recognizes that some students may need the extra assistance available through the Title I program to reach the state's high academic standards. Kamiak Elementary School intends to include parents in all aspects of the Title I program. The goal is a school-home partnership that will help all students to succeed. The

Kamiak Elementary School Title I program will:

- Annually develop/revise jointly with parents the Title I parent involvement/procedures and distribute it to parents of participating children. Annually develop/revise with parents the Kamiak Elementary School Teacher – Student – Home Agreement/Compact and distribute it to parents of all Kamiak children.
- Hold a program Open House during conference weeks in October and February to which all parents of participating children in the Title I program shall be invited and encouraged to attend. Parents will be given an opportunity to learn about the program and ask questions about their child's experience.
- Provide information about curriculum and forms of academic assessment used to measure student progress and the proficiency levels students are expected to meet.
- Provide reports to parents on their child's progress at each district reporting period.
- Involve parents in an annual evaluation of the program.
- Use findings of the annual evaluation to design strategies for more effective parent involvement.
- Identify barriers to participation by parents who are economically disadvantaged, are disabled, have limited English proficiency, have limited literacy, or are of any racial or ethnic minority.
- Provide parents with reasonable access to staff. Encourage parents to participate in school activities to improve student academic achievement.

The Title I Teacher shall ensure that the Kamiak Elementary School Title I Parent Involvement Policy, plan and programs comply with the requirements of federal law.

The Title I Teacher will:

- See that a parent survey asking for review and input of the Title I and LAP programs is distributed.
- Meet annually with a committee of parents, teachers, the principal, and paraprofessionals to review policies, procedures, and survey results.
- Provide parents with information in a variety of ways; including:
 - Informing parents of their child's placement
 - Inviting parents to sign a student/family/teacher compact
 - Inviting parents to conference with Title I / LAP staff before or after their children's' parent teacher conference

- Sending a weekly packet home with work completed in grades K-3
- Communicating electronically to inform parents of specific issues regarding their children
- Collaborating with the district in offering a yearly Title I meeting for families

FOOD CELEBRATIONS AT SCHOOL

Dear Parents and Guardians:

In an effort to best meet the needs of all students, our district recently revised our policy related to food in classrooms. We have students in each of our schools with diagnosed life-threatening food allergies and others with food sensitivities. The changes made to our policy are intended to better care for our students and are the result of a recommendation from our district Wellness Committee. The Wellness Committee is comprised of school administrators, district employees, community members, and parents. Thank you in advance for your cooperation and understanding.

We will no longer serve food on individual student birthdays. We will allow for activities that involve food up to once a month in each classroom, at the discretion of the teacher. Individual teachers will create their own classroom birthday recognition practices, which often include learning components on the student's special day. These events may have different themes and purposes at each grade level, and may take the form of a combined monthly birthday celebration. In all cases, families will have prior notice of the events, including information about what types of food will be available, so that parents may plan alternative food options for their child if needed.

Food practices in individual classrooms will be mindful of life-threatening allergies, food sensitivities, health, and the potential for disruption, and will be communicated by individual classroom teachers. There are many occasions when we wish to recognize accomplishments of students and we will continue to explore and implement strategies unrelated to food. We hope to create a safer, healthier environment, and minimize loss of instructional time throughout the school year. In order to move forward, we need your help.

A list of approved snacks will be available in the school office and on our website. Please do not bring food to school unless pre-arranged with the school and/or classroom teacher. Instead of bringing food, please consider bringing stickers, pencils, erasers, etc. for birthday celebrations.

For further guidance see Pullman School District Administrative Procedure 6700P.

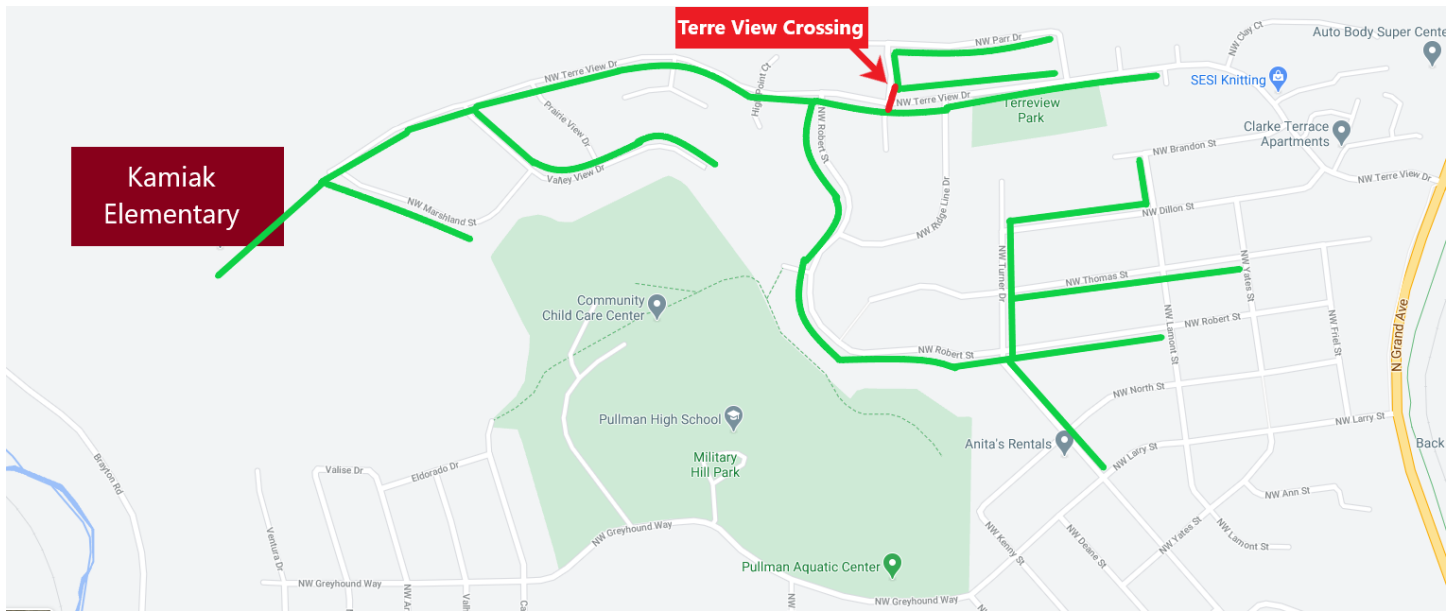

Thank you for your help and consideration in this matter. Please don't hesitate to contact me if you have questions.

SCHOOL ARRIVAL & DEPARTURE

ARRIVAL

Students should not arrive at school before 8:20 am. The school does not open to students until this time.

VEHICLE PICK-UP & DROP-OFF AREAS

Sunnyside has one student drop-off and pick-up area. The pick-up area is located in the front of the building off of Shirley Street. We ask that when you enter the car zone to please pull all the way to the front of the green curbed area, or to the vehicle in front of you. Students may then only unload and load in the designated green painted curbed area from the passenger side of the vehicle.

For the safety of our students we are asking that you NOT load or unload any place other than the parking lot or drive-thru drop off zone. Instead use the designated green curbed unload/loading zone. The reason for this is that there is constant movement around the unloading/loading zone area and there is not a designated safe path. It is all of our jobs to keep students safe, so please follow these procedures.

PARKING

If you need to speak to any Sunnyside staff we ask that you park in the lot next to the school not in the green curbed area. The parking lot next to the school will be designated for parking NOT student pick up, please use the green curbed area for this.

SAFETY

When picking up or dropping off, please follow these simple safety guidelines...

- Do not park in the car zone
- Drive very slowly and cautiously. Our pick-up areas are very congested with students.
- If you need to enter the building, please move your car to a safe area and park, NEVER leave smaller children or students unoccupied in your vehicle. We will contact the Pullman Police Department if we see any unsupervised small children left in unoccupied vehicles.

DEPARTURE

Students are released from school at 3:05 pm.

POSITIVE BEHAVIOR INTERVENTION & SUPPORT

Our school district mission is "Ensuring Learning While Supporting and Challenging each Student to Achieve Full Potential". Franklin's mirrors that same mission. It is our opinion that an essential skill for persons who will live and work in the present and future world is the ability to communicate respectfully and problem-solve peacefully, even when disagreement is present.

Respectful behavior is expected of all children and adults at this school. Toward this end, we provide social/emotional and problem-solving learning opportunities using curricula and programs such as Second Step and DARE. We work diligently to teach expected behaviors continuously throughout the school year. Staff members engage in training opportunities and regular discussions related to this learning.

At Sunnyside, we stress the expectations of Respect, Responsibility and Safety through our Positive Behavioral Interventions and Supports program. We begin each year by teaching expected behaviors school-wide and we continuously reinforce and reteach those expectations. Our goal is to provide a safe environment for students to learn these very important skills. In the interests of safety and respect, we do not allow any students to engage in fighting, rough hands-on play (like shoving, hitting, kicking, or aggressive physical contact) or in any type of bullying or harassment. We work very hard to help students learn what it looks like and feels like to function in a safe, respectful and responsible society. This continuous and intentional work assists in creating a very positive and safe place for all children at Sunnyside Elementary.

As students are progressing through their childhood years and related developmental stages, they sometimes make mistakes. While ensuring- the safety of all students, it is critically important that we help students who make mistakes learn from them and that any relationships affected by the mistake is restored. Any consequences that a student may experience is tied into learning so that the behavior has a lower chance of being repeated. This philosophy and our related practices are designed to ensure the social and emotional safety and well-being of all students.

When consequences become necessary, they may include:

- Free time, used to process the situation that occurred
- Lunch and/or lunch recess in the office, particularly for incidents related to those activities
- A consequence that remedies damage that may have been caused

IMPLEMENTING STUDENT DISCIPLINE POLICIES AND PROCEDURES: RESEARCH-BASED PRINCIPLES FOR SCHOOL DISTRICTS

In response to significant changes to OSPI discipline rules under [Chapter 392-400 WAC](#), school districts are in the process of revising discipline policies and procedures at the local level. The following principles highlight the major policy areas educators need to be aware of to meet state requirements, and the research supporting why implementation is critical for improving equity and fairness in the administration of school discipline.

Engage Families, Students, and Staff in Discipline Decisions

- Research highlights the benefits of inclusive decision-making processes and family engagement
- OSPI rules provide multiple opportunities for meaningful parent and family communication
- School districts must consult with staff, students, and families about discipline policies

Eliminate Zero-Tolerance Discipline Policies and Practices

- Research finds punitive practices produce negative and racially disproportionate outcomes
- OSPI rules prohibit school districts from administering mandatory exclusionary discipline
- School districts may no longer immediately suspend a student for “exceptional misconduct”

Adopt Positive and Instructional Approaches to Behavior

- Research demonstrates restorative discipline approaches can mitigate disparities
- OSPI rules require district policies to identify best practices to support student behavior
- Educators must attempt or consider best practices before exclusionary discipline

Disrupt Inequitable Discipline Decision-Making Processes

- Research promotes strategies for neutralizing implicit bias in discipline decision-making
- OSPI rules establish procedures intended to slow down discipline decision-making processes
- Educators must consider individual circumstances, context of behavior, and school safety

Focus on the Classroom Context and Data-Informed Decision-Making

- Research shows disproportionality in discipline starts at the classroom level
- OSPI rules provide procedures for classroom exclusion and using disaggregated discipline data
- School administrators and teachers must collaboratively review building discipline standards

FOOD CELEBRATIONS AT SCHOOL

Dear Parents and Guardians:

In an effort to best meet the needs of all students, our district recently revised our policy related to food in classrooms. We have students in each of our schools with diagnosed life-threatening food allergies and others with food sensitivities. The changes made to our policy are intended to better care for our students and are the result of a recommendation from our district Wellness Committee. The Wellness Committee is comprised of school administrators, district employees, community members, and parents. Thank you in advance for your cooperation and understanding.

We will no longer serve food on individual student birthdays. Individual teachers will create their own classroom birthday recognition practices, which often include learning components on the student's special day. These events may have different themes and purposes at each grade level, and may take the form of a combined monthly birthday celebration. In all cases, families will have prior notice of the events, including information about what types of food will be available, so that parents may plan alternative food options for their child if needed.

Food practices in individual classrooms will be mindful of life-threatening allergies, food sensitivities, health, and the potential for disruption, and will be communicated by individual classroom teachers. There are many occasions when we wish to recognize accomplishments of students and we will continue to explore and implement strategies unrelated to food. We hope to create a safer, healthier environment, and minimize loss of instructional time throughout the school year. In order to move forward, we need your help.

A list of approved snacks will be available in the school office and on our website. If you are providing food for an event, we ask that the food items are taken directly to the main office at least one week prior to the event and then will be checked for proper adherence to the food policy. Any food item that does not adhere to the policy cannot be served and will be sent home with the students or parent. Please do not bring food to school unless pre-arranged with the school and/or classroom teacher. Instead of bringing food, please consider bringing stickers, pencils, erasers, etc. for birthday celebrations.

For further guidance see Pullman School District Administrative Procedure 6700P.

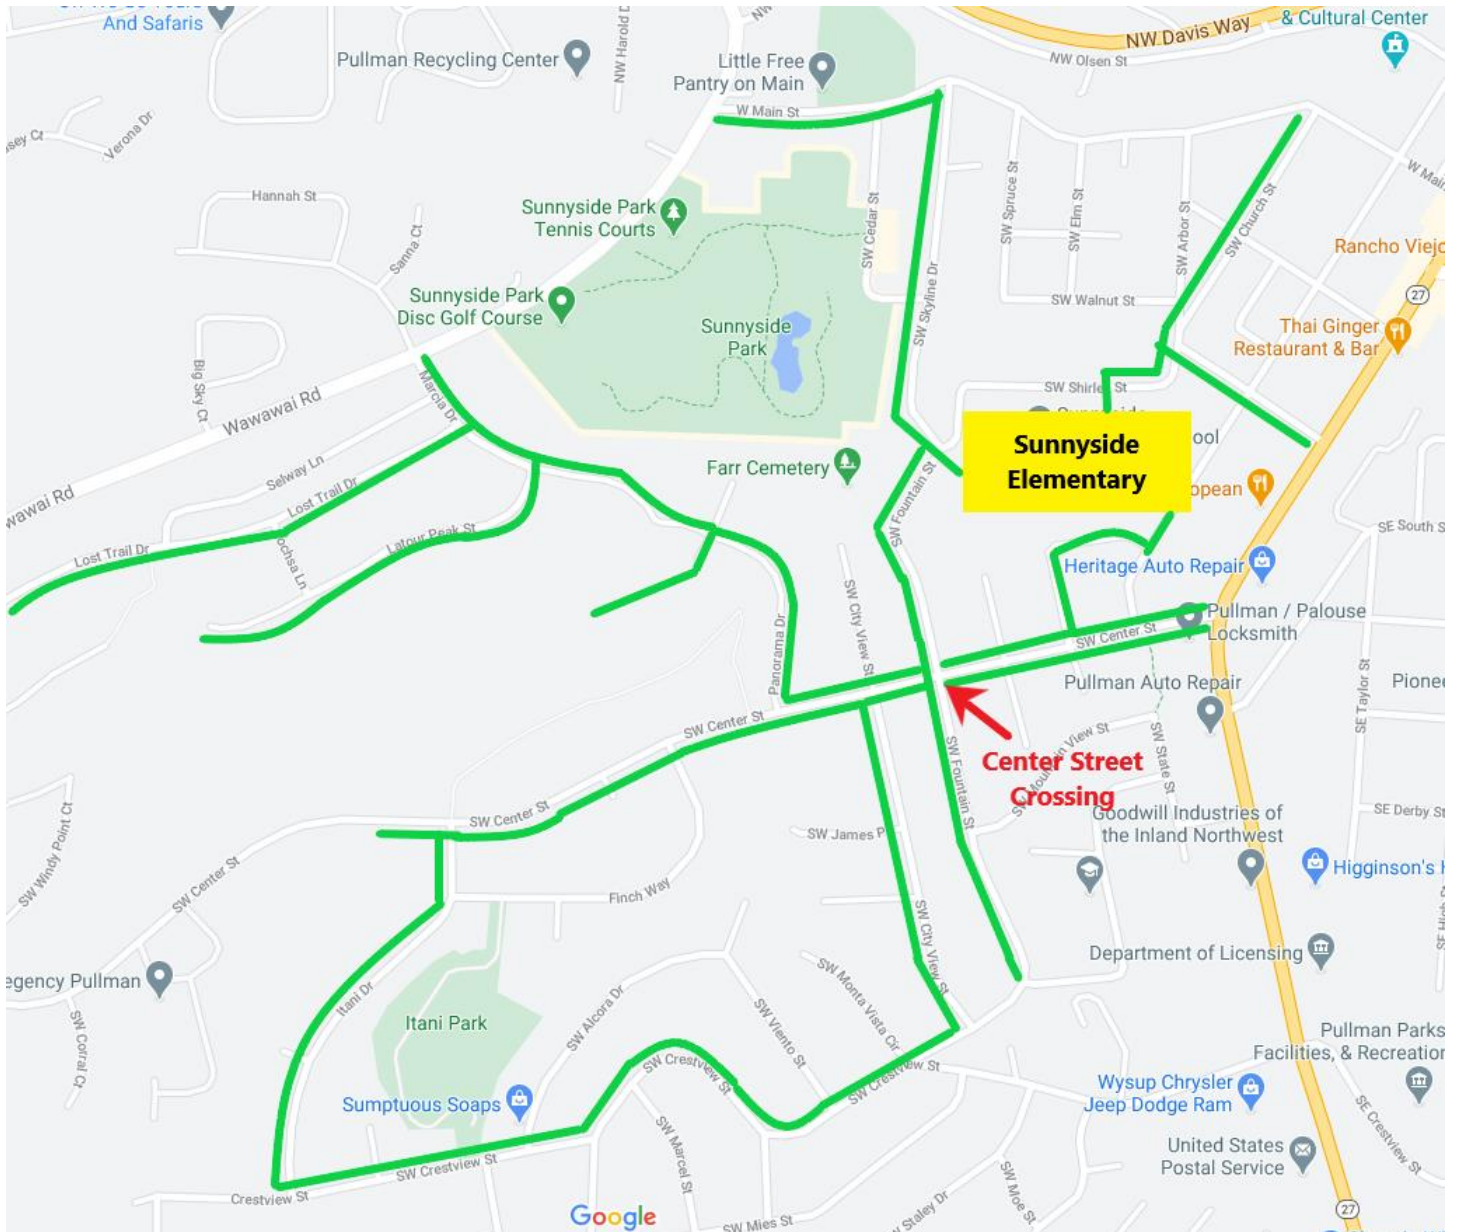

Thank you for your help and consideration in this matter. Please don't hesitate to contact me if you have questions.

Sincerely,

Pam Brantner

LINCOLN MIDDLE SCHOOL ATTENDANCE POLICY

FROM PULLMAN SCHOOL DISTRICT BOARD POLICY 3122 and Procedure 3122P

EXCUSED AND UNEXCUSED ABSENCES FROM SCHOOL

Regular and punctual attendance is a habit that is indicative of a student's attitude toward school and which will follow into the student's career and other responsibilities throughout life. The school and parents must work cooperatively by making regular and punctual attendance a top priority. The responsibility for school attendance belongs with parents and guardians. The following shall govern the development and administration of attendance procedures within the district. Students involved in extracurricular activities are responsible for picking up assignments from their instructors when leaving early for school-related activities.

EXCUSED ABSENCE: Absences due to illness, health condition, medical appointment, family emergency, religious observance, family emergencies, as required by law, and as outlined in policy 3122, shall be excused. An excused absence shall be verified by the parent or school authority responsible for the absence.

UNEXCUSED ABSENCE: Unexcused absences fall into two categories: 1) The parent, guardian, or adult student submits an excuse that does not meet the definition of an excused absence as defined previously; or 2) The parent, guardian, or adult student fails to submit any type of excuse statement, whether by phone, email or in writing, for an absence. Unexcused absences are a violation of school rules; therefore, a student who has an unexcused absence is subject to discipline. RCW 28A.225.020 defines the school's responsibility in filing truancy petitions (a Becca Petition) when a student has 7 unexcused absences in one month or 15 in the current school year and the school can document an effort to contact parents and remedy the situation without court intervention. Truancy petitions are filed with the Superior Court of Washington for Whitman County Juvenile Department in compliance with RCW 28A.225. Students arriving late to school without an excused note or phone call are considered truant.

TARDIES: Students are tardy when they arrive to class after the bell signaling the start of class. Unexcused tardies are recorded. School discipline will be given to students who have more than 2 tardies in a week.

MISSED ASSIGNMENTS: If an absence is excused, the student shall be permitted to make up all missed assignments outside of class under established conditions and time limits as determined by the appropriate teacher. A student's regular attendance and/or participation is required to fulfill the instructional objectives and requirements of all courses.

- Excused absences up to 10 days per quarter allow the student one calendar day per absence time to make up missed assignments without reduction in grade or score.

ABSENCES AND TARDINESS

Students are expected to attend all assigned classes each day. Teachers shall report absences and tardiness to the office where records are maintained. *Chronic excused absences are a concern especially when the student's grades are affected.* The concern will be addressed and appropriate action will be taken.

EXCUSED ABSENCES: The following are valid excuses for absences and tardiness. Assignments and/or activities not completed because of an excused absence or tardiness may be made up in the manner provided by the teacher.

1. Physical health or mental health symptoms, illness, health condition or medical appointment for the student or person for whom the student is legally responsible. Examples of symptoms, illness, health conditions, or medical appointments include, but are not limited to, medical, counseling, mental health wellness, dental, optometry, pregnancy, and behavioral health treatment (which can include in-patient or outpatient treatment for chemical dependency or mental health);
2. Family emergency, including, but not limited to, a death or illness in the family;
3. Religious or cultural purpose including observance of a religious or cultural holiday or participation in religious or cultural instruction;
4. Court, judicial proceeding, court-ordered activity, or serving on a jury;
5. Post-secondary, technical school or apprenticeship program visitation, or scholarship interview;
6. State-recognized search and rescue activities consistent with [RCW 28A.225.055](#);
7. Absence directly related to the student's homeless, or foster care/dependency status;
8. Absences related to deployment activities of a parent or legal guardian who is an active duty member consistent with [RCW 28A.705.010](#);
9. Absences due to suspensions, expulsions, or emergency expulsions imposed pursuant to chapter [392-400 WAC](#) if the student is not receiving educational services and is not enrolled in qualifying "course of study" activities as defined in [WAC 392-121-107](#);
10. Absences due to student safety concerns, including absences related to threats assaults, or bullying;
11. Absences due to a student's migrant status, and
12. An approved activity that is consistent with district policy and is mutually agreed upon by the principal or designee and a parent, guardian, or emancipated youth. The procedure for requesting an excused absence for a mutually agreed upon activity can be found in procedure [3122P Excused and Unexcused Absences](#).
13. Absences due to the student's lack of necessary instructional tools, including internet access or connectivity.

Notifying LMS about Absences: A Parent/Guardian is expected to notify the school office at the earliest convenience by calling the LMS office, **(509) 334-3411 before 8:30 a.m.** Unless prior arrangements have been made, student homework will not be collected until the third consecutive day of an extended absence.

Appointments during the school day require that the student obtain a pass to leave the classroom and school building from the office prior to the beginning of first period. The student should have a note from parents (or a phone call to the office) indicating the time when the student is to be dismissed from class.

Participation in school-approved activities (academic competition, artistic performance, etc.) must be authorized by a school or staff member.

Pre-Approved Absences: When a student plans to be out of school for one or more days, he/she is to obtain an **ADVANCED NOTICE OF ABSENCE FORM** from the attendance office at least two days prior to the absence. Signatures of teachers, parents, and the principal are also requested. The absence shall be counted as excused for the purposes noted on the form, if approved by the principal. An absence may not be approved if it causes a serious adverse effect on the student's educational progress.

Absence resulting from disciplinary actions or Short-Term Suspension: As required by law, students who are removed from a class or classes as a disciplinary measure or students who have been placed on short-term or long-term suspension will have the right to make up assignments or exams missed during the time they were denied entry to the classroom.

Extended illness or health condition: If a student is confined to home or hospital for an extended period, the school shall arrange for the accomplishment of assignments at the place of confinement whenever practical. If

the student is unable to do his/her schoolwork, or if there are major requirements of a particular course that cannot be accomplished outside of class, the student may be required to take an incomplete or withdraw from the class without penalty.

Excused absence for chronic health condition: Students with a chronic health condition that interrupts regular attendance may qualify for placement in a limited attendance and participation program. The student and his/her parent shall apply to the principal or counselor, and a limited program shall be written following the advice and recommendations of the student's medical advisor. The principal shall approve the recommended limited program. Staff shall be informed of the student's needs, though the confidentiality of medical information shall be respected at the parent's request.

TRANSPORTATION

IN CITY LIMITS ROUTES

Students who live in Pullman city limits may sign-up for a free city bus pass. A student bus pass allows students under the age of 18 to use Pullman Transit public bus services for free at any time during the year. Bus routes can be found printed in hard copy at LMS, or on the Pullman Transit website www.pullman-wa.gov/services/transit/index.php

RURAL BUS ROUTES

Students who live outside of the Pullman city limits are assigned to a rural school bus. Bus routes are available on the district website at www.PullmanSchools.org/departments/bus or you may call the school district transportation office at (509)334-3911.

PEDESTRIANS AND BIKE RIDERS

Students who walk to and from school should follow pedestrian walkways, sidewalks and crosswalks. Bike riders should know and obey all traffic rules related to riding a bicycle in traffic. Bikes are to be locked to the bike racks located on the west and east sides of the building. They are not allowed in the building, nor stored next to the building for any reason.

SKATEBOARDS/SCOOTERS

Due to safety concerns at Lincoln Middle School, students will **not** be permitted to ride skateboards or scooters on school grounds. If a student chooses to ride to school by way of these devices they will need to walk with them, in hand, once on school grounds. School will determine a designated storage area for skateboards and scooters while at school.

GENERAL STUDENT INFORMATION

BREAKFAST AND LUNCH AT LMS

Breakfast is served at Lincoln starting at 8:00 a.m. Tuesday through Friday, and at 8:30 a.m. on late start Mondays. There are two lunch periods at Lincoln Middle School. See the Daily Schedule for lunch times. Together the students can create an enjoyable experience during breakfast and lunch time with the opportunity to socialize and become involved in recreational activities.

Students may bring sack lunches from home or purchase meals from the school. Specific lunch prices for the 2024-2025 school year were: \$3.50 for a complete student lunch, \$5 for a complete adult lunch and \$.50 for milk. Breakfast is \$2.25 for students and \$3 for adults. **Specific lunch prices for the 2025-2026 school year are to be determined.** Students are allowed to bring carbonated soft drinks, excluding energy drinks, and only single serving sized containers, please, for lunch in non-breakable containers. Glass containers are not allowed in the lunchroom or anywhere else in the school at any time.

LMS uses an automated system for cashiering the meals program. Account numbers are assigned to students. Any amount of money parents choose to send for their children's accounts is processed. As each student eats, the cost of that lunch or breakfast is deducted from his/her balance. Parents may still send cash with their child each day, but are encouraged to use their students account to provide flexibility of eating breakfast or lunch depending on the menu and the student's needs. **Checks should be made to Lincoln Middle School** and include the name of the student to whom the credit should be given. Students should take all lunch money to the cooks in the kitchen. A verbal reminder will be given to students as they get to a zero balance. Parents can view their child's lunch account through the Skyward Family Access System at <http://family.pullman.wa-k12.net>. Lunch account negative balance notifications will be sent to families via email and ParentSquare. If you don't already have your login information, you can get this information from the front office. We can now process lunch payments online through [InTouch Online payment systems](#). For more information, please see our website or call our main office.

A reduced price and free meal program is available for qualifying families. Please ask at the LMS office for the proper forms. Any child qualifying for free lunch also qualifies for free breakfast.

Students eat in the LMS commons. They are expected to help keep the cafeteria clean by being responsible for putting away their own trays and picking up their litter around their lunch tables or upon being asked by a supervisor. Students throwing food, littering or not putting trays away will be assigned a lunch detention.

LMS Composting program. Here at Lincoln we are very proud of our composting program! The Composting Program at Lincoln Middle School collects the food waste generated from our cafeteria breakfast and lunch meals. Composting is done to: reduce the school's trash sent to the landfill; recycle natural resources which helps reduce greenhouse gas emissions; educate the students and staff about food waste and the benefits of composting; and create a useful product for soil enhancement. The removal of food wastes plus recycling of aluminum, plastic and paper products round out the daily environmental efforts of Lincoln Middle School students and staff, qualifying us as a Level 1 Washington Green School.

RULES DURING BREAKFAST AND LUNCH

1. Students are not to consume beverages or food in the hallways or LMS grounds between classes and before or after school. Offenders who carry food or drinks into the hallways or classrooms may receive lunch detention.

2. No running in the commons during breakfast and lunch.
3. Students will only be allowed on the west side of the school during lunch.
4. Students are required to remain within the area of supervision on the school grounds during lunch period. This includes the commons, library, office lobby, basketball courts and west soccer field. All other areas are off limits during the lunch break. Detention will be given to students who are in off limits areas and/or who do not have a hall pass when walking the halls. For students' safety, we must know where they are at all times.
5. When students finish eating, they may go to the library, to the basketball courts or west field; or they may remain in the commons. Students are not allowed to return to their hall lockers without specific permission. Students working in classrooms during lunch must be accompanied by a teacher or staff person. When a teacher requests a student to come to his/her classroom, the teacher must write hall passes for the students.
6. Basketballs, footballs, frisbees, soccer balls, and other games and equipment are available for check-out by staff monitoring the outside grounds during lunchtimes. Some limitations are placed on the number of specific items to help maintain a safe area for student play. Students are expected to return all items checked out before returning to class.
7. When the bell rings, all play must stop. Balls are not to be thrown or kicked after the bell.

BOOKBAGS AND BACKPACKS

All students' book bags and backpacks are stored in their lockers during the instructional day. Please do not purchase large and/or wheeled backpacks because they will not fit in the lockers.

FIELD TRIPS AND ACTIVITY GROUP TRIPS

Students will have the opportunity to travel with school groups to see performances, go on field trips, and represent LMS at regional and state competitions. While traveling on school district vehicles, students are reminded to be responsible for their litter, their behavior, and noise, as well as their safety. Groups who are responsible can look forward to other trips. Some longer field trips will be made on privately owned common carrier vehicles. Respectful and responsible conduct is expected from each Lincoln student. Written Parent Permission forms are required for participation on all off-campus field trips.

OVERDUE & LOST LIBRARY BOOKS

Students receive a reminder note and automatic email from our library system when library book(s) are overdue.

Once books are over one month late they will be considered lost and fines will be added to online accounts in the amount of the cost of the books. All books that remain out at the end of the school year will also be considered lost and fines will be assessed at that time. Accounts may be cleared by returning the book, replacing the book with a copy that you buy (this is the method we prefer), or making payments online through [TouchBase](#). TouchBase may be accessed by going to the LMS website, Quick Links, and then Online payments.

GRADE NOTIFICATION AND PARENT CONTACT

- **FAMILY ACCESS/STUDENT ACCESS:** Pullman School District utilizes an online resource called “[Skyward Family Access/Student Access](#)” which allows parents to check their child’s grades, missing assignments and attendance from their computer at home. Parents may also e-mail teachers directly through Family Access/Student Access. Contact the office for the website address as well and to receive your user name and password. Pullman schools also uses ParentSquare for family communications.
- **REPORT CARDS:** Grade reports will be sent home with each student one to two weeks after the end of the first and third quarters of school. Second and fourth quarter reports will be mailed home one to two weeks after the close of school.

2025-2026 Quarters

1st quarter ends.....October 24th

2nd quarter ends..... January 23rd

3rd quarter ends.....March 27th

4th quarter ends.....June 12th

- **PARENT-TEACHER CONFERENCES:** Parent conferences will be held during the week of October 22 – October 24. Parents/guardians may attend the arena conference or request a student specific conference. Parents or teachers may request a conference at this or at any time.

ILLNESS AT SCHOOL

When a student becomes ill at school, they should first notify the teacher in charge and then report to the LMS office. Students will be asked to call a parent to report the illness and ask to go home. A health room is available for emergencies or for short term use until a parent or emergency designee can be reached. Students are not allowed to leave school unless parents or guardians have been contacted and have communicated with school staff members.

IMMUNIZATION

Students attending middle school must meet the following minimum immunization standards in order to attend school:

- **Hepatitis B** – 3 doses, 3rd dose must be on or after 6 months of age.
- **Diphtheria/tetanus/pertussis** – 3 doses with the last doses on or after the fourth birthday.
- **Polio** – 4 doses with the last dose on or after the fourth birthday or 4 doses anytime.
- **Measles/mumps/rubella** – 2 doses with the first given on or after the first birthday and at least 28 days apart.
- **Varicella** – 2 doses on or after 1st birthday.
- **Tdap** – 1 dose after age 11.

All Washington State Public Schools are required to meet the student [immunization guidelines](#) from the Washington State Department of Health. Parents are required a medically verified immunization record for their student.

Medically verified is defined as:

- A Certificate of Immunization Status (CIS) printed from the Immunization Information System (IIS) or from "[MyIR](#)" - databases that medical providers often use, OR;
- A physical copy of the [CIS form](#) with a healthcare provider signature, OR;
- A physical copy of the CIS with accompanying medical immunization records from a healthcare provider verified and signed by a Pullman Public Schools nurse.
- Lifetime immunization records may be attached to a hardcopy CIS for medical verification. To be acceptable, the record must come from a medical source or include the signature of a health provider or a unique healthcare provider stamp).
- If you cannot find record of immunizations, please check with our district nurse, Michelle Hyatt, who can search the WA Immunization Information System (IIS).

Reach out to your student's medical provider to request a copy of their immunization records. Immunization records are required and students will be ineligible to attend school if appropriate records are not provided.

MEDICATION AT SCHOOL:

When it is necessary for a student to take any medication at school, the parents are required to contact the LMS office. Written authorization is required by law. A form regarding instructions and parent permission is available at school and at most area doctors' offices and pharmacies. This form must be signed by both the parent and physician. All medicine must be kept in the office in original containers. School personnel are not responsible for administering dosages without prior instruction and compliance to district health procedures.

INJURY/ILLNESS AND FITNESS/MOVEMENT/SPORTS/HEALTH CLASSES

In order to be excused from a fitness/movement/sports class on days they are in attendance, students must bring a note from a qualified physician. Please see the LMS website and go to Documents & Forms where under forms you will find the "[Participation Limitations for PE/FMS](#)" form that you can have your doctor fill out. They must also bring a release authorizing them to re-enter the class when they are well enough to do so. Students that do not have physician's notes are expected to participate to the extent they are able. The instructors will modify and/or create activities that will help facilitate this participation.

LOCKERS:

Each student will be assigned a hall locker during homeroom. Student athletes may be assigned an athletic locker to use during their sport season. In both cases, students will have a combination lock to protect personal belongings. It is the student's responsibility to guard

the combinations and keep possessions safe. **Students should not give their locker combination to anyone.** If the student's locker opens without working the combination lock or if any other disrepair develops, the problem should be reported to the office as soon as possible. School personnel may check the contents in a student's locker upon reasonable cause at any time. Students are encouraged to leave at home all valuable items not needed in school. Students are to report any missing items as soon as it is noted as missing. Students found kicking or abusing their lockers will be subject to discipline for destruction of school property. Locker clean-outs are scheduled during the school year. Students are expected to keep their lockers clean. **The school cannot assume any responsibility for items left in lockers. Lost or stolen items should be reported to the main office.**

LOST AND FOUND:

Students should turn in all found items. Valuable items should be turned in directly to a staff member or the office. Students who have lost an item should check with the teacher in whose room the item was first lost and check in the LMS office as well as the lost and found. Students are asked to have all personal property and clothing marked permanently with their names. Unclaimed lost and found items will be displayed in the commons on a monthly basis with the remainder being donated to charity over school holidays and breaks.

VIDEO GAMES, TABLETS, EAR PODS, SMARTWATCHES, CELL PHONES:

Students and parents must be aware that these items represent an easy target for theft. Responsibility for the security of these devices rests with the student owner. LMS supervisory personnel will only allow these items to be used before school and after school. The school will not be responsible for any thefts regardless of circumstances. Students are encouraged to leave valuables at home.

FEES

Any fees paid or purchases must be for the exact amount. Checks may be made payable to Lincoln Middle School. Please do not send checks or money for amounts over the fees owed. All fines and fees must be paid before student records can be issued. Payment for each fee must be made separately, and checks must be written for the exact amount. Checks written for the incorrect amount will be returned.

PHYSICAL EXAMS

All students participating in athletics are required to have a current physical exam from a practicing physician. Physicals are good for two years. This includes students who are new to the district and also students who are entering sixth grade. The exam form needs to be on file at the school before the student actively participates in any athletic program. Forms are available in the main office and some physicians' offices. Exams used for summer camp will satisfy this request.

STUDENT TELEPHONE

A phone for student use is located in the lobby outside the office. All calls made by students should occur at a time other than class time. The telephones are to be used for local calls only. **Students that are caught making prank phone calls will receive an in-school suspension and may be subject to prosecution according to local or state law and /or federal communications law.**

STUDENT RECOGNITION

STUDENT OF THE MONTH:

The LMS Student of the Month program is sponsored by the Pullman Kiwanis Club. Each month one student is selected from each homeroom. Then a grade-level Student of the Month is selected by teachers and classmates. The grade-level Student of the Month is honored by the Pullman Kiwanis at a luncheon with their parents. At the luncheon, they will receive a \$50 check, half of which must be given to a charity or benefit of their choice. Criteria for the nominations and selection include good citizenship at school and in the community, regular school attendance, steady academic progress, cheerful attitude, and a person who represents Lincoln Middle School well in the community.

8th GRADE PROMOTION:

The 8th grade class each year will be celebrated during the last weeks of school. The exact date will be announced ahead of time, via email, newsletter, and daily announcements. All 8th grade students will receive a certificate of promotion, and have the opportunity to attend a procession at which friends and family are welcome to attend.

TEXTBOOKS & SCHOOL DEVICES

Students will be loaned the textbooks needed for each class. The condition and number of each book will be noted when it is issued. Students are to cover each textbook. Students will be assigned a Chromebook and charger to use during the school year. The condition and number of the device will be noted when it is issued. A protection plan is available for incidents of unintentional damage to the device, excluding certain conditions and terms (see Chromebook Protection Plan form). Students are responsible for treating the device so as to keep it in working order, as well as for its whereabouts. If a textbook/device is lost or damaged, the student is responsible to pay for its replacement or repair. A fine will be placed on the student's account in our InTouch program and will need to be paid, or item returned, before the student can participate in any sports or extracurricular programs. All lost or misplaced textbooks/devices need to be reported as soon as possible.

VALUABLES

Students should bring to school only those items needed for their classes and activities. Students are discouraged from bringing large amounts of money or valuables because the school cannot be responsible for lost or stolen items.

VISITORS

Parent/Guardian visitors are welcome at Lincoln Middle School. We do require that all visitors report to the office upon arrival. Visitors are to sign in on the Visitors computer kiosk and obtain a Visitor's badge. Photo identification may be requested of visitors. Students from other schools, however, are not permitted to visit unless they have permission from the principal.

Students who are hosting guests must:

1. Obtain a visitor's form
2. Seek permission from parent
3. Acquire the signatures of all teachers

4. The hosting student must go over all rules and regulations of the school. If a guest should violate any policy, the guest will be removed from the grounds and will not be granted permission to return to LMS for the rest of the year. If a hosting student should violate LMS visitation policy, he or she will be denied visitation privileges.
5. Submit the form to an administrator. **THIS FORM MUST BE OBTAINED AT LEAST ONE DAY IN ADVANCE. NO VISITORS WILL BE ALLOWED DURING THE LAST WEEK OF SCHOOL.** Visiting students must be middle school age and must be in the same grade as the hosting student. A visiting student must attend classes scheduled for the student with whom they are visiting. Visiting students will be given a visitor's permit at the office. The permit must be shown to each teacher whose class is visited. Teachers or administrators have a right to revoke the permit at their discretion. Visitation of other students is restricted to one day. **Guests are not included in LMS dances and after school activities that are planned and funded exclusively for LMS students.**

STUDENT ACTIVITIES

All LMS students have the opportunity to participate in a variety of co-curricular activities. The activities include athletics, academic competition, interest groups, student government, social events, and fund raisers. The philosophy behind the LMS activity program is to encourage participation of all interested students. **Each LMS student must purchase a photo-identification Associated Student Body (ASB) card that will ensure the opportunity to participate in events planned for LMS students. ASB cards are \$30 for all students.**

EXTRACURRICULAR ACTIVITIES

The extracurricular activity program at Lincoln Middle School is completely voluntary. Involvement in the activities program requires extra effort and time on a voluntary basis beyond the regular school day. Those who choose to participate represent their student body and community in local, regional, and national competitions and events. The highest standards of citizenship, sportsmanship, personal conduct, and loyalty must be maintained. The total school program is reflected in the extracurricular activities program. **Those students who earn disciplinary sanctions will follow the process listed below:**

- **1st detention:** Head coach's decision on participation in next scheduled event.
- **2nd detention/1st suspension:** Automatic removal from the next scheduled event. A student may be removed from the activity for the season if the infraction is severe.
- **3rd detention/2nd suspension:** Student may be removed from the activity for the season.

In all activities, all who choose to participate will have a place on a team. Whatever a student's interest level or

abilities may be for a particular type of activity, there is a club, team or group to match. We believe there is a positive correlation between a student's performance and the student's adherence to practice and training schedules. The goal statement for Lincoln Middle School's activity program is: *"It shall be the goal for Lincoln Middle School activity programs to provide sportspersonship, cooperation, leadership, recognition, and affiliation in all activities offered for each LMS student."*

GUIDELINES FOR STUDENT ACTIVITIES

Section I: Rules and Regulations: The following rules and regulations apply to all students participating in Lincoln Middle School extracurricular activities, and conform to the rules for each activity as defined by the Washington Interscholastic Activities Association.

1. Each student participant is expected to adhere to the Pullman School District Students' Rights and Responsibilities Policy #3200, in all matters of individual conduct while representing Lincoln Middle School.
2. Each student participant is expected to follow the advice and directions of the activity coach, director, or sponsor in matters of performance while representing Lincoln Middle School.
3. Each student participant is expected to be a good citizen in school, in the community, and in all contests and activities. Specific activity related consequences occur when detention and in-school suspensions are assigned. **Students may not continue participation in ANY extracurricular activity while a sanction is being served or pending.**
4. Each student participant shall be in attendance at school for the entire school day on the day of an after-school activity. Each student shall also be in attendance at school on the entire day to be eligible to participate in after-school practice or rehearsal on the given day. The only exception is a signed excuse from the principal or vice principal which is presented to the coach, director, advisor, or sponsor.
5. Each student participant representing Lincoln Middle School is expected to exemplify the highest of standards of good sportsmanship. Sportspersonship consists of these qualities: courteousness, fairness, and respectfulness to officials, teammates, opponents, coaches, and all other associated with the activity.

Section II: Procedures for Violation: A student participant who does not abide by the above rules and regulations shall be placed on probation, suspended, or dismissed from a team, club or group. Any disciplinary decisions, resulting from any violation, shall be subject to the hearing and appeal procedure outline in the LMS Agenda, and the Pullman School District Board of Directors' Policy #3200.

Section III: Student Activity Eligibility:

1. LMS Athletes are only allowed 1 F reported for each grading period to remain eligible for athletics and activities. If an LMS student has more than 1 F, they are ineligible for competitions until their grades improve to having 1 or less F's.
Ineligible students are expected to practice, BUT CANNOT travel, play, compete, or perform with the team/activity. All students are expected to participate in practice during the period grade checks if they wish to resume as a full member of the squad when they become grade eligible.
2. Incomplete grades may be made up for credit during the first five weeks of the subsequent semester. The student shall be ineligible for school activity groups until the incomplete grades are cleared.

3. In the event a student was not absent from school, yet missed practice or an event, a written excuse signed by the parent or guardian must be given to the coach, director, advisor, or sponsor. If a student participant has several excused absences, he/she will be provided limited performance time from those students who have regular attendance. If a note is not given to the coach, director, advisor, or sponsor, the absence will be considered unexcused. **A student who has two unexcused absences during an activity season may be dismissed from the team, club, or group.**
4. Each student who participates in athletics must have on file a current physical examination. The statement from the examining physician certifies that the student's physical condition for the activity in which he/she is participating. Each student must also have a WIAA Insurance Waiver Form and PSD Emergency Contact Form on file prior to participation.

Section IV: Equipment and Facilities: School equipment checked out by the student becomes the responsibility of the student during the time of the loan. Students are expected to keep and return all equipment clean and in good condition. Lost or damaged equipment or uniforms will be the student's financial obligation. Fines will be assessed in our InTouch program for unreturned or damaged items.

1. Students are prohibited from using school issued equipment while participating in any event outside the school activity program.
2. Misuse or abuse of dressing room facilities, lockers, benches, gym, classroom, or field facilities will not be permitted. Violations of the trust put in students using the school facilities and equipment during the course of their activities may result in the student's dismissal from the team, club, or group.

Section V: Travel for Lincoln:

1. Many student groups from LMS travel to and from contests with their teams, clubs, and groups. School district vehicles are provided for this purpose. Student participants are expected to ride with their team, club, or groups while traveling for LMS. Only in the case of personal contact between the coach, director, advisor, or sponsor and the student's parent can exceptions be made. If possible, permission for a student to ride with their parent should be obtained one day in advance. Students are not allowed to ride with anyone other than parent or guardian without express written consent of a school administrator.
2. Each student participant is expected to obey all school bus regulations (see Student Agenda pages 11-13).
3. Each student participant will be conscious of what constitutes appropriate dress for home and away contests and events. See [LMS Dress Code](#) on page 13 of this addendum.

Section VI: Amateur Standing: An amateur student athlete is one who engages in athletics for the physical, mental, social, and educational benefits and for whom athletics is an avocation not a source of financial reward. In order to maintain his/her amateur standing, they may not:

1. Accept merchandise of more than \$100 in value.
2. Accept cash awards.
3. Enter competition under a false name.
4. Accept payment of excessive expense allowances.

WASHINGTON INTERSCHOLASTIC ASSOCIATION (WIAA) CODE OF ETHICS

It is the duty of all concerned with school athletics:

1. To emphasize the proper ideals of sportsmanship, ethical, conduct and fair play.
2. To eliminate all possibilities which tend to destroy the best values of the game.
3. To stress the values derived from playing the game fairly.
4. To show cordial courtesy to visiting teams and officials.
5. To establish a happy relationship between visitors and hosts.
6. To respect the integrity and judgment of sports officials.
7. To achieve a thorough understanding and acceptance of the rules of the game and the standards of eligibility.
8. To encourage leadership, use of initiative, and good judgment by the players on the team.
9. To recognize that the purpose of athletics is to promote the physical, mental, moral, social, and emotional well-being of the individual players.
10. To remember that an athletic contest is only a game—not a matter of life or death for players, coaches, schools, officials, fans, community, state, or nation.

ACTIVITY CARDS:

Students may receive a unique holepunch in their photo ID for a fee of \$30 for sixth, seventh and eighth graders to indicate ASB membership. Financial waivers are available for families who qualify for Free or Reduced meal assistance. This one-time fee will provide students admittance to all home LMS athletic events, LMS dances (discounted admittance), and other school activities, as well as membership on LMS teams and clubs. **When students attend any LMS function, they must show their ASB cards.** Activity cards will be on sale at any time during the school year. Replacement of lost cards will be \$5.

FUNDRAISER

In order to carry on a full extracurricular activity program, it is necessary for the students to help with expenses for these activities. At LMS we will host an annual fundraiser to raise funds for our student activities. This plan has been efficient and profitable. Information in regards to the fundraiser will be sent out to students prior to the start of the fundraiser.

DISCIPLINARY PROCEDURES

SANCTIONS DEFINED

Discipline is earned by making an inappropriate choice. All forms of corrective action will be administered to each student individually to best provide for the student's effective learning opportunities.

Please refer to Board Policy 3241 Student Discipline and accompanying procedures and forms outlining disciplinary procedures for Pullman School District.

ENGLISH/LITERATURE: This English Language Arts course teaches reading and writing standards through the lens of literature and informational structures. Throughout the course of the year, students will focus on comprehension and critical thinking in relation to a variety of different text structures. Students will also develop and establish writing skills while creating argumentative, expository, and narrative projects.

MATHEMATICS OPTIONS:

- **MATH 6:** This course teaches in-depth the 6th grade mathematical standards that are aligned with the Common Core Standards. Instructional time will be focused on four critical areas: (1) connecting ratio and rate to whole number multiplication and division and using concepts of ratio and rate to solve problems; (2) completing understanding of division of fractions and extending the notion of number to the system of rational numbers, which includes negative numbers; (3) writing, interpreting, and using expressions and equations; and (4) developing an understanding of statistical thinking.
- **MATH 6/7:** This class is offered to qualifying 6th grade students using assessment data collected in 5th grade along with teacher input. This course teaches all 6th grade and some 7th grade math standards that are aligned with the Common Core Standards. The instructional time for this class will focus on the four critical areas described for Math 6 (above) and the following from Math 7: (1) analyzing and representing proportional relationships and (2) performing rational number arithmetic. Solving multi-step equations and working with probability will also be introduced in this class.

SOCIAL STUDIES: This course is designed to lay the foundations for understanding the development of societies and civilizations from early human social groupings to more advanced societies and the rise of first empires. As such, students will be exposed to, and become familiar with, different people, places, and cultures from around the world. Early civilizations, cultures and geography are studied from Meso-America to pre-Mesopotamia, ancient Egypt, Greece, and Rome.

SCIENCE: Sixth Grade Science covers physical science topics including light & matter and thermal energy. Earth science topics include weather systems, plate tectonics & rock cycling, and natural hazards. Life science topics include cells & cell systems. We take a phenomenon-based approach to discovering more about each topic and practice “being a scientist” by utilizing scientific practices throughout the year. These are all aligned with Next Generation Science Standards as adopted by Washington State.

CHOIR: Sixth grade choir is open to all students regardless of experience or ability. Time in class is primarily spent exploring vocal technique through song while practicing beginning part-singing and advancing in rhythm and note reading. Students sing music of varying styles from a variety of cultures. Goal setting and home practice are required as students prepare for performances, including a choral festival. Students are expected to participate in evening performances periodically throughout the year, which are counted as a percentage of their grades. ****STUDENTS WHO OPT TO JOIN THE JAZZ CHOIR, WHICH MEETS BEFORE SCHOOL, ARE REQUIRED TO ENROLL IN THIS CLASS.**

GRADE 6 BEGINNING BAND: Beginning band is open to all sixth-grade students and is designed for students who want to learn how to play an instrument that is a part of the modern wind band ensemble (see list below). The majority of the time spent in the sixth-grade band is dedicated to learning how to play a

musical instrument with an emphasis on technique, music theory, and music history. This ensemble will perform at least two concerts throughout the school year. Previous knowledge of music is not required. Band instruments from which to choose: Flute, Oboe, Bassoon, Clarinet, Bass Clarinet, Alto Saxophone, Tenor Saxophone, Baritone Saxophone, Trumpet (or Cornet), French Horn, Trombone, Baritone (or Euphonium), Tuba, Bells, (bell kit required) (limit 8). Priority for school instruments will be given to those who otherwise could not afford to rent an instrument through music stores. School rentals are offered on a first-come, first-served basis for \$75 per semester.

ORCHESTRA: Sixth-grade orchestra builds on the skills learned in elementary school. More advanced music and vibrato skills are introduced. This class is not designed for beginning strings students. Home practice will be required as a portion of their grade. Students who are currently enrolled in the elementary strings program are encouraged to continue in the orchestra. A limited number of instruments are available through the school. School rental fees per semester are \$50 for violins, violas, and cellos. Music stores also have rentals for a slightly higher rate.

FITNESS, MOVEMENT, SPORT & HEALTH (FMSH) - *Three quarters taught in conjunction with Art:*

FMSH is taught in conjunction with Art. Three quarters of the year will be spent in FMSH and a single quarter in Art. The purpose of Fitness, Movement, Sport and Health at Lincoln Middle School is to create a safe environment for students to take positive risks, experience a variety of activities that promote healthy and fit lifestyles, and understand the benefit of purposeful movement. Students will also learn accurate health information that encourages positive life choices and influences, and demonstrate growth in their knowledge, understanding, and application of the Washington State Physical Education and Health Education Standards and important concepts.

ART FUNDAMENTALS - *One quarter taught in conjunction with Fitness, Movement, Sport & Health:*

Art is taught in conjunction with FMSH. One quarter of the year will be spent on Art. In this course, students will be introduced to a variety of mediums and techniques to learn about the elements and principles of art. Students will also be exposed to art development across cultures and history, and explore how these contexts relate to their own work. Students will work in both 2D and 3D media, with an emphasis on exploration, creativity, and understanding of basic concepts. Drawing, painting, ceramics, and papier-mâché will be among the media explored throughout the quarter.

GRADE 7 REQUIRED COURSE DESCRIPTIONS School Year: 2025-2026

MATH OPTIONS:

MATH 7: This course teaches in-depth the 7th grade mathematical standards that are aligned with the Common Core Standards. Instructional time will be focused on four critical areas: (1) developing an understanding of and applying proportional relationships; (2) developing an understanding of operations with rational numbers and working with expressions and linear equations; (3) solving problems involving scale drawings and informal geometric constructions and working with two- and three-dimensional shapes to solve problems involving area, surface area, and volume; and (4) drawing inferences about populations based on samples.

MATH 7/8: This class is offered to qualifying grade 7 math students who have successfully completed math 6/7 in 6th grade. The instructional time during this class will focus on 8th grade math standards. Additionally, we will complete coverage of the 7th grade math standards (those not covered in Math 6/7). See descriptions regarding Math 7 and Math 8 in the course descriptions.

ENGLISH / LITERATURE BLOCK CLASS: This class is designed to provide students with an integrated approach to learning language arts and literature. This program will emphasize effective communication through reading, writing, speaking, and listening as the students better understand themselves and others. Organization, study, and keyboarding skills will be reinforced throughout the year. In addition to the literature anthology, the students will read *The Outsiders* and the graphic novel *March* as special literary units.

SOCIAL STUDIES: This course will cover world societies from 476 CE to 1450 CE. Societies covered will include European, Middle Eastern, and African kingdoms. Additionally, this course includes exposure to Washington State History (WSH). Successful completion of WSH will comply with the Washington State High School Graduation Milestone requirement.

SCIENCE: Seventh-grade science is a year-long, lab-based course covering the three branches of science: Physical, Life and Earth & Space. Physical Science involves chemistry and how atoms are the building blocks of everything on Earth. Life Science explores microscopic cells and macroscopic ecosystems. Earth Science investigates how humans affect those ecosystems. While learning the science behind those topics, we strengthen our Science and Engineering Practices (SEPs) including making observations, interpreting data and asking questions. These are aligned with Next Generation Science Standards as adopted by Washington State.

FITNESS, MOVEMENT, SPORT & HEALTH (FMSH): The purpose of Fitness, Movement, Sport and Health at Lincoln Middle School is to create a safe environment for students to take positive risks, demonstrate their knowledge in a variety of activities that promote healthy and fit lifestyles, and to understand the benefit of purposeful movement. Students will also learn accurate health information

The course will address: (1) formulating, reasoning and solving linear, exponential and quadratic expressions and equations; (2) deriving and modeling with linear, exponential and quadratic functions; (3) formulating and analyzing statistical questions, including questions resulting in one and two-variable data. *The grade in this class will automatically be included on the high school transcript.*

ENGLISH / LITERATURE BLOCK CLASS: This class focuses on a variety of reading, writing, language, and speaking and listening skills. Students will be building reading and writing stamina. In reading, students will be reading to identify narrative/elaboration/rhetorical strategies in writing and other passages (fiction and non-fiction). Reading comprehension includes inferring and analyzing text in short responses, including creating a claim, citing evidence, explaining evidence, and using transitions. Novel reading includes discussions in the form of Socratic Seminars and extended activities which aid in reviewing and mastering reading skills. In writing, students will be learning the writing process (brainstorming, narrowing a topic, organizing an essay, writing with elaboration/rhetorical strategies, writing effective introductions and conclusions).

SOCIAL STUDIES: In this semester-long course, students will explore American history, civics and government from the early colonial period through the Civil War and Reconstruction, examining key events, figures, and movements that shaped the nation.

ATHLETICS/ACTIVITIES

ATHLETICS/ACTIVITIES DIRECTOR

Wendy Kruger

ATHLETICS/ACTIVITIES HANDBOOK

The PSD Athletics and Activities Handbook outlines the expectations for participation in PHS Athletics and Activities. This document can be found on the high school website or by [clicking here](#). A printed paper version is available upon request at the PHS office.

GENERAL INFORMATION

ELEVATOR USE

Elevators are for the use of students and visitors who require physical assistance getting to any designated individual floor. Students who misuse the elevators for purposes other than necessary mobility purposes may be subject to school discipline.

GRADES

Grades will be issued to all students after 6 weeks, 12 weeks and 18 weeks for each semester. The 18-week grade will represent the semester grade. Grades may be checked at any time by Family Access. Login information and passwords for students and families are available through the office.

HEALTH SERVICES

In the event of illness or injury at school, report to the office and contact a secretary or the school nurse. Excused absences for leaving campus or time spent in the Health Room can be obtained only if you have checked in and out with an office staff person. If a student has a temperature 100 degrees Fahrenheit or over they need to stay home for **24** hours after their temperature has returned to normal without the help of fever-reducing medications such as Ibuprofen or Acetaminophen.

LOCKERS

Students can be assigned a locker for the storage of books and equipment. It is the student's responsibility to see that their locker is kept locked and in order at all times. Combination locks for P.E. and athletics purchased through the school are the only locks to be used; all others will be cut and removed. The lock you purchase from the school is yours to keep, use the same lock for your entire enrollment at PHS. Since lockers are a permanent part of the building, students are expected to keep them in good, usable condition. Switching of lockers is not permitted.

Since lockers and desks are school property, the school has the right to make a school-wide search of these areas at any time as it is the school district's duty to protect students and ensure that school property is lawfully used.

Students are reminded that valuable items should not be stored in lockers. The school cannot assume any responsibility for items left in lockers. Lockers are issued as a convenience to students, but are not intended to provide storage for valuables. Lost or stolen items should be reported to the main office and School Resource Officer.

PARENT/STAFF COMMUNICATION

Parents are encouraged to confer with school personnel about their students as needed throughout the year. Teachers can be contacted before 8:20 AM, after 2:50 PM or during their planning period. If visiting the school, please make an appointment with the teacher prior to your visit. Email will be responded to within two school days.

STUDENT IDENTIFICATION CARDS

Students will receive an identification card shortly after the beginning of the school year. Lost or stolen cards/validation stickers can be replaced by contacting the ASB secretary. It may be necessary to present the I.D. card for identification at any school function or be denied access to the activity.

VISITORS OF STUDENTS

Non-PHS students wishing to visit the PHS campus during the school day must receive prior approval at least two weeks in advance of the planned visit from a PHS administrator. DRAFT

PROCEDURES AND POLICIES

ACCIDENTS

All injuries should be reported to the nurse's office. It is the teacher's responsibility to turn in a completed accident report to the nurse. If the nurse or office staff decide that the individual should be sent to a doctor, parents and/or emergency medical services will be contacted. Under no circumstances should a student leave school and go to the doctor for an injury sustained at school without checking out in the office.

ASSISTANCE

Students experiencing difficulties or having concerns should contact a teacher, counselor, office personnel, or administrator to assist in resolving the matter before it becomes a problem. For students experiencing academic difficulties, the Student Learning Center, located in the library is open Monday-Thursday, 2:50-4:00. Tutors are available. Information and assistance are available to all students.

ANNOUNCEMENTS

Announcements are made each morning at 8:20. It is the students' responsibility to ensure that they have heard announcements. If you wish to have announcements made regarding school activities, you must have the announcement signed by a teacher or advisor, and/or by an administrator. Forms are available in the main office.

COUNSELING AND GUIDANCE SERVICES

The philosophy of the Counseling Department at Pullman High School is that each individual will be recognized and accepted as a person of worth, a person of ability, a person with rights, a person with potential and a person who can and does accept responsibility. It is the purpose of the counseling staff to pursue the fulfillment of these concepts. In so doing, it is recognized that individuals have differences and that developmental needs vary.

Pullman High School's counselors are qualified to assist students with planning an academic program, whether it leads to a college or a vocation; assisting in resolving personal problems; and to generally orient them to school and to life. In providing this assistance, the counseling staff may provide; occupational, educational and military information; consultation; coordination; orientation; referral; placement (when possible); follow-up (when possible); and research and program development. Referrals for individual and drug and alcohol issues are coordinated through the counseling office.

DANCES

Dances are held for the enjoyment and participation of PHS students. All school rules for dress and behavior apply to all dances and activities. Students may be asked to be tested for illegal substances and/or to leave the event. Students must have a valid student ID to purchase dance tickets. This applies to the four "formal" dances: Homecoming, Winter Ball, Tolo and Prom. Any approved guest or visitor attending a PHS dance (non PHS students), must present a valid ID (ASB or License/Permit) at the door. All dances are closed-door events. Checkouts are not permitted. Once you leave you may not re-enter. Several forms of dance (i.e. bumping, freaking, grinding, and mosh pits) are not appropriate at a high school function. Discipline may be assigned for inappropriate behavior. Ask the activity chaperone for more details.

Visitors wishing to attend a PHS dance must have a registered PHS student sponsor who will obtain and turn in an approved visitor's dance pass form to the assistant principal's office by 3:00 pm at least three days prior to the event. Visitors must be under age 21 and at least in 9th grade. A PHS student may host only one guest per dance. An administrator may refuse or revoke a dance visitor pass for any reason at any time. Guest passes will only be issued for the following four dances: Homecoming, Winter Ball, Tolo, and Prom. All dances must be approved through the ASB.

GENERAL CLASS REQUIREMENTS

All PHS students must take a minimum of six credit-producing classes per semester. Running Start students or students with extenuating circumstances may be granted an exception to this policy by the principal when it is determined that an exception is in the student's best interests.

GRADUATION REQUIREMENTS

Specific Graduation Requirements, Graduation Pathways, and Course Details can be found in the 2025-2026 PHS Course Guide. This document can be found on the high school website or by [clicking here](#). A printed paper version is available upon request at the PHS office.

OTHER PHS GRADUATION INFORMATION

Grade Point Average

A grade point average (GPA) will be computed for each student who completes any course(s) taken for letter grades. The thousandths place decimal is used for these computations. Our GPA will not be rounded and is not weighted. Detailed GPA information can be found under Grading Regulations in this document.

Class Rank

A numerical rank in class will be determined by using the grade point average (GPA) of each student using the standard grading system. Pullman High School uses an unweighted GPA scale. Exchange students will not be ranked. Students who transfer to PHS with a semester or more of P's on their transcript will not be ranked. Students with unaccredited coursework will not be ranked. Unranked students will not be eligible for honors designations or awards based that are based on rank.

Graduating with Honors

Students who have met the following criteria will be considered as graduating with honors from Pullman High School. These students will receive an honor cord at the graduation ceremony:

- A student must be included in the class rank and

- No more than two (2) credits of Pass/Fail courses during their last two years and
- The student must be enrolled in a least five (6) standard graded classes for high school credit in both semesters during their senior year

Valedictorian and Salutatorian

Ranked Seniors who attain a 4.00 GPA at the end of their 7th semester of high school will be considered a Pullman High School Valedictorian. Pullman High School will honor as many students with this status as have met the requirement. The next ranked GPA will be recognized as Salutatorian and may also be shared by multiple students if they have a matching GPA to the thousandths decimal place.

The Seal of Biliteracy

The Washington State Seal of Biliteracy recognizes public high school graduates who have attained a high level of proficiency in speaking, reading and writing in one or more world languages in addition to English. Graduating students can earn this distinction by meeting all English Language Arts graduation requirements and earn the equivalent of 4 years high school World Language. This can be done by earning four credits in a world language; demonstrating mastery through proficiency testing; or earning a score of three or higher on an AP World Language exam. The Seal of Biliteracy is acknowledged on the student's final transcript.

SCHEDULE CHANGES

Students are expected to request classes that fit their High School and Beyond Plan. If a change becomes necessary, **students must email a request to their guidance counselor** which includes the reasons for the requested schedule change. Any schedule changes will be considered only under exceptional circumstances. If a scheduling mistake was made by school personnel, appropriate corrections will be made.

Deadlines/Grading for Schedule Changes

Changes to scheduled classes may be requested during the first seven days of each semester. Deadlines for schedule change requests for the 2025-2026 school year:

Semester 1 – Friday, September 5, 2025 **Semester 2** – Tuesday, February 3, 2026

Students are expected to complete (catch up) on all assignments for classes they join late. Classes dropped before the end of the fourth week of each semester will be graded out with a W. Classes dropped after the fourth week of each semester will be graded out with an F.

Approval or Denial for Schedule Changes

Schedule changes may only be made during the add/drop period for each semester. The request cannot be based on personal preference (want a different teacher, want a different lunch, want to switch to be with friends, etc.) If the request does not fit the following criteria a schedule change will not be granted.

- Space availability in class requested.
- Compatibility with graduation requirements and the student's High School and Beyond Plan.
- The student has not met the prerequisites of a currently scheduled course.
- Technical errors in the student's schedule, such as, placed in a course that was not requested.

Documentation includes, but is not limited to: notes from medical professionals, notes from parents/guardians, notes from teachers. In all cases, the school has the right to verify all absences, up to and including requiring notes from medical personnel. School Board Policy and Procedure 3122 can be found at: <https://app.eduportal.com/documents/view/496287>

Excused Daily Absences

The following are valid excuses for absences from school: (WAC 392-401-020 Excused absences)

A school principal or designee has the authority to determine if an absence meets the above criteria for an excused absence. Districts may define additional categories or criteria for excused absences.

How to Excuse an Absence

We encourage parents and students to keep track of all absences and take care of excused absences right away. While the responsibility for school attendance belongs with parent(s) or guardian(s), high school students assume the primary responsibility for their attendance. Students should check in with the attendance office upon their return to school. Absences need to be excused within 48 hours of the student returning to school, after 48 hours the absence may be left unexcused.

To excuse an absence:

- Call the attendance office (509) 332 -1551
- Send a note with the student
- Email the attendance office at PHS-Attendance@psd267.org

Absences covered by fraudulent notes or phone calls will be marked unexcused. The student will be assigned discipline under Forgeries.

Upon returning from school, students without an excuse will be issued a detention note. Students have two (2) days to have an absence excused or it will remain permanently unexcused. An Assistant Principal must approve any exceptions to this rule. Dealing with attendance related issues during class time might result in the assignment of a tardy in that class.

MAKING UP MISSED WORK

Students will have no less than the number of classes missed to make up any assignment, project, or presentation missed due to an excused absence listed above (i.e. one class missed equals one class to complete make up work). Individual teachers may extend this time through classroom policies and procedures or on an individual basis. Note: Work assigned prior to the absence and due the day of the absence will be due upon the student returning to class. Work cannot be made up that is due, or assigned, on the day of (or class period) that is an unexcused absence.

ILLNESS AT SCHOOL

If a student becomes ill at school, they must get permission from the teacher to report to the nurse's office. The office personnel will determine whether the student should be sent home, return to class or remain in the nurse's office. Failure to report to the nurse's office and sign out may result in truancy.

ATTENDANCE DISCIPLINARY ACTIONS (SBP 3241P)

TARDIES

Students who report late for class without a written excuse from the office will be considered tardy. Students more than 10 minutes late to a class may be considered absent rather than tardy.

Possible responses to behavior could include: warning, parent contact, detention, and further discipline.

UNEXCUSED ABSENCES AND TRUANCY

An unexcused absence will apply to any period missed without valid excuse including:

- Student leaves school without having parental permission and signing out in the office.
- Student is absent from class without parent or legal guardian or teacher permission.
- Student fails to go to an area for which permission was granted or goes to an area without permission.

HARASSMENT/BULLYING/CYBERBULLYING

The District is committed to a safe and civil educational environment for all students, employees, volunteers, and patrons, free from harassment, intimidation or bullying. “Harassment, intimidation or bullying” means any intentional written, verbal, or physical act, including but not limited to one shown to be motivated by any characteristic in RCW 9A.36.080(3), (race, color, religion, ancestry, national origin, gender, sexual orientation including gender expression or identity, or mental or physical disability), or other distinguishing characteristics, when the intentional written, verbal, or physical act:

- Physically harms a student or damages the student’s property; or
- Has the effect of substantially interfering with a student’s education; or
- Is so severe, persistent, or pervasive that it creates an intimidating or threatening educational environment; or
- Has the effect of substantially disrupting the orderly operation of the school.

Nothing in this section requires the affected student to actually possess a characteristic that is a basis for the harassment, intimidation, or bullying. “Other distinguishing characteristics” can included but are not limited to: physical appearance, clothing or other apparel, socioeconomic status, gender identity, and marital status. Harassment, intimidation or bullying can take many forms including: slurs, rumors, jokes, innuendoes, demeaning comments, drawings, cartoons, pranks, gestures, physical attacks, threats, or other written, oral or physical actions. “Intentional acts” refers to the individual’s choice to engage in the act rather than the ultimate impact of the action(s). Encouraging or inciting harassment, intimidation or bullying behavior of others may constitute participation in that behavior.

This policy is not intended to prohibit expression of religious, philosophical, or political views, provided that the expression does not substantially disrupt the educational environment. Many behaviors that do not rise to the level of harassment, intimidation or bullying may still be prohibited by other district policies or building, classroom, or program rules. The district has a reporting form that can be found at:

<https://app.eduportal.com/documents/view/686057> or in any school building.

HAZING/HARASSMENT- VERBAL AND PHYSICAL

All students and employees will deal with all persons in a manner which conveys respect for individuals regardless of race, color, marital status, national origin, creed, religion, gender, sexual preference, age, or disability. Acts of harassment, hazing, hostility, or defamation, whether verbal, written, or physical, will not be tolerated. Any demeaning form of on-campus or off-campus hazing or harassment which is related to school issues and is used to initiate or humiliate another student or staff member constitutes grounds for disciplinary action including suspension and/or expulsion. Harassment is against the law; police may be notified.

Possible responses to behavior could include: parent contact, conference with AP/Counselor, restorative practices, detentions and further discipline.

HARASSMENT- SEXUAL

The district is committed to maintaining learning and working environments that are free from all forms of discrimination, including sexual harassment. The district prohibits sexual harassment in any form by employees, students, volunteers, and others involved in school district activities.

Sexual harassment can occur adult to student, student to adult, student to student, adult to adult, male to female, female to male, male to male and female to female.

As a first step, any individual who believes they have been sexually harassed is encouraged to directly inform the harasser the behavior is offensive, unwelcome, and must stop.

Sexual harassment may include, but is not limited to:

- Pressure for dates or sexual activity;
- Penalizing a person for refusing to submit to a sexual advance, or providing a benefit to someone who does;

- Standing too close, inappropriately touching, cornering or stalking a person; or
- Offensive sexual graffiti, pictures, or photographs;
- Hazing, pranks, or other intimidating behavior directed toward an individual in the educational environment.
- Sexual jokes or teasing.

Any student who believes that they have been subjected to sexual harassment in the educational environment is strongly encouraged to bring his or her complaint to the immediate attention of any adult staff member. Third party harassment will also be disciplined under this section.

Engaging in sexual harassment will result in appropriate disciplinary action up to and including suspension or other appropriate sanctions against offending staff and contractors. No person shall be retaliated against for making a report of sexual harassment or for providing testimony or assisting in the investigation of such a report. Retaliation will lead to disciplinary action against the offender.

HANDBOOK

The PHS & LMS Athletics & Activities Handbook is a sub-handbook under the [Pullman School District Family & Student Handbook](#) and [WIAA Handbook](#). All expectations of this Athletics & Activities Handbook are in addition to those expectations outlined in the PHS & LMS Family and Student Handbook and WIAA Handbook appendices. PHS & LMS value Student-Athletes and Club Members and require them to be students first. Participants must prioritize commitments accordingly to be a successful student and to meet the requirements of extra-curricular activities if PHS & LMS students choose to participate. Athletes and Club members may miss a significant amount of school and thus must be proactive in their actions and prior planning. Communication is key for Club Members and Athletes to be successful in working with teachers, coaches, advisors and school administration; participants are encouraged to reach out to PHS & LMS staff when needed to ensure positive experiences.

The Pullman School District interscholastic athletic & activities program is designed to provide opportunities for as many students as possible so that each student may reach their potential. Pullman School District takes pride in its fine tradition of academic and extra-curricular accomplishments. Students who attend Pullman High School and Lincoln Middle School are of high caliber and responsible character. This handbook serves to remind students, their parents/guardians, coaches and advisors that excellence, both in extra-curricular participation and in classroom performance, necessitates self-responsibility and self-discipline. It is to this end that interscholastic sport and club participants, their parents/guardians, coaches, advisors, and the community are asked to pledge their support to the following guidelines.

The interscholastic athletic program and club participation are completely voluntary. Participation is not required for graduation. Involvement in the athletic and activity program, however, do require extra effort and extra time on a voluntary basis beyond the regular school day. Although interscholastic athletics and club participation is voluntary, those participating do represent their student bodies and community. Therefore, standards, citizenship, sportsmanship, conduct, and reliability must be maintained at a high level. The total school program is reflected in the interscholastic athletic and activity program.

The selection of team members is necessary. However, the selection of team members is not based solely upon skill and performance, but also upon attitude, conduct, cooperation, reliability and an earnest and sincere desire by the student to participate on the team in a fashion that complements the school and the community.

We believe there is a positive correlation between an student's performance and their adherence to specific training practices. Following are rules and regulations concerning interscholastic athletics and club participation for all of our students in the Pullman School District.

The Pullman School District Board of Directors and the Pullman School District shall provide equal educational opportunity and treatment for all students in all aspects of the academic and activities programs without regard to race, religion, creed, color, national origin, age, honorably-discharged veteran or military status, sex, sexual orientation (including gender expression or identity), marital status, the presence of any sensory, mental or physical disability, participation in the Boy Scouts of America or the use of a trained dog guide or service animal by a person with a disability. The district will provide equal access to the Boy Scouts of America and all other designated youth groups listed in Title 36 of the United States Code as a patriotic society. District programs will be free from sexual harassment. The following employees have been designated to handle questions and complaints of alleged discrimination: Civil Rights Coordinator and Title IX Coordinator, Assistant Superintendent, (509) 332-3144, compliancecoord@psd267.org, and Section 504/ADA Coordinator, Assistant Superintendent (509) 332-3144, compliancecoord@psd267.org, 240 SE Dexter Street, Pullman, WA 99163. Applicants with disabilities may request reasonable accommodations in the application process by contacting the Personnel Coordinator at (509) 332-3584.

Title IX inquiries may also be directed toward the U.S. Department of Education, Office of Civil Rights (OCR): <https://www.ed.gov/about/ed-offices/ocr>.

GUIDELINES & STANDARDS

PSD & WIAA General Rules & Regulation Statements

Pullman School District is a member of the Washington Interscholastic Activities Association (WIAA) and must comply with the rules as stipulated by the [WIAA Handbook](#). All athletes and club members are also held accountable for meeting expectations in the [PSD Family & Student Handbook](#).

Students, school staff, and school boards of member school districts in all interscholastic relationships are obligated to practice and promote the highest principles of sportsmanship

Students, Parents, Advisors/Coaches Code of Ethics

It is the duty of all concerned with school athletics/activities:

- To emphasize the proper ideals of sportsmanship, ethical conduct, and fair play.
- To eliminate all possibilities which tend to destroy the best values of competition.
- To stress the values derived from competing fairly.
- To show cordial courtesy to visiting teams and officials.
- To establish a friendly relationship between visitors and hosts.
- To respect the integrity and judgment of officials.
- To achieve a thorough understanding and acceptance of the rules of the game and the standards of eligibility.
- To encourage leadership, use initiative, and good judgment by the competitors.
- To recognize that the purpose of athletics is to promote the physical, mental, moral, social, and emotional well-being of the individual competitors.
- To remember that an athletic/activity contest is only a game/competition, not a matter of life or death for players/contestants, fans/parents, coaches/advisors, officials of the school.
- As a representative of Pullman School District, students, coaches/advisors, students, parents, and teachers should make every attempt to demonstrate exemplary behavior and respect and follow the rules, both within Pullman School Campuses and while visiting other campuses.

Sportsmanship

Athletics and activities exist for their educational value. All those in attendance to Pullman School District Sporting events are expected to meet the expectations established by the WIAA and Greater Spokane League for sportsmanship. Your actions and conduct as spectators and participants at athletic/activity events should be positive, respectful, exhibit responsible behavior, and be supportive. Sportsmanship is modeling honor and respect through positive leadership by all participants and spectators present. All other school rules apply to activities and athletics:

Participants and spectators who fail to meet these expectations can face the following consequences depending on the severity of their actions.

1. Warning
2. Removal from event and/or school discipline
3. Permanent ban from school events

Please refer to [Pullman School District Policy 4600 Spectator Conduct and Sportsmanship](#) for more information regarding spectator expectations.

Communication

Communication Between Student, Advisors/Coaches & Parents

When a student becomes involved in athletics or activities at PHS or LMS, students are expected to communicate with coaches/advisors to advocate and seek resolution for themselves. When these communication opportunities are taken, they provide students with experience in navigating potentially difficult situations and allows them to gain confidence in their communication and resolution skills. Participants and parents have the right to clear, concise communication of the program's expectations. This should include game/competition and practice schedules, review of team and school rules and regulations, transportation procedures, injury reporting, program philosophy and reviewing the process for addressing concerns. These issues should be addressed at the pre-season participant/parent meeting that each head coach/advisor is responsible for organizing and promoting. It is the participants and parents' responsibility to contact the coach/advisor if they are not able to attend the meeting and the coach/advisor will then provide you with the important information discussed at the meeting. If parents have questions, the first step is to ask your student to seek information from their coach or advisor.

Typically, students are valued for the opportunity they provide to exhibit and develop both character, knowledge, and skill. There will be times when participants and parents will be challenged with difficult situations. Examples could include lack of playing/participation time, not making the starting lineup or top team/group, feelings of being mistreated or neglected, differences of philosophy, etc. In all cases the solution lies in communication. Our primary goal is that of developing students who are prepared to meet the challenges of today and life after high school.

The following procedures will be used when addressing concerns:

1. Students address concerns with the coach/advisor. In some cases, students are reluctant to approach their coach/advisor. In that case the building's AD/assistant principal can help facilitate a meeting.
2. If a satisfactory solution does not occur, the student should address the issue with the AD/assistant principal. At that time, a meeting with the student-athlete, coach, and AD/assistant principal may be appropriate. In some cases, other solutions as determined by all concerned parties may be agreed upon.
3. After the student has exhausted all avenues for resolution outlined above, it is then appropriate for the parent or guardian to contact the coach/advisor and/or AD/assistant principal.

It should be noted that parents are encouraged to contact the coach/advisor or Athletic Director when concerns arise if the student has not been able to find resolution. In the event that parents do contact the coach or AD, parties will work together to facilitate the process described above. This process empowers students to work through problems utilizing the concept of chain of command and communication skills. This serves as a real world learning experience for students.

Social Media Conduct

Social media has become ingrained in today's society. The wide variety of social networking tools presently available provides students easy access to share important news and events with each other. Social media technologies such as Twitter, Facebook, Instagram, Snapchat, Internet forums, weblogs, social blogs, micro blogging, Wikis, podcasts, photographs, video rating, social bookmarking and others have many benefits in our world; however, they can also be disruptive when inappropriate social media postings occur. Using these communication tools in an inappropriate manner can have negative consequences, especially if unkind words or threats are used with intent to hurt others.

Pullman School District recognizes and supports its students', coaches', and advisors' rights to freedom of speech, expression and association, including the use of social networks. In this context, each student, coach, and/or advisor must remember that participating and competing for the Pullman School District is a privilege, not a right. The student, coach, and/or advisor represent their school and the school district, and therefore, they are expected to portray themselves, their teams, and their high school in a positive manner at all times. Any online postings must be consistent with federal and state laws, as well as team, school, and school district rules and regulations (including those listed below).

Please refer to Pullman School District Board Policies & Procedures [2022/2022P](#) Electronic Resources and Internet Safety for Students, and [3207/3207P](#) Prohibition of Harassment, Intimidation, and Bullying of Students for specifically prohibited behaviors which include but are not limited to:

1. Sexually explicit, profane, lewd, indecent, illegal, or defamatory language/actions.
2. Derogatory language regarding school personnel or other students.
3. Comments designed to harass or bully students or school personnel.
4. Nude, sexually-oriented, or indecent photos, images or altered pictures.

Any authorized or unauthorized use in school or out of school of computer software, computer networks, telecommunications devices, information technology and related technologies, which disrupts or interferes with the educational process or activity, in any manner, is prohibited and may result in removal from the team or activity and a recommendation for further discipline consistent with school district policy may occur.

Two or More Conflicting PSD Activities

Pullman High School and Lincoln Middle School provide a wide variety of extra-curricular and curricular activities in which students are encouraged to participate. It is not the intention of the school for participation to be limited to a single activity. In fact, research shows that a student's satisfaction with the high school experience is enhanced if they are involved in two or more activities. It is important, however, that students avoid ongoing activities with schedules that regularly conflict. Students will also be expected to prioritize school activities ahead of non-school activities. Failure to do so can result in appropriate consequence at the discretion of the coach, advisor or director.

-As much as possible, students should be provided in advance with schedules for each activity so they can avoid conflicts among activities. In cases where an unforeseen, unforeseeable or exceptional conflict arises between two or more school sponsored activities, the student shall have their choice of which to attend without punitive measures being taken by the other activity sponsor. Athletic teams must follow WIAA Rule 18.24.1 which states: Schools may not give students special treatment or privileges on a regular basis to enable them to participate in non-school athletic activities. Some examples of special treatment or privileges include reduced practice times, special workouts, late arrivals, early dismissals or missing a practice or contest. Regular is defined as being more than once.

If participation in a non-class time activity (i.e. concert, etc.) is part of the classroom grade, and the student chooses to participate, as a member, of another school sponsored activity (i.e. FFA, athletics, FBLA, etc.), the instructor must make available a reasonable make-up assignment to satisfy the class requirement.

Special Note Regarding Running Start: For those students who choose Running Start, please be reminded that it is your responsibility to avoid scheduling conflicts with practices and games/matches. Coaches/advisors are not required or encouraged to make exceptions for Running Start students whose class schedules conflict with interscholastic athletic events or practices.

The principal or the principal's designee, following consultation with the student and the activity sponsors, will settle any conflict arising from the meaning or application of this policy.

Multiple Sports At One Time

Student-athletes may not turn out for more than one interscholastic sport at a time, see WIAA rule 18.23.0. Student-athletes may not turn out for intramural sports if participating in an in-season sport at the time. Exceptions to this policy may be made on an individual basis regarding cheerleading or dance but only upon agreement by both the athlete's Coach and the school's Athletic Director or Principal.

ATHLETICS & ACTIVITIES

important

The opportunity to participate in the interscholastic athletic and activities program is a privilege granted to all students of the district. Participants in this voluntary program are expected to follow specific conduct standards established by the principals, athletic coaches and activity advisors. A student who is found by a staff member of the student's school to be in violation of any rules is subject to removal from team or activity. Provision is made for a student who has allegedly violated one or more of the conduct rules to appeal a disciplinary action as specified in this code (see Pullman School District Board [Policy and Procedure 2151P](#)).

The following athletic code will apply from the student's first signed registration form through their athletic/activity eligibility within the Pullman School District. Disciplinary action will carry over from one school year to the next (6th grade -8th grade; 9th grade-12th grade) and will apply both in and out of season.

CODE OF CONDUCT

CODE OF CONDUCT

Pullman School District's extra-curricular activity programs are voluntary. Involvement in the PHS/LMS Athletics and Activities programs require extra effort and time on a voluntary basis beyond the regular school day. Those who choose to participate represent their student body and community in local, regional, and national competitions and events. The highest standards of citizenship, sportsmanship, personal conduct, and loyalty must be maintained. The total school program is reflected in the extra-curricular activities program.

PHS/LMS Code Violations & Appeal Process

Repeated Athletic/Activity Code Offenses

If a student repeatedly violates one of the Athletic and Activities Codes, or other school rules which are of a serious nature as determined by the school administration, they may be removed from the team/activity for all or part of the season. Progressive disciplinary action will be taken according to the severity of the infraction(s) according to the Pullman School District Board Policy 3241 Student Discipline.

Appeal Process for Disciplinary Action

When infractions occur within the athletic/activity program, the following process will be followed:

1. Upon the imposition of the penalty for infraction(s) of said rules or regulations, any aggrieved student and parents of said student shall have the right to an informal conference with the Building Principal and/or Designee, Athletic Director, and Coach/Advisor (Building Hearing Committee) to request that they refrain from enforcing the decision of the coach/advisor. If the students and parents do not make a written request for this informal conference within five (5) school days of the grievous action, they will have waived their right to the conference and appeal procedure. This informal conference is to be held within three (3) school days of the appeals request.
2. If the parties are unable to agree at the informal conference, the aggrieved party may appeal to the Building Eligibility Committee. The Building Eligibility Committee consists of the Assistant principal and three Student Peers and three building Staff Members named by the building Administrator. The Building Eligibility Committee must meet within three (3) days of the appeals request. The aggrieved party and the coach(es) shall be available as a resource.
3. The Building Eligibility Committee will hear the case in detail and will render a decision within three (3) school days after hearing the case.
4. The aggrieved party may appeal to the superintendent of schools within three (3) school days of the appeals decision. The superintendent of schools, after hearing the case in detail, shall render a decision within ten (10) school days of the hearing.
5. The aggrieved party may appeal the superintendent's decision to the Board of Directors, after hearing the case in detail, shall render a decision on the case within ten (10) school days of the hearing. This decision shall be final.

CODE OF CONDUCT

Unsportsmanlike Conduct

Students and Staff shall exhibit appropriate conduct in all practices and/or contests. See [WIAA Handbook 20.0.0](#) for what constitutes an ejection and the sport specific consequences that will be applied. PHS Student Handbook consequences may be applied to Club Members & Advisors as appropriate.

If an athlete is ejected, they are finished for the contest but must remain with the team. If a coach is ejected, they must vacate the playing area/facility, if there is not a qualified assistant coach to supervise/coach the team, the contest will be forfeited.

If an athlete or coach is ejected from a contest, the Athletic Director is to be notified immediately as ejections have to be reported to the WIAA within 1 school business day.

The WIAA appeal process can be followed to try and reverse an ejection if there is valid evidence to do so.

If an athlete or coach's suspension period cannot be completed in the current season, the suspension will be carried over into the succeeding season and the participant must finish that season for their suspension to be complete.

WIAA and Pullman School District may increase a suspension based on upon the aggressive conduct, inappropriate language, and/or circumstances following an ejection.

Safety

Students will follow all safety rules and instructions provided by the Coach/Advisor and will comply with instructions given by Athletic Trainer if present. If an Athletic Trainer is not available, the Coach/Advisor will provide basic first aid and the family will be responsible to seek medical treatment from their family physician. After an absence due to injury, an athlete will provide the coach notice of clearance by the athletic trainer or licensed family physician to return to participation. WIAA protocols for Concussion, When in Doubt Sit Them Out, will be followed and the Return to Play guidelines will be followed.

Parents/Guardians of athletes will register via Final Forms and indicate they have reviewed, understand & accept current concussion and sudden cardiac arrest information and protocols.

CODE OF CONDUCT

Attendance

Attendance at School

Students may not be allowed to participate in an athletic contests/practices or club events if they have unexcused absences during the school day. Families are encouraged to call early in the day if absences need to be excused. Excused absence reasons can be found under Pullman School District Board Policy [3122/3122P](#) Excused and Unexcused Absences & [WAC 392-401-020](#).

The most common, but not exclusive, examples of excused absences are 1) Doctor/Health/Dental Care appointments, 3) Family emergencies deemed extenuating by PHS & LMS administrators, 4) School sponsored activities, 5) Religious Reasons.

If an athlete needs to be absent for another reason than listed above, they are encouraged to pre-arrange(should be more than 24 hours in advance) an absence with the Athletic Director/Coach/Family and Teacher(s) involved for the PHS/LMS Staff to determine if the student has taken care of academic responsibilities in order to approve or deny the absence for the athlete to be able to participate in athletics that day.

Attendance at Team/Club Activities

When a student makes a decision to participate on a team or in an activity, the student is expected to attend each practice and contest/competition on time. If a student must conduct other school or personal business and/or participate in another school activity, the team Coach/Advisor must be notified in advance of the event.

Dress Code

At a minimum, students are to adhere to the Pullman School District Board procedure [3224P](#) Student Dress when participating in athletics and activities. Coaches and Advisors will ensure the team/activity dress code expectations are clear as athletes and club members shall maintain the dress and grooming standards of the team or club.

- First offense: verbal warning.
- Repeated offenses: removed from activity for up to 5 days.

Gambling

Gambling in any form undermines the values of fair play, honesty, and respect that are central to our athletic programs. Gambling is prohibited by student-athletes. Any student, coach, or school staff member who becomes aware of gambling activities involving student-athletes must report the matter to the athletic director or school administration and consequences from the [PHS Student Handbook](#) will be applied.

CODE OF CONDUCT: SUBSTANCE USE/ABUSE

PHS, LMS and WIAA rules and regulations are intended to discourage the use of alcohol, tobacco, nicotine, legend drugs, controlled substances and paraphernalia and to encourage the use of school and community resources.

A PHS or LMS athlete or club member who is found to be using, selling or offering to sell, delivering or in possession of Alcoholic Beverages, Tobacco products, Nicotine products, Marijuana products or devices:

1st Violation - An **in season** participant will be removed from the athletic team or activity for four (4) weeks. Students will be allowed only one "first offense" during their entire middle or high school careers. An **out of season** participant will be allowed to start practice with the team and the 4 week suspension will be started at the beginning of competition/performance season which allows the athlete/club member to be under the purview of the coach/advisor and meet the WIAA minimum practice rule but not be allowed to travel or compete in games for 4 weeks.

2nd Violation - An **in or out of season** participant will be removed from the athletic team or activity for 8 weeks.

3rd Violation - An **in or out of season** participant who again violates the above code will be excluded from all athletic and activity programs in the middle school or high school for one calendar year.

An PHS or LMS athlete or club member who is found to be using, selling or offering to sell, delivering or in possession of Legend Drugs(drugs obtained through prescription, RCW 69.41.020-050) or Controlled Substances (RCW 69.50) or devices(WIAA, 18.26.0):

1st Violation - A participant shall be immediately ineligible for interscholastic competition in the current interscholastic sports program for the remainder of the season. Ineligibility shall continue until the next sports season in which the participant wishes to participate unless the student accesses the assistance program outlined in B (below.) An athlete who is found to be in violation of the Legend drugs and controlled substances rule shall have two options.

A. The athlete will be ineligible for participation in contests for the remainder of that interscholastic sports season and must meet the school's requirements in order to be eligible to compete in the next interscholastic sports season. The school principal will have the final authority regarding the student's participation in further interscholastic sports programs.

B. The athlete may choose to seek and receive help for a problem with use of legend drugs or controlled substances. Successful utilization of school and or community assistance programs described below under Option to Reduce Suspension may allow him/her to have eligibility re-instated in that athletic season, pending recommendation by the school.

2nd Violation - A participant who again violates any provision of RCW 69.41.020 through 69.41.050 or of RCW 69.50 shall be ineligible for interscholastic competition for a period of one (1) calendar year from the date of the second violation.

3rd Violation - A participant who violates for a third time RCW 69.41.020 - 69.41.050 or of RCW 69.50 shall be permanently ineligible for interscholastic competition.

Important Things to Note:

Suspensions carry over into the next season the athlete participates in if there are not enough weeks left in the season to complete suspension. The suspension would start at the time of competitions not at the beginning of season practices. Athlete must participate in the whole season for the suspension to be complete. LMS suspensions do not carry over to PHS.

As per RCW's, that if the school is notified by juvenile services, courts, or law enforcement that evidence of a violation of said rules above have occurred, appropriate discipline can be administered at that time.

It is the expectation of PHS & LMS students as leaders and role models, that they not attend parties or events where alcohol or drugs are being used by minors. Students need to have the courage and self-discipline to leave immediately, and if they choose not to, they will be held in violation of the substance abuse policy above and the consequences listed may be applied.

While suspended from athletics/activities due to a substance violation, athletes or club members may not be allowed to attend PHS or LMS after school extra-curricular events hosted by the school.

[Continued on next page]

CODE OF CONDUCT: SELF-REPORTING

Substance Use, Abuse & Possession: Use, Sale and/or Possession of Alcoholic Beverages, Tobacco, Vape Pens, E-Cigarettes, Marijuana, Illegal Chemical Substances or Opiates:

Self-Reporting

Only available for first offense: If a student self-reports their violation of the illegal substance regulations noted above, it is possible for them to reduce their suspension by 1 week. Self-reporting must happen prior to the initiation of a school investigation, or the report of an incident to school officials, and should be timely in that the student should not partake in team/club activities between the incident and self-reporting. The suspension can be reduced by one week if the self-report is truthful in its entirety and the students/parents agree to the additional conditions under Options to Reduce Suspension below.

Option to Reduce Suspension

For first offense for possession, sale, and/or under the influence of alcoholic beverages, tobacco, vape pens, e-cigarettes, marijuana, or any other illegal chemical substances or opiates, parents will be informed that students who have been excluded by a suspension from athletics prior to completion of suspension, may choose to be evaluated by a state-accredited substance abuse treatment agency (Pursuant to [WAC 275-19](#)). If the parent/guardian and student choose the evaluation option and in order to possibly reduce the suspension by one week, students and parent/guardian must: 1) meet with the athletic administrator, 2) schedule the evaluation within one week of discovery and show proof of scheduled evaluation to the administrator, 3) agree they will follow the health care recommendations of that agency, and 4) bring proof of evaluation and next step on the agency's letterhead. Once those criteria are met, a one-week reduction of the suspension may occur. If there are fewer than four (4) weeks remaining in the season, the penalty will carry over into the next sports season the athlete participates in and be applied at the start of competition.

Reinstatement is contingent upon a health evaluation plan including a specific day for evaluation, and a recovery plan which is acceptable to school officials. Parents will be responsible for the cost of evaluation and treatment recommended by the agency(see Pullman School District Board [Policy 2121](#) Substance Abuse Program). In all cases, if the health care recommendations are not followed the length of suspension will be four (4) weeks.

Note: Refer to the [PSD Family & Student Handbook](#) or your school for violations that occur on school grounds. Athletic and Activity Handbook rules will apply in conjunction with the Student Handbook rules. The athletic and activity code will apply from the student's first signed registration form through their athletic and activity eligibility within the Pullman School District. Disciplinary action will carry over from one school year to the next (6th grade-8th grade; 9th grade-12th grade) and will apply both in and out of season as described above.

ATHLETICS & ACTIVITIES

POSITIVE SCHOOL CLIMATE

Gender Identity & Participation

OUR SCHOOLS ARE GENDER-INCLUSIVE

Pullman School District encourages participation for all students regardless of their gender identity or expression. State rules and regulations require schools to provide transgender and other gender-diverse student-athletes with equal opportunities to participate in athletics. Pullman School District encourages a culture in which student-athletes can compete in a safe and supportive environment, free of discrimination.

In Washington, all students have the right to be treated consistent with their gender identity at school. Our schools will:

- Address students by their requested name and pronouns, with or without a legal name change
- Change a student's gender designation and have their gender accurately reflected in school records
- Allow students to use restrooms and locker rooms that align with their gender identity
- Allow students to participate in sports, physical education courses, field trips, and overnight trips in accordance with their gender identity
- Keep health and education information confidential and private
- Allow students to wear clothing that reflects their gender identity and apply dress codes without regard to a student's gender or perceived gender
- Protect students from teasing, bullying, or harassment based on their gender or gender identity

To review the district's Gender-Inclusive Schools Policy and Procedure, visit:

- Board Policy 3211 Gender-Inclusive Schools:
 - Website Link: <https://app.eduportal.com/documents/view/496365>
- Board Procedure 3211P Gender-Inclusive Schools:
 - Website Link: <https://app.eduportal.com/documents/view/496369>

(Rule 18.16.0, WIAA Handbook) All students have the opportunity to participate in athletics and/or activities in a manner that is consistent with their gender identity. Currently most athletic programs are offered separately for boys and girls. Athletes will participate in programs consistent with their gender identity or the gender most consistently expressed. School personnel responsible for student eligibility will work collaboratively with the student-athlete to determine eligibility. Once the student has been granted eligibility to participate in the sport consistent with their gender identity the eligibility is granted for the duration of the student's participation and does not need to be renewed every sports season of school year

Should a student be declared ineligible on the basis of gender identity, the school administrator shall then contact the WIAA office(WIAA Rule 19.3.3.A). Once contacted, the WIAA office will assign a facilitator who will assist the school and student in preparation and completion of the paperwork associated with the eligibility appeal process if that is requested by the athlete(WIAA Rule 19.3.3.B).

If you have questions or concerns, please contact the Gender-Inclusive Schools Coordinator: Roberta Kramer, Assistant Superintendent by email at rkramer@psd267.org or by phone at (509) 332-3144. For concerns about discrimination or discriminatory harassment based on gender identity or gender expression, please see the information in the section titled Hazing, Harassment, Intimidation, and Bullying.

Hazing

“Hazing” refers to any activity expected of someone joining a group (or to maintain full status in a group) that humiliates, degrades, or risks emotional and/or physical harm, regardless of the person's willingness to participate. Hazing practices can include harmless pranks or comical antics associated with young men/women in athletics and/or activities.

Today we know that hazing extends far beyond athletics and/or activities and is experienced by boys and girls in school groups, athletic teams, and other social and professional organizations. Hazing is a complex social problem that is shaped by power dynamics operating in a group and/or organization and within a particular cultural context.

Hazing activities are generally considered to be physically abusive, hazardous, and/or sexually violating. The specific behaviors or activities within these categories vary widely among participants, groups, and settings. While alcohol use is common in many types of hazing, other examples of typical hazing practices include: personal servitude; sleep deprivation and restrictions on personal hygiene; yelling, swearing and insulting new members/rookies; being forced to wear embarrassing or humiliating attire in public; consumption of vile substances or smearing of such on one's skin; brandings; physical beatings; binge drinking and drinking games; sexual simulation and sexual assault.

Pullman School District is committed to the belief that abusive behavior, harassment, and assault does not build character, does not build leadership skills, and does not foster group loyalty or unity. Hazing is an abuse of power and relationships, and its purpose is to demean others. Therefore, Pullman School District strictly prohibits any and all activities which resemble a hazing / bullying / intimidation/ harassment activity. Possible consequences may be delivered by the coach, Athletic Director, school/district administration, superintendent, and law enforcement. Consequences will also be subject to school district policy and procedure for disciplinary action; refer to Pullman School District [Policy 3207](#) Prohibition of Harassment, Intimidation & Bullying.

HARASSMENT, INTIMIDATION, & BULLYING (HIB)

Our Schools Protect Students from Harassment, Intimidation, and Bullying (HIB)

Schools are meant to be safe and inclusive environments where all students are protected from Harassment, Intimidation, and Bullying (HIB), including in the classroom, on the school bus, in school sports, and during other school activities. This section defines HIB, explains what to do when you see or experience it, and our school's process for responding to it.

What is HIB?

HIB is any intentional electronic, written, verbal, or physical act of a student that:

- Physically harms another student or damages their property;
- Has the effect of greatly interfering with another student's education; or,
- Is so severe, persistent, or significant that it creates an intimidating or threatening education environment for other students.

HIB generally involves an observed or perceived power imbalance and is repeated multiple times or is highly likely to be repeated. HIB is not allowed, by law, in our schools.

How can I make a report or complaint about HIB?

Talk to any school staff member (consider starting with whoever you are most comfortable with!). You may use our district's reporting form to share concerns about HIB ([link to form](#)) but reports about HIB can be made in writing or verbally. Your report can be made anonymously, if you are uncomfortable revealing your identity, or confidentially if you prefer it not be shared with other students involved with the report. No disciplinary action will be taken against another student based **solely** on an anonymous or confidential report.

If a staff member is notified of, observes, overhears, or otherwise witnesses HIB, they must take prompt and appropriate action to stop the HIB behavior and to prevent it from happening again. Our district's HIB Compliance Officer is the Assistant Superintendent and they support prevention and response to HIB.

What happens after I make a report about HIB?

If you report HIB, school staff must attempt to resolve the concerns. If the concerns are resolved, then no further action may be necessary. However, if you feel that you or someone you know is the victim of unresolved, severe, or persistent HIB that requires further investigation and action, then you should request an official HIB investigation. Also, the school must take actions to ensure that those who report HIB don't experience retaliation.

HARASSMENT, INTIMIDATION, & BULLYING (HIB)

What is the investigation process?

When you report a complaint, the HIB Compliance Officer or staff member leading the investigation must notify the families of the students involved with the complaint and must make sure a prompt and thorough investigation takes place. The investigation must be completed within 5 school days, unless you agree on a different timeline. If your complaint involves circumstances that require a longer investigation, the district will notify you with the anticipated date for their response.

When the investigation is complete, the HIB Compliance Officer or the staff member leading the investigation must provide you with the outcomes of the investigation within 2 school days.

This response should include:

- A summary of the results of the investigation
- A determination of whether the HIB is substantiated
- Any corrective measures or remedies needed
- Clear information about how you can appeal the decision

What are the next steps if I disagree with the outcome?

For the student designated as the “targeted student” in a complaint:

If you do not agree with the school district’s decision, you may appeal the decision and include any additional information regarding the complaint to the superintendent, or the person assigned to lead the appeal, and then to the school board.

For the student designated as the “aggressor” in a complaint:

A student found to be an “aggressor” in a HIB complaint may not appeal the decision of a HIB investigation. They can, however, appeal corrective actions that result from the findings of the HIB investigation.

Additional Information

For more information about the HIB complaint process, including important timelines, please see the district’s HIB webpage at the link below:

HIB & DISCRIMINATION

OUR SCHOOLS STAND AGAINST DISCRIMINATION

Discrimination can happen when someone is treated differently or unfairly because they are part of a **protected class**, including their race, color, national origin, sex, gender identity, gender expression, sexual orientation, religion, creed, disability, use of a service animal, or veteran or military status.

What is discriminatory harassment?

Discriminatory harassment can include teasing and name-calling; graphic and written statements; or other conduct that may be physically threatening, harmful, or humiliating. Discriminatory harassment happens when the conduct is based on a student's protected class and is serious enough to create a hostile environment. A **hostile environment** is created when conduct is so severe, pervasive, or persistent that it limits a student's ability to participate in, or benefit from, the school's services, activities, or opportunities.

What is sexual harassment?

Sexual harassment is any unwelcome conduct or communication that is sexual in nature and substantially interferes with a student's educational performance or creates an intimidating or hostile environment. Sexual harassment can also occur when a student is led to believe they must submit to unwelcome sexual conduct or communication to gain something in return, such as a grade or a place on a sports team.

Examples of sexual harassment can include pressuring a person for sexual actions or favors; unwelcome touching of a sexual nature; graphic or written statements of a sexual nature; distributing sexually explicit texts, e-mails, or pictures; making sexual jokes, rumors, or suggestive remarks; and physical violence, including rape and sexual assault.

Our schools do not discriminate based on sex and prohibit sex discrimination in all of our education programs and employment, as required by Title IX and state law.

HIB & DISCRIMINATION

What should my school do about discriminatory and sexual harassment?

When a school becomes aware of possible discriminatory or sexual harassment, it must investigate and stop the harassment. The school must address any effects the harassment had on the student at school, including eliminating the hostile environment, and make sure that the harassment does not happen again.

What can I do if I'm concerned about discrimination or harassment?

Talk to a Coordinator or submit a written complaint.

You may contact the following school district staff members to report your concerns, ask questions, or learn more about how to resolve your concerns.

- Roberta Kramer, Assistant Superintendent
- 240 SE Dexter St.
- Email: rkramer@psd267.org

To submit a written complaint, describe the conduct or incident that may be discriminatory and send it by mail, fax, email, or hand delivery to the school principal, district superintendent, or civil rights coordinator. Submit the complaint as soon as possible for a prompt investigation, and within one year of the conduct or incident.

HIB & DISCRIMINATION

What happens after I file a discrimination complaint?

The Civil Rights Coordinator will give you a copy of the school district's discrimination complaint procedure. The Civil Rights Coordinator must make sure a prompt and thorough investigation takes place. The investigation must be completed within 30 calendar days unless you agree to a different timeline. If your complaint involves exceptional circumstances that require a longer investigation, the Civil Rights Coordinator will notify you in writing with the anticipated date for their response.

When the investigation is complete, the school district superintendent or the staff member leading the investigation will send you a written response. This response will include:

- A summary of the results of the investigation
- A determination of whether the school district failed to comply with civil rights laws
- Any corrective measures or remedies needed
- Notice about how you can appeal the decision

What are the next steps if I disagree with the outcome?

If you do not agree with the outcome of your complaint, you may appeal the decision to the School Board and then to the Office of Superintendent of Public Instruction (OSPI). More information about this process, including important timelines, is included in the district's Nondiscrimination Procedure (3210P) and Sexual Harassment Procedure (3205P).

I already submitted an HIB complaint – *what will my school do?*

Harassment, intimidation, or bullying (HIB) can also be discrimination if it's related to a protected class. If you give your school a written report of HIB that involves discrimination or sexual harassment, your school will notify the Civil Rights Coordinator. The school district will investigate the complaint using both the Nondiscrimination Procedure (3210P) and the HIB Procedure (3207P) to **fully resolve your complaint**.

WIAA & PSD ATHLETIC/ACTIVITIES ELIGIBILITY RULES

Enrollment and Regular Attendance (*Rule 18.10.0, WIAA Handbook*)- Athletics Only

PHS & LMS students shall be enrolled and in regular attendance within the first fifteen (15) school days in a semester or ten (10) school days in a trimester at the start of the current semester/trimester in order to participate in interscholastic contests during the current semester trimester.

Transfer Students (*Rule 18.12.0, WIAA Handbook*)- Athletics Only

After registering with and/or attending a middle level or high school, students changing enrollment to/from one school district to another school district or from one high school to another high school within a multiple high school district shall be considered transferring students. In order to be eligible for varsity competition, transferring students must meet the normal residence requirements of 18.11.0 or the transferring student requirements of 18.12.2, or be granted a waiver under 18.12.3 and 18.12.4. This section shall also apply to those students receiving home based instruction.

A high school student who attends, participated or was eligible to participate for a school, and subsequently transfers to another school will be eligible for sub-varsity only for one (1) calendar year from the date of enrollment at the new school: A. If the student transfers from a public, private, or charter school after: 1) Participating on a non-school athletic team within a calendar year from the date of enrollment at the new school (AAU, American Legion, Club USA, USVBA, or any other non-school program) in which one (1) or more of the high school coaches are currently involved and/or 2) Receiving personal athletic or activities instruction or training, including weight training and conditioning, from a person affiliated with another school to which the student transfers. B. The sub-varsity status would apply even if the entire family moves to a new location within the residential area of the school to which the student transfers.

At the middle school level, student(s) shall not have reached their 15th birthday prior to June 1 of the previous school year. Middle school is defined as a school with at least seventh and eighth grade levels.

WIAA & PSD ATHLETIC/ACTIVITIES ELIGIBILITY RULES

Physical Examination for Players (*Rule 18.4.0, WIAA Handbook*)- Athletics Only

Prior to the first practice for participation in interscholastic athletics a student shall undergo a thorough a sports physical medical examination and be approved for middle level and/or high school interscholastic athletic competition by a medical authority licensed to perform a physical examination. The [WIAA Physical form](#) shall be valid for twenty-four(24) consecutive months(WIAA Rule 18.4.6) and must be submitted to Final Forms for continued eligibility.

To resume participation following an illness and/or injury serious enough to require medical care, a participating athlete must present to the school officials a physician's written release. Athletes & families should not withhold information from the Athletic Trainer or Doctor from whom athletic clearance is being sought. When an athlete is injured during practice or a game all injuries must be reported to the athletic trainer for an accident report(WIAA Rule 18.4.4).

Concussion Testing- Athletics Only

- The Pullman School District has innovative programs for student-athletes that assists our team physicians/athletic trainers in evaluating and treating head injuries (e.g. concussion). In order to better manage concussions sustained by our student-athletes, LMS uses a software tool called IMPACT & PHS uses SWAY. Both programs are computerized exams utilized in many professional, collegiate, and high school sport programs across the country to successfully diagnose and manage concussions. If an athlete is believed to have suffered a head injury during competition, IMPACT/SWAY is used to help determine the severity of the head injury and when the injury has fully healed.
- The computerized exams are given to athletes before beginning sport practices or competition. This non-invasive test is set up in "video game" type format and takes approximately 20 minutes to complete. Essentially, the IMPACT/SWAY test is a preseason physical of the brain. It tracks information such as memory, reaction time, speed and concentration. It is not an IQ test and has no application outside of concussion management and will not be used for any purposes other than for the care of your child should they suffer a concussion.
- If a concussion is suspected, the athlete will be required to retake the test. Both the pre-season and post-injury test data is used by a medical professional to evaluate the injury. The information gathered can also be shared with your family doctor. The test data will enable health professionals to determine when return-to-play is appropriate and safe for the injured athlete. If an injury of this nature occurs to your child, you will be promptly contacted with information.

WIAA & PSD ATHLETIC/ACTIVITIES ELIGIBILITY RULES

Previous Semester Rule (*Rule 18.7.3, WIAA Handbook*)- Athletics Only

The student shall have been in regular attendance as a full time student as defined in 18.10.0, during the semester immediately preceding the semester in which the contest is held.

Amateur Standing (*Rule 18.24.0, WIAA Handbook*)- Athletics Only

A student who represents a school in an interscholastic sport must be an amateur in that sport. An amateur student-athlete is one who engages in athletics for the physical, mental, social, and educational benefits and for whom athletics is an avocation not a source of financial reward.

In order to maintain their amateur standing in those activities under WIAA jurisdiction, they may not:

- Accept merchandise or in-kind gifts of more than \$500 in fair market value per sport during any one calendar year August 1 through July 31. Reduced membership fees or reduced user fees from an athletic club, recreation center, golf courses, etc. do not count toward this \$500.
- Accept cash awards
- Enter competition under a false name
- Accept payment of excessive expense allowances over the actual and necessary expenses for the athletic trip (Note: Entry fees are NOT considered a reimbursable expense.)

Name Image and Likeness (NIL): A student is in violation of this rule and shall immediately lose eligibility if that student, their family member, or anyone else on behalf of that student, enters into an agreement with an individual, corporate entity, partnership, association, or any other party or organization, for use of that student's NIL which in any way relates to the student's connection to their high school.

- This provision is not intended to restrict the right of any student to participate in a commercial endorsement provided there is no affiliation with the school team, school, WIAA District or WIAA state association.
- The student does not appear in the uniform of the student's school and does not utilize the marks, logos, etc. of the school, WIAA District, or WIAA state association as part of any endorsement.
- All PHS Athletes are required to report NIL activities to the PHS Athletic Department to ensure agreements are not tied to athletic performance and contracts are free from enrollment inducements.

Non-School/Club Sports Participation (*Rule 17.25.0, WIAA Handbook*)- Athletics Only

- During any season after joining a school squad, students may not participate on college and/or professional teams in that sport.
- A student is not to be given special treatment or privileges on a regular (more than 1 day a week) basis to enable them to participate in non-school athletics activities, such as reduced practice times, special workouts, late arrivals or early dismissals.
- Students shall not compete in the uniform of their school at non-school events.

WIAA & PSD ATHLETIC/ACTIVITIES ELIGIBILITY RULES

Scholarship Rule/Grade Checks (Rule 18.8.0, WIAA Handbook)

In order to maintain athletic/activity eligibility during the current semester, PHS & LMS students shall be enrolled in at least 3 credits per semester and maintain passing grades in a minimum of five (5) full-time subjects throughout the season. Running Start Students: 1 - 5 credit quarter course = 1 high school credit, 1 - 3 credit semester course = 1 high school credit. Running Start, Home School & Private School Athletes must submit WIAA Education contracts and not drop classes which would put them below 3 credits per semester to remain eligible.

Probation is defined as a period of monitoring student academic progress, while still being eligible to compete. Suspension is defined as the determined period of time that a student is making up academic progress, while not being eligible to compete but may participate in practice.

Preceding Semester Grade Checks: PHS & LMS students shall have passed at least five (5) full-time subjects in the semester preceding their season. The record at the end of the semester shall be final, except for those credits earned in a regular accredited summer school program and accepted by the school district. Incompletes may be made up for credit during the first five weeks of the subsequent semester. The student shall be ineligible for interscholastic competition until the incomplete(s) are cleared.

FALL – An athlete will be placed on academic probation at the start of the fall sport season if they failed to pass at least 5 out of 6 courses (Running Start 3 out of 3 credits) in the second semester of the previous school year. The probation period for high school students shall be from the end of the previous semester through the fourth Saturday in September. The probation period for middle level students shall be from the end of the previous semester through the first three weeks of the succeeding semester. If, at the end of the probation period, the student is passing in the minimum number of classes required above, the student will be removed from probation. If the student fails to meet the academic standards of rule 18.8.4 at the end of the probation period, the student will be suspended for three weeks and will be ineligible for contests/performances. If, at the end of the three-week suspension, a student meets the academic standards, the athlete will be eligible for contests/performances as long as they comply with a school's regular monitoring of academic progress.

WINTER / SPRING - A student who failed to meet the semester grade requirements of 18.8.4 shall be placed on suspension because the grading period ended during the same school year (i.e. second semester for a winter or spring athlete). The suspension period for high school level students shall be the first five (5) weeks of the succeeding semester. If the suspension period falls during a non-school week (as defined in 17.14.1) and the athlete is missing scheduled competition, the week may count toward the five week suspension.

Season Initial Grade Check: In addition to the Preceding Semester grade check, two weeks after the athletic season starts, and every 3-6 weeks thereafter, a grade check will be conducted. This ensures athletes are passing at least 5 out of 6 classes, or equivalent for Running Start students. If a student is not meeting the academic requirements, they will be placed on suspension. Athletes will be eligible to compete once they provide documentation showing grades that meet the eligibility rules.

Ineligible students are expected to practice, *BUT CANNOT* travel, play, compete, or perform with the team/activity. All students are expected to participate in practice during the period between grade checks if they wish to resume as a full member of the squad when they become grade eligible.

CTSO Clubs will follow athletic grade check expectations (passing 5/6) but develop the schedule of grade checks based on annual club activities/competitions.

ATHLETICS & ACTIVITIES

RECRUITING PHILOSOPHY

Recruiting Philosophy & Rules

Students who demonstrate special skills and talent in any of the activities under the jurisdiction of WIAA should not be subjected to pressures to enroll in a member school outside their normal enrollment area. The rules do not prohibit legitimate school public relations, promotion, or marketing.

Efforts to induce students to enroll in a member school because of the student's special talent or skill is considered recruiting. Recruiting of students or attempted recruiting of students for athletic purposes is prohibited, regardless of their residence. (Article 27.0.0, WIAA Handbook)

No student may receive, or be offered, any remuneration of any kind, or to receive or to be offered any special inducement of any kind which is not made available to all applicants who enroll in the school or apply to the school.

Special inducement shall include, but not be limited to the offer or acceptance of:

- Money or other valuable consideration such as free or reduced tuition during the regular year or summer school by anyone connected with the school.
- Room, board, or clothing or financial allotment for clothing
- Pay for work that is not performed or that is in excess of the amount of regularly paid for such service.
- Free transportation by any school-connected person.
- Residence with any school-connected person.
- Any privilege not afforded to non-athletes.
- Free or reduced rent for parents.
- Payment of moving expense of parents or assistance with the moving of parents
- Employment of family unit in order to entice the family to move to a certain community if someone connected with the school makes the offer.
- Help in securing a college athletic scholarship:
 - Inducing or attempting to induce or encourage any prospective student to attend any member school for the purpose of participating in athletics, even when special remuneration or inducement is not given is a violation. No member school and no one acting on behalf of any member school shall give any speech or give any slide, film, or tape presentation or distribute any written material which states or implies that a member school's athletic program is better than the athletic program of any other member school or that it would be more advantageous for any prospective student-athlete to participate in athletics at that member school as opposed to any other school.
 - Member schools shall be responsible for any violation committed by any person associated with the school, including Principals, Assistant Principals, Coaches, Teachers, any other staff members or students, or any organization having any connection to the school. The member schools shall be responsible for any violation committed by any person acting at the direction of the school.

Recruiting Philosophy & Rules

This rule is not intended to prevent a member school from conducting academic recruitment programs or recruitment programs designed to attract student-base upon the school's overall educational and extra-curricular programs of the school and not be used as a subterfuge for recruiting students for athletic purposes.

A student who has enrolled in a different school and has been determined to be recruited will be deemed ineligible at all levels of play and for all sports for one full calendar year. The one (1) year penalty will begin on the day the determination is made that the student has been recruited.

ATHLETICS & ACTIVITIES

TRAINING, TRAVEL & EQUIPMENT GUIDELINES

Equipment & Facility Use

Issued Equipment

- School equipment checked out by the student is their responsibility. Student Athletes are expected to keep it clean and in good condition.
- Loss of issued equipment/supplies or damage to issued equipment will be the student's financial responsibility.
- Transcripts will be withheld should equipment not be returned.
- No student will be cleared for subsequent sports/activity until all equipment is returned or paid for from a previous sport/activity.
- Your locker combination is private; we are not responsible for lost or stolen items.

Wearing Issued Uniforms

- Issued equipment is to be worn only while participating with the team/activity in practice, during a scheduled contest/activity or during a spirit activity. Any use of a school issued uniform outside of these occasions will revoke the student's right to use a school uniform other than for actual contest time. PHS Students can arrange with the Head Coach to borrow a team uniform for senior pictures.
- For athletics, the WIAA prohibits the use of school issued equipment while participating in any event outside the yearly school program or activities not sponsored by the WIAA.

School Equipment and Facilities

- Through their tax dollars, parents and community members are making a substantial investment in student athletics and activities, particularly in the facilities provided by the school district for these pursuits. Therefore, it is important that students exercise personal care and regard for school equipment and facilities.
- Misuse of dressing room facilities, lockers, towels, benches, and gymnasium or field facilities will not be permitted. Failure to comply with this regulation may result in denial of their use.

Season Completion

- Season ends for each sport after the team banquet.
- Students are responsible for cleaning out their locker of personal and school issued belongings within one week of the completion of the season or activity.
- Uniforms/equipment/supplies must be returned to the COACH/ADVISOR WITHIN ONE WEEK of completion of the season or activity or a fine will be applied to the student.

Training/Practice

All student-athletes are reminded that successful participation in any sport requires attention to fitness prior to the start of an athletic season. Fitness means adequate cardiovascular health, endurance, strength, and flexibility. These cannot be achieved in the ten (10) days prior to the first contest. Attention to adequate nutrition and sleep are important before, as well as during athletic seasons. An athlete cannot perform well unless the body is well-rested, well-nourished, and adequately hydrated. Weight loss for its own sake is discouraged unless ordered and supervised by a physician. By keeping in shape in the off-season, athletes begin the season better prepared to improve their athletic skills.

Practice is essential to the achievement of athletic excellence. Athletes are expected to be active, willing, motivated participants in all practices. A positive mental attitude is expected of all sports participants. Student-athletes are expected to find a healthy balance in their lives and maintain physical, psychological, social, and emotional health. This is a difficult but essential task for any adolescent. If student-athletes have questions or want help in healthful conditioning, they are encouraged to see a coach, school nurse, athletic trainer, or the Athletic Director.

Prolonged practices are discouraged. Monday through Friday are considered normal practice days, with an occasional Saturday. NO required practices or sporting events will be allowed on Sunday unless the WIAA regulations are followed and is approved by PSD administration.

Athletic/Activities Travel

Transportation to and from athletic contests and activities will be provided by the Pullman School District during the school year.

- All students must travel to and from contests, competitions, and practices with the team, transportation is provided for this purpose. Students will only be released to their parents/guardians.
- In very rare circumstances, parent/guardians may communicate with the head coach of a program for alternate arrangements which must be approved by the AD or PHS/LMS administrative staff 24 hours or more in advance to give time to reply.
- Each team member will remain with the team and under the supervision of the coaching/advising staff when attending away games, competitions, and conferences.
- Each team member, while traveling to and from contests, competitions, and conferences, will obey all school bus regulations.

PHS Off-Season/Summer Conditioning Programs

Off-season conditioning and/or weight lifting will be allowed during the summer as scheduled by the weight lifting club advisor. During the school year, the weight room may be open one (1) month after the start date of each season. Students must register for weight lifting and pay \$50 per weight lifting session they will participate in.

All off-season conditioning and/or weight lifting areas and or facilities must be scheduled and supervised at all times by a qualified school employee designated by the high school administration.

Off-season conditioning shall not be held in facilities used by in-season sports and should be limited to weight training and/or conditioning and meet WIAA requirements.

Student-athletes participating in off-season conditioning are to be finished and out of the locker room area prior to 4:00pm.

Any student-athlete “cut” from an in-season sport may turn out for off-season conditioning.

Any student-athlete who quits an in-season sport may not turn out for off-season conditioning without the permission of the in-season coach from whose team they quit.

ATHLETICS & ACTIVITIES

THE COLLEGE BOUND ATHLETE

PULLMAN HIGH SCHOOL

PHS Guide to the College Bound Athlete

If you have any intention of participating in college athletics after high school, you need to see the athletic director and school counselor prior to or during your 11th grade year or before to begin the registration process for the NCAA clearinghouse. The sooner this process is started the better.

Please refer to the [PHS Guide to the College Bound Athlete](#) for more information on the recruiting process.

In the event you should be contacted personally by a college recruiter, you have an obligation to work through your coach and the Athletic Department and inform your coach of such contact as soon as possible. This is especially important if it occurs during the time when you are actively participating in the sport at PHS. Check with your coach regarding the rules governing recruiting. Rule violations could result in loss of eligibility.

Athletics & Activities

BOOSTER CLUBS & FUNDRAISING

The goals of the Pullman High School and Lincoln Middle School Booster Clubs are to promote parental and community involvement and support of athletics and activities. Booster clubs will follow the [District ASB Procedural Manual](#).

Any patron of the school district who has a student participating in a Pullman High School or Lincoln Middle School sponsored activity or athletics is encouraged to be a member of the Greyhound Booster Club or the Lincoln Middle School Booster Club. Any patron who has an interest in the school activities or athletic programs is welcome to be a member.

- **The Pullman High Booster Club:**

- Support Pullman High School activities and athletics
- Raise money to enhance activities and athletics

- **The Lincoln Middle School Booster Club:**

- In order to carry on a full extra-curricular activity program, it is necessary for the student to help with expenses for these activities. At LMS we will host an annual fundraiser to raise funds for our student activities. This plan has been efficient and profitable. Information in regards to the fundraiser will be sent out to students in September.

Pioneer Center Room Lease

Executive Summary

May 28 2025

By: Juston Pollestad

Executive Director of Operations

Background:

Pullman School District has been engaged in ongoing discussions with the Montessori School of Pullman regarding the potential use of the Pioneer Center as a future site for Montessori operations.

As part of this exploration, representatives from the Montessori School of Pullman have conducted multiple tours of the Pioneer Center to assess the facility's suitability for their educational programs and operational needs. These tours have allowed both parties to begin identifying any potential adjustments or improvements that may be needed should the facility be leased.

Currently, the District and Montessori School of Pullman are entering the next phase of discussions, focused on the development of a formal lease agreement. The intent of this agreement would be to define the terms, responsibilities, and expectations for both parties regarding the use of the Pioneer Center.

This proposed partnership represents an opportunity to support educational models in Pullman while ensuring effective and sustainable use of district-owned property. Further details and a draft lease will be developed as both organizations continue their collaboration.

Recommended Board Action:

Approve the Pullman School District to develop a lease agreement with the Montessori School of Pullman for use of Pioneer Center.

Motion to Approve

I move that the Board approves Pullman School District to create a lease agreement with Montessori School of Pullman that will be presented to the board at a future meeting.
