### C. Approve Minutes

The committee **VOTED** unanimously to approve the motion.

## II. Facilities

### A. STAGE

The stage estimate came in at \$15,000.00 with ADA access and commercial quality upgrades.

The BOD would have to approve an additional \$5,000.00.

Check with the Finance Committee about funds.

### B. ASPHALT

To redo the asphalt completely, we will have to schedule for summer 2025.

Patching is our best option for immediate repair.

- Main car line--\$6,500.00 estimate (priority #1)
- Flag pole area--\$8,000.00 estimate (priority #3)

- Corners----\$1,000.00 estimate (priority #2)

Patching will extend the life of the parking lot by a few years.

The Committee recommends that priority #1 and #2 are repaired this year. If able, repair all three areas.

The committee recommends a restructuring of the parking lot next summer (2025).

- Repaving
- Sidewalk repair
- Drainage
- Removal of Rocks
- Guard Rails instead of boulders

Jennifer Silva left at 9:02 AM.

#### **C. PLAYGROUND**

MAPA Playgrounds--Total estimate (Fitness and Playground)--\$175,000.00.

Kompan Playgrounds--\$143,000.00 for playground only with no surface material.

The committee recommends gathering a few more quotes to present to the BOD, parents, staff, and community members.

#### **D. UPDATES**

- Mr. Prey updated the committee on current projects.
