Report: Maintenance/Facilities/Asset Preservation Program presented by Juston Pollestad, Executive Director of Operations

The Asset Preservation Program (APP) presentation outlines the district's approach to maintaining school facilities for long-term sustainability. As an OSPI-mandated system, APP ensures efficient facility upkeep to protect public investment, extend building lifespan, maximize taxpayer dollars, and support sustainability goals. The program requires annual inspections, facility condition ratings (FCRs), and long-term maintenance plans, with non-compliance potentially impacting future state funding.
