A. Introduction and Purpose of Committee

Juston Pollestad provided a presentation to the committee outlining the following:

- Committee Members
- Background Information - Board Policy 2220 School Calendar
- Calendar Parameters
- Calendar Variables
- Work of Committee: To draft calendar drafts for 2026-2027, 2027-2028, and 2028-2029
- Committee Process

B. Start Reviewing and Discussing Calendar Drafts

In small groups composed of representatives from various levels, teams reviewed a preliminary draft of the academic calendars for 2026-27, 2027-28, and 2028-29, which closely mirrors the current academic calendar. During these discussions, committee members suggested changes and proposed ideas to help shape new draft options. The committee explored the idea of creating multiple drafts for each academic year to provide a wider range of options and also discussed the possibility of creating a draft balanced calendar as an option.
