#### **III. Enrollment**

#### A. Enrollment Update

November 822.80 Avg. 820.7 above average of 819 3-4 applications in process Put enrollment on hold for now; will continue to take new students in primary 5th - currently at 84

Josiah - 7 less students from October students withdrew due to various reasons; No movement is Middle and High School as much as last year

Ken - are there other charter schools to compare SIA? None in this area Morgen can compare year to year

Matt- SPS changed to Middle School grades 6-8; could be a factor

Matt- strategic planning; SIA receives small high school funding. 250-300 students in grades 9-12 qualifies SIA

Next month - provide FTE report (Sam)

#### IV. Head of School Update

Α.

#### **Revision to School-Specific Goals to Commission**

The Commission requires the school to create academic goals. Morgen is re-submitting revised goals after the Fall MAP testing.

Josiah Lara made a motion to approve the revised School Specific Goals. Maureen Rosette seconded the motion. The board **VOTED** unanimously to approve the motion.

#### B. November Update

Morgen Flowers-Washington provided a written update for November before the meeting. <u>https://app2.boardontrack.com/org/tLvVPO/attachment/download/352549</u> Here are some highlights:

#### 1. Renewal process - 2026-2027

Here is the renewal timeline, so far:

- On Nov. 4, 2024, I received an updated document with renewal guidance
- February 3, 2025, SIA receive a renewal performance report from the Commission
- March 5, 2025, the renewal application is due to the Commission, and SIA may submit a response to the performance report including any corrections or clarifications
- April 16-17, 2025 our renewal site visit will take place. Within 14 days of the site visit, the authorizer issues a draft renewal inspection report to SIA
- September 18, 2025 The Commission will discuss and vote on SIA's renewal
- Within 90 days of the renewal decision, SIA works with the commission to establish the terms for the next charter contract; the authorizing board and charter board both vote in public meetings to ratify the new contract

2. Quarterly School Review (QSR) - Morgen and Cassie Anderson met with Oversight Manager Italiana, Scott Canfield, and the Director of School Quality and Accountability, Jess Barton; the same group plus other people will be part of SIA's renewal process.

3. Family Conferences - Family conferences were held on November 12-November 15. Attendance was really good overall. This year, Middle and High School students with a D or lower were encouraged to schedule conferences; and others on an as-needed basis. The next conference will be in March.

4. 10th Anniversary Gala - The celebration and fundraiser is scheduled for Saturday, June 7, 2025, tentatively to be held at SIA. Morgen held a meeting in early November with parents who shared really good ideas and helpful tips for a successful fundraiser.

Ashlee Lent joined at 4:53 pm

5. Transitional Kindergarten (TK) - There is a possibility that the school may offer Transitional kindergarten starting in the 2025-2026 school year. Morgen will meet with Marcus Harden (Executive Director of the Commission) to ask questions and discuss what it would entail to add a Transitional Kindergarten option. This will help with enrollment. Any new program will qualify the school for grants with the Charter School Growth Fund. There is one due on December 3rd.

Monica Lively, a Kindergarten teacher at SIA asked about the age requirement for TK. They have to be 4-year-olds, according to Morgen.

Christine Chavez, a Kindergarten teacher at SIA asked if offering a TK program would affect the total number of enrollments. The answer is Yes.

Jeff Vorhees asked regarding the need to look at other facilities to make room for a TK program. Yes, the Commission said the school can add portable buildings.

Morgen will draft more details after she meets with Marcus Harden.

Jeff Hyslop inquired about how TK will affect the lottery system. Morgen indicated that enrollment for TK will also be through the lottery, the same enrollment process as other grades.

#### C. Calendar

The December and January school calendars were shared with the Board. Let the school know if the Board would like to attend or participate in any of the events.

#### V. Finance

Α.

#### **Cash Sweep**

SIA has initiated the use of an ICS cash sweep account, which the Board previously approved. The account has already begun accruing interest, which will generate additional revenue for SIA moving forward. The Board expressed its gratitude to the Finance Committee and its members for their guidance and support in facilitating this process.

#### **VI. Governance**

#### A. Required Board Training

Reminder to those who have not completed their training. Email reminders were sent out. The due date was November 15.

#### **VII. Other Business**

#### A. Schedule December Meeting

Due to the 4th Wednesday falling on Christmas Day, the December board meeting will be held on Thursday, December 19, 2024, 4:30 pm-5:30 pm.

Note to reschedule the finance meeting.

#### **VIII. Executive Session**

#### A. 5:17 PM

Executive Session ended at 5:36 pm.

#### **IX. Closing Items**

#### A. Adjourn Meeting

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 5:37 PM.

Respectfully Submitted, Cassie Anderson

#### JACKIE BAKER Chief Experience Officer

Over the past 25 years, I've carved out a niche in the event planning industry with a particular focus on meeting and conference planning. It's more than just a career for me; it's a passion that has grown stronger with every successful event.

#### DARRYN DEMARCE Event Producer

With 13 years experience in the event industry, my passion and commitment to excellence shine through in every project. My journey has granted me a deep understanding of event logistics and what it takes to create successful events. Specialized in Sales, Management, and Design, I inspire teams, excel in leadership, and deliver outstanding results.

#### **CELESTE ROBINETTE** Creative Director

Since 1997, my journey has intertwined with architects, interior designers, landscape architects, and clients, crafting award-winning Environmental Graphic Design systems. My innate understanding of artistry and beauty ensures that every aspect of an event's design and execution contributes to a cohesive, impactful experience for all attendees.

#### LISA GSELLMAN Nonprofit Event Specialist

Guided by a steadfast commitment to making a positive difference in local communities, I've dedicated my career to the impactful area of nonprofit work. With 15 years of experience in non-profit education and over 25 years of service on boards for youth-focused organizations, my life is shaped with a passion for empowering the next generation.

# Testimonials

Working with Spark Events was an absolute delight! From start to finish, they displayed exceptional professionalism and attention to detail. Their team effortlessly brought my vision to life, creating a memorable event that exceeded all expectations. I highly recommend Spark Events to anyone seeking a stress-free and truly remarkable event experience." *Erin McClure, Remitly* 

"Jackie and her Spark Events team bring to bear a wealth of conference planning creativity and experience Their support of all phases of planning and execution of our inaugural national COSM Technology Summit was invaluable. We could not have done it without them and are delighted to team with them again each year." *Erik Nutley, Discovery Institute* 

"No event goes without bumps along the way. With a good event team, you won't even notice the bumps. Spark Events provided a smooth overall experience, from consultation to execution, the team went above and beyond to create a memorable experience for all of our guests. And we exceeded our fundraising goal!" *Glenn McCray, Sports in Schools* 

"Jackie Baker and the Spark Events team are on top of their game! With responsive service, creative ideas and a 'get it done' attitude, Spark Events is there to take on as little or as much as we need from them. Planning and executing live events requires trustworthy partnerships, and we have found just that in Jackie's team. Thank you Spark Events for helping us execute our vision!" *Rita Ramey, Epcon Franchising*

#### Head of School- December 2024 Update

SIA Board of Directors,

This update is intended to keep you informed of the progress and emerging questions for Spokane International Academy as we seek to meet our mission and build and maintain a high-quality rigorous learning environment for our students. My objectives for December have been:

#### 1. MAP Testing- Growth and Achievement

For the last two weeks, we have been MAP testing students in grades 1-10. We gave the first round of MAP testing in September, so this testing round is essential as it provides us a point of comparison to track student growth in Literacy and Math. In the next meeting, I will provide a detailed summary of the data. We can also start to use this data to make predictions about how our students will perform on the state test, as well as track our progress towards our school-wide goal of having 50% of our students in the bottom 40% in literacy and Math meet their projected growth goals by the March 2025 testing period.

#### 2. Fundraising Update

#### 10th Anniversary Gala- Saturday, June 7, 2025, 5:30 pm-8:30 pm 777 E Magnesium Road!

We have had some developments since the last update in November.

- 1) We met with parents twice (once in November and December)
- 2) After the first meeting, it was clear to me that I needed help. The scope of the plans was much larger than my day-to-day working capacity. I started exploring the idea of outsourcing the planning and asking for help with the overall management of the event. I reached out to my networks in the Charter Sector and secured a few recommendations for event planners and people who have done this work before.
- 3) This led to a connection with Jackie Baker at Spark Events. We met and she talked to me about her services in detail. She provided a proposal for her services. See Proposal
  Spark Events Proposal SIA.pdf Through additional conversations, I secured a grant through our Charter networks to cover the cost of Spark's fee, so it will not cost the school any money.

4) Since this time, I have signed a contract with Spark. We met on 12/16 to discuss initial to-do's, and she will be on-site with her team on 1/16/25 to conduct a walkthrough, a planning meeting, and meet with the committees. More to follow . . .

#### **3. December Community Highlights**

- A) Community Engagement has been high this month. We have the following Clubs and Activities happening: Round 1 of after-school tutoring (Grades 1-10) concluded last week for students needing extra support in Literacy or Mathematics. The following clubs continue: Mock Trial (Middle and High), Math is Cool Club (Grades 6-8), Play Practice (even on Saturdays!) for Alice in Wonderland- January 17th and 18th), lunch Career Cafes every Wednesday, After School tutoring for Algebra, and Robotics Club (also on Saturdays!) Robotics has an upcoming competition in January. Additionally, we have fitness clubs for middle and high school, and beginning Band. The Primary Student Council has just completed its elections and will begin meeting and planning weekly.
- B) Clubs to start in 2025 include bowling for middle and High School, as well as Poetry for our Primary students.
- C) We have recently had several performances and events. Third grade had a percussion performance, and we had a packed gym. The 7th and 8th grade band performed this week. This is our first ever band concert in our new building after adding Band Class back to our offerings. We had a middle school dance. Here is a little video for your enjoyment. It was well-attended. Our counselors also hosted a trades night fair, where they had community partners connect with SIA students about jobs in the community. The CAT team (parent group) hosted a community gathering, and our community organizers had a parent night where they helped parents craft their stories to legislators for the upcoming session.
- D) We will end the month of December with a Staff gathering and gift exchange at David's Pizza, and a school-wide annual Ugly Holiday Sweater contest. This is a fun community event. We are pretty competitive, and there are trophies for the prize.

#### 4. Legislative Session 24-25

Here's a concise breakdown of what Board Members should know about the upcoming 2024-2025 Washington Legislative Session and how they can support SIA's efforts. **Overview of the 2024-2025 Washington Legislative Session** 

#### Long Session (105 Days):

• This session focuses on creating a biennial budget, making it a critical time for funding decisions that impact public education, including charter schools.

- Building Context: Currently, Washington is facing a 12 Billion budget deficit.
   There is a hiring and spending freeze state-wide as the Governor problem solves making up 6 billion of that deficit in the next two years
- We are in Legislative District 6. Our reps are Mike Volz and Jenny Graham. Both are Republican, pro-education, and mostly charter-friendly. I have met with both of them several times over the past few years, and Mike most recently this month at an ESD meeting with other Superintendents.

#### **Budget-Dependent Outcomes:**

- Many legislative priorities, including education initiatives, will hinge on budget allocations. It's essential to monitor how charter schools are positioned in the budget discussions.
- Please note, that budgeting will likely be a difficult task this year, and it is possible that decision-making could go until June. Sam and I will do our best to put together options, however, we do not have any equitable and permanent funding, yet (nor do we know if there will be a proviso that provided us with over a million dollars the last two school years).
- Enrollment will become an essential part of this whole conversation.

#### **Priorities for Washington Public Charter Schools**

\*\*Adequate and Equitable Funding:

- Advocate for funding parity between charter schools and traditional public schools, ensuring all students have equal access to resources.
- Focus areas: Special education, transportation, and facilities funding.

Accountability and Advocacy:

- Stay proactive in defending charter school legislation against potential challenges or attempts to limit their scope.
- Emphasize transparency, student outcomes, and the unique value charter schools bring to Washington's education system.

Support for Growth and Innovation:

- Advocate for policies that allow for charter school expansion to meet community demand, including possibly reopening the Charters for schools that have closed.
- WA Charters will not pursue re-opening the Charter window this legislative season.

 Continue to highlight the need for flexible program funding, such as STEM, arts, and global education.

#### How the Board can Help . . .

#### 1. Be Advocates for Charter Schools:

- Engage with legislators to share personal stories of impact and success from SIA
- Be ready to respond to legislative calls to action and participate in advocacy days or events.

#### 2. Leverage Connections:

 Identify relationships with local policymakers or influential stakeholders to amplify the school's voice.

#### 3. Monitor and Share Developments:

• Stay informed about legislative updates and share relevant information with the community to ensure awareness and engagement.

#### 4. Support Funding Goals:

• Help secure philanthropic or local funding to complement legislative efforts if public funding gaps persist.

#### 5. Participate in Public Hearings and Testimonies:

• Represent the school during critical legislative moments, offering testimony or written statements as needed.

#### 5. Transitional Kindergarten- Not Right Now

Last month we discussed TK after the announcement from the Commission. <u>Transitional</u> <u>Kindergarten Policy</u> After meeting Marcus Harden (Executive Director of the Commission) to ask questions and discuss what it would entail to add a Transitional Kindergarten option, and doing other research and conversations with other Charter Leaders, consulting with my team on-site, as well as folks from Charter School Growth Fund in charge of expansion grants, I would not recommend pursuing TK in the 25-26 school year, but would like to continue on-going conversations for 26-27. Priorities should include finding adequate space, achieving some form of equitable and permanent funding first, and continuing research on the ways an early childhood model could help us meet our mission.

#### 6. SIA Marketing and Enrollment Strategy for 2025-2026

Goal: Ensure robust enrollment across all grade levels to maintain financial sustainability and support SIA's growth and mission.

#### Key Components of the Strategy:

1. Targeted Recruitment Campaigns

- Focus on attracting communities aligned with SIA's mission of empowering transformative leaders.
- Highlight unique programs: Global Competence, Habits of Mind, Spanish language studies, and Field Studies.
- Direct Mailers will go out during the first week of January. We chose addresses along our current bus route.
- Highlight incoming Kindergarten and first-grade students, as we likely will enroll additional classes at both grade levels.
- 2. Community Engagement
  - Host open houses, school tours, and family engagement events.
  - Partner with local organizations to increase awareness about SIA's offerings.
     MLK March, Lunar New Year, AEIR School Choice Event
- 3. Digital Marketing
  - Leverage social media campaigns with testimonials, student achievements, and engaging content.
  - Optimize the school website for user-friendly navigation and detailed enrollment information.
- 4. Retention Focus
  - Increase retention through strong family communication, robust academic support, and community-building initiatives.
- 5. Enhanced Application Process
  - Streamline the application and onboarding process with clear, accessible steps for families.

#### Timeline

- Dec/ Jan 2024-2025: Launch initial campaigns and host interest events.
- Jan- March 2025: Conduct enrollment fairs and finalize application reviews.
- April 2025: Run Lottery
- May 2025: New Family Outreach and Assessment
- June- Aug 2025: Support new family onboarding to prepare for a strong start.

#### **Board's Role**

- 1. Act as ambassadors for SIA by sharing the school's story and programs.
- 2. Support outreach efforts through personal and professional networks.
- 3. Provide strategic insights and connections to strengthen community partnerships.

This strategy will ensure that SIA continues to attract and retain students who are aligned with our mission, securing a vibrant and engaged learning community for 2025-2026.

#### 7. Senior Update!!

4/ 6 of our seniors have been accepted to a 4-year university, so far. WSU, Whitworth, and EWU. This year's graduation is scheduled for Sunday, June 8th @ 4:00 pm at Spokane Community College.

#### **Clean Buildings Compliance**

Spokane International Academy

12/16/2024

This proposal includes turnkey Clean Buildings Act (CBA) compliance services for Spokane International Academy (SIA), located at 777 E Magnesium Rd, Spokane WA 99208. This building is Tier 1 and is known to consume more energy than the defined Energy Use Intensity Target (EUIt). The services proposed reflect the work required to generate the required compliance documentation for the building listed in this proposal. The scope of work listed below can be refunded through the WA Commerce "Clean Building Performance Grants" program. The grant application deadline is January 23, 2025 and Custom Energy Consultants will complete the grant application on behalf of Spokane International Academy.

WA Commerce may make changes to WAC 194-50 and therefore Custom Energy Consultants (CEC) cannot guarantee compliance with the Clean Buildings Performance Standard, but we will work towards that end on behalf of the SIA. If additional requirements are defined by WA Commerce, CEC reserves the right to pass on the financial burden. We will of course communicate these changes prior to completing any additional work that is not shown below.

Once contracted, CEC will complete the following services:

- 1. Tier 1 Building Known to be, "Failing the EUIt"
  - a. Complete the RFA and submit to WA Commerce.
  - b. Create or validate an energy benchmark in Energy Star Portfolio Manager.
  - c. Access owner portal.
    - i. Ensure all building data is correct including parcel numbers, square footage, etc.
    - ii. Connect portal with Energy Star Portfolio Manager.
  - d. ASHRAE Level 2 audit for the building in compliance with the requirements of the Clean Buildings Act.
  - e. Complete Compliance Forms A, B, C, D, and F
  - f. Complete an Energy Management Plan and EMP Reporting Tool in accordance with the CBA.
  - g. Complete an Operations and Maintenance Plan and O&M Plan Reporting Tool in accordance with the CBPS.
  - h. Sign all compliance documents as a qualified person and load them into the portal.
  - i. Coordinate with owner and Commerce as needed.
  - j. Provide raw files to the owner.
  - k. Submit a complete compliance application through the Portal.

#### <u>Assumptions</u>

- 1. Current record drawings and utility bills are available.
- 2. All deliverables will be delivered electronically.
- 3. Annual updates are not included.

#### **Exclusions**

- 1. Design
- 2. Permitting
- 3. Construction
- 4. Anything not specifically listed

#### Fee: \$62,300.00 (Expires February 28<sup>th</sup>, 2025)

Custom Energy Consultants will begin work upon execution of this agreement. Payments for services will be made monthly in proportion to services performed. Payments are due and payable upon presentation of the CEC's monthly invoices. CEC will invoice monthly for progress made in each building. SIA and CEC agree that the following milestones represent certain levels of completion. Reference Fee Summary Table below for pricing per deliverable.

ASHRAE 2 Energy Audits

- Site walk: 25% completion
- Energy calculations complete: 25% completion
- Draft report submitted to SIA: 40% completion
- Final report submitted to SIA: 10% completion

Energy Management Plans, Operations and Maintenance Plans, Compliance Forms

- Unsubmitted progress: up to 75% completion
- Draft documents submitted to SIA: 90% completion
- Final documents submitted to SIA: 100% completion

Annual Updates (not included in this proposal)

- Draft documents submitted to SIA: 90% completion
- Final documents uploaded to Portal: 100% completion

#### Tier 1 - Fee Summary Table:

Building Name	Square Feet	ASHRAE 2 Energy Audit	EMP	O&M Plan	Forms A-C	Forms D and F	Fee/Building
Spokane International Academy	101,370	\$53,300	\$2,500	\$3,750	\$500	\$2,750	\$62,300

#### Table 2 - Grant Potential:

Description	Square Feet	Totals
Tier 1 Buildings – Clean Buildings Performance Grant*	101,370	\$62,300
	Total Net Cost to District	\$0.00

\*Note: CEC does not guarantee receipt of grants and incentives, however we will work towards that end on behalf of SIA.
