II. Calendar Committee

A. Continue to Review and Refine Working Calendar Drafts for 2026-2027, 2027-2028, and 2028-2029 Academic Calendar Years

The committee continued to refine working calendar drafts for the 2026-2027, 2027-2028, and 2028-2029 academic calendar years.

As a new approach for our community, the committee discussed presenting the calendar options as a three-year package to provide greater consistency and predictability for families and staff.

Voting on a multi-year calendar allows the district to align breaks, support long-term planning, and maintain a stable schedule across school years.

The committee's rationale/discussion for each of the options is provided on a cover page of each calendar option to ensure the committee's discussion is at the forefront of each calendar option.
