7th Grade went to Charleston - Olivia Ellis and Ayla Campbell enjoyed the caverns and the battleships.

8th Graders went to DC - Ella Wilde and Aiden Basting enjoyed the monuments, memorials, and changing of the guards. Really loved getting immersed in the history.

B. Staff Highlights

Amber Wolfe - Spring Benchmark Data Overview

62% showing proficiency in Math, still pushing with instruction and projected to show 68% or higher proficiency

71% showing proficiency in Reading, projected proficiency is 68% or higher as well

What do we do with these numbers? We are still taking action in the classroom.

1. Continuing with the curriculum and pacing of it. Standards already taught, and benchmark data
2. Spiral reviews - reviewing previous lessons for 5-10 minutes
3. Cross-curricular support - how to plug in verbiage into other classes as well for extra practice
4. Targeted Domains and NC Standards - Teach to the standards that the state have said we need for success, pulling resources, etc.
5. EOG Format and Tools Confidence - how to use calculators and what the test may look like
6. Test Taking and Anxiety Management Strategies - celebrate how much they learned, take a walk before the test, feed students breakfast, here are some strategies for students with anxiety.

C. Good News

All middle school spring trips were successful
We are filming a promotional video for counseling program
Great response for teacher vacancies
Staff will present at NC Charter School Conference
Summer feeding site for TCS
Offering a variety of sports camps this summer

D. Opportunity for Public Comment

None

IV. Committee Reports

A. Finance

Charter Success has projected a budget analysis with a surplus of around \$100,000 after some tweaks have been made with salaries, benefits, etc.

USDA update - another change and transition. Industry has changed dramatically, we may need to go to a modular building approach. It could be about 1/3 of the cost for the original cost. 2 modular companies will give quotes at the end of the week. Could lease the building for a couple years then purchase outright, or just purchase outright.

Encumbered funds action items - swing building and possibly a new bus.

B. Governance and Policy

Reviewing new item about AI - still a lot of discussion about this, so not ready to present
Honor Roll
Recess as Instructional Time for Middle School
Performance Framework
Report with DPI for Charter School Renewal - meeting all benchmarks to maintain

C. Development/Fundraising

Skipped because Jen Silva is absent

D. Long-Range Planning

Looking for summer dates to meet, and we need to fill Mark Campanini's position.

E. Academic Excellence Update

Not much to add after Amber Wolfe's presentation

F. Facilities

Dedication plaque for the stage for Mr. A
Scenario of moving 3-5th grade playground for the modular building

Mr. Campbell moving to Outdoor Ed teacher
FEMA - projected \$48,000 for soccer field repair, K-2 playground, and fence
Getting quotes for mitigation, French drains, turf field for soccer, pavement, sidewalks
and drains for less water pooling (\$50,000),

V. Director Report

A. Director Report

Enrollment
Application Snapshot - more anticipated openings and applications with a healthy waitlist
Staff and Student Attendance is close to 95% in all areas
Discipline Report - most are not resulting in ISS or OSS, this way it does not take away
from instructional time

B. Important Upcoming Dates
