- MAP Testing - students in grades 1st-5th begin testing in Literacy and Math March 24th- April 4th. This is the third round of testing this year. Their testing is connected to our school-wide goal with the commission. We are looking to see that students in the bottom 40% who tested in the fall will meet their projected RIT growth by the spring test in Literacy and Mathematics. For primary, middle, and High, we want to see 50% of the students meet their growth. We made our goal in 1st-5th grade!

- AP Testing in May (Statistics, Human Geography, History, and Environment)
