#### **IV. Dress Code/Hair Policy**

##### **A. Proposed Revision**

ASB President, Payton Drader and Secretary, Evelyn Caine presented. Their attendance at today's meeting is to report on additional information requested by the Board at the December meeting. They gathered data by visiting the other schools' websites, specifically their handbooks.

Reference: Policy on Hair Color

- Data from other WA Charter Schools
- Data sampling from Private Schools
- Data sampling from Public Schools

The Board prefers the language given as Option B:

"Students, grades 6-12, may dye their hair at their legal guardian's discretion, so long as hair is clean, neat and not a distraction to the learning environment."

Cassie Anderson recommends for the board to vote for policy change for Grades 6-12 only; Morgen Flowers will finalize the verbiage and present it at the February meeting as part of the Consent Agenda.

Maureen Rosette made a motion to approve the revisions to the Dress Code Policy pertaining to the Hair policy.

Javier Medina seconded the motion.

The board **VOTED** unanimously to approve the motion.

#### **V. 2026-2027 School Calendar**

##### **A. Board to Vote on Calendar**

Morgen Flowers-Washington, Head of School presented.

As a result of staff and school families votes, two proposed calendars for the 2026-2027 school year are presented to the Board.

- Traditional

- Balanced Calendar (Version 3)

The school administration reviewed calendars from neighboring districts and found that most, if not all, are transitioning to a Balanced Calendar for the next school year. SIA intends to align with this shift to better support families, particularly those with children enrolled in multiple districts, and help reduce scheduling challenges.

Per Sam Schweda, there is no major impact on budget anticipated due to switching to a balanced calendar.

Morgen does not recommend postponing implementation of the Balanced Calendar to the 2027–28 school year, as most surrounding districts are adopting this model in the upcoming year. A delay may also negatively affect enrollment. The administration supports implementation of the Balanced Calendar in alignment with the preferences expressed by school staff and families.

Maureen Rosette made a motion to Adopt the Balanced Calendar for the 2026-2027 School Year.

Charina Carothers seconded the motion.

The board **VOTED** unanimously to approve the motion.

## VI. MAP

### A. MAP Update

Caryn McGee, Director of Curriculum and Instruction presented.

Winter MAP was conducted as mid-year "pulse check" to see how students are progressing toward their end-of-year MAP goals. The primary focus was on students who started the school year below grade level (bottom 40th percentile) to ensure they are getting the support they need. The target is 50% of those students will meet their RIT goals.

Notable:

- School is on track based on winter scores in ELA and Math
- Students in bottom 40th percentile are on track for Spring RIT goal
- 10th grade students in the target group also showed strong progress, with 67% meeting their projected growth.
- 83% of third grade students in the target group met their growth goals in Math
- 80% of fifth grade students in the target group reached their growth goals in Math

- Next steps will be to provide more targeted one-on-one support and intervention for Middle School and High School students, such as after-school tutoring and/or study hall classes

Guillermo Espinosa left.

## **VII. Head of School Report**

### **A. January Report**

- Planning for the 8th Grade International Trip for the year 2027 has begun. Panama and Spain are the choices for the trip. Parents mostly voted for Panama.
- High school planning is underway. Students will either attend Running Start or NewTech Skills Center. SIA will make sure students have college-ready transcripts.
- Big focus at the moment is enrollment for the 2026-2027 school year.
  - 143 application received as of this date
  - Marketing packets for high school were mailed to nearby middle schools inviting counselors to attend Preview Day
  - Tours and Information Nights
  - Advertising in print media: Inlander Restaurant Week, The Fig, The Black Lens
  - Marketing packets for Elementary were also delivered to nearby preschools, targeting Kindergarten-age

## **VIII. Governance**

The Foundation holds the funds used for student travel. Non-board members can be a part of the foundation.

Board suggestions:

- Invite CAT members to be part of the Foundation; perhaps invite the CAT to a future board meeting

This is a reminder for members who have not completed their training and have not submitted the Public Disclosure Form. Please submit them to Myra Keast.
