At the NCAPCS Conference, Jamie Conley and Amber Wolfe presented on math discourse. Jen Iden presented on AI in Education and Ted Duncan presented on educational leadership. Chad Campbell appreciated Ron Clark's positive and inspiring message. Sarah Hersee and Rachel Coykendall appreciated the staff presentations as well as the presentation on The Writing Revolution, which led to a PDP cohort for the 2025-2026 school year. Conference presenters and attendees bring that new knowledge back to the full staff through PDP cohorts and Carpe Diem.

Officer Light created the Drug Awareness Program and wanted to improve drug awareness education for our students. A. Finance

Paul Cooper discussed the 2025 and 2026 unreconciled analysis reports with a \$146,000 surplus for 2025 and a \$55,000 surplus for 2026. Cash on hand is currently 1.77M.

USDA Update - We are moving at a faster pace, but the biggest problem is collecting all required information by the deadline which is in the middle of September. BOD unanimously voted to allow Ted Duncan to sign for the USDA loan.

Staff Student Recruitment - Ted Duncan discussed the new state funding model. We will be funded by the state for 435 students regardless of enrollment numbers.

Our enrollment strategy is to continue enrolling through Day 40. Jamie Atkinson recognizes this may present challenges and disruptions for teachers.

Ted Duncan stated that our goals are to reach full enrollment and to provide additional bonuses to staff members. For each student a staff member recruits to enroll at BA, he/she will get a bonus of \$250 if the student stays enrolled through December. If the student reenrolls the following year, the staff member would receive an additional bonus of \$250. Bonuses would be paid out in January and September of each year.

Ted Duncan clarified that the School Director is not eligible for the staff bonuses.

Jamie Atkinson moves to approve the Staff Student Recruitment plan.
