## RECURRENT ENROLLMENT

### CSC-SY-A24

(14.1 Performance Framework)

Overview: The Charter School Act (28A.710.170 (2)(e)) and the Organizational Performance Framework requires schools and authorizers to develop indicators, measures and metrics related to year-to-year recurrent enrollment. The Commission defines recurrent enrollment as the number of students continuing to be enrolled in the school from one year to the next expressed as a percentage of the total number of students eligible to continue their enrollment at the school. The Commission will send charter schools their recurrent enrollment numbers for the prior school year (based on October 10<sup>th</sup> enrollment) on or before November 15<sup>th</sup>. The charter school must then set a goal for recurrent enrollment for the current year that is ambitious yet realistic. A strong goal is not generally lower than actual recurrent enrollment for the previous year.
