An education record is any information recorded in any way, including, but not limited to, handwriting, print, computer media, video or audio tape, film, microfilm, and microfiche that directly relates to a student and is maintained by Elevate or by a party acting for Elevate. Such information includes, but is not limited to:

  - b. Records maintained by a law enforcement unit of Elevate that were created by that law enforcement unit for the purpose of law enforcement;
  - c. In the case of a person who is employed by Elevate but who is not in attendance at such agency or institution, records made and maintained in the normal course of business, relate exclusively to the individual in that individual's capacity as an employee; and are not available for use for any other purpose;
  - d. Records of a student who is 18 years of age or older, or is attending an institution of postsecondary education, that are: a) made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in their professional capacity or assisting in a paraprofessional capacity; b) made, maintained, or used only in connection with treatment of the student; and c) disclosed only to individuals providing the treatment. For the purpose of this definition, "treatment" does not include remedial educational activities or activities that are part of the program of instruction at Elevate.
  - e. Records that only contain information about an individual after he or she is no longer a student at Elevate;
  - f. Grades on peer-graded papers before they are collected and recorded by a teacher.
2. Personally Identifiable Information

Personally identifiable information is information about a student that is contained in his or her education records that cannot be disclosed without compliance with the requirements of the Family Educational Rights and Privacy Act of 2001 ("FERPA"). Personally identifiable information includes, but is not limited to: a student's name; the name of a student's parent or other family member; the address of a student or student's family; a personal identifier, such as the student's Social Security number, student number or biometric record; other indirect identifiers, such as the student's date of birth, place of birth, and mother's maiden name; other information that, alone or in combinations, is linked or linkable to a specific student that would allow a reasonable person in the school community, who does not have personal knowledge of the relevant circumstances, to identify the student with reasonable certainty; or information requested by a person who Elevate reasonably believes knows the identity of the student to whom the education record relates.

3. Directory Information

Directory information is information contained in an education record of a student that would not generally be considered harmful or an invasion of privacy if disclosed. Elevate may disclose the personally identifiable information that it has designated as directory information, consistent with

II. DISCLOSURE OF DIRECTORY INFORMATION

At the beginning of each year, Elevate shall provide parents and eligible students with a notice containing the following information: 1) The type of personally identifiable information it designates as directory information; 2) The parent's or eligible student's right to request that Elevate not release "directory information" without obtaining prior written consent from parent or eligible student; and 3) The period of time within which a parent or eligible student may notify Elevate in writing of the categories of "directory information" that it may not disclose without the parent or eligible student's prior written consent. Elevate will continue to honor a valid request to opt out of the disclosure of a former student's directory information made while the former student was in attendance unless the student rescinds the opt out request.

III. ANNUAL NOTIFICATION TO PARENTS AND ELIGIBLE STUDENTS

At the beginning of each school year, in addition to the notice required for directory information, Elevate shall provide eligible students currently in attendance and parents of students currently in attendance with a notice of their rights under the FERPA. Elevate may charge reasonable fees for copies it provides to parents or eligible students. However, no charge shall be made for furnishing (1) up to two transcripts of former students' records or (2) up to two verifications of various records of former students. The charge will not include a fee to search for or to retrieve the education records.

2. Request for Amendment to Education Records

Following the inspection and review of a student's education record, a parent or eligible student may file a written request with the Principal to correct or remove any information in the student's education record that is any of the following:

If the Principal sustains any or all of the allegations, he or she must order the correction or the removal and destruction of the information. The Principal or Principal's designee must then inform the parent or eligible student of the amendment in writing. ### 3. Hearing to Challenge Education Record

If Elevate denies a parent or eligible student's request to amend an education record, the parent or eligible student may, within thirty (30) days of the denial, request in writing that the parent or eligible student be given the opportunity for a hearing to challenge the content of the student's education records on the grounds that the information contained in the education records is inaccurate, misleading or in violation of the privacy rights of the student.

The hearing will be conducted by the Principal or designee of a public school, who shall not be required to use formal rules of evidence or procedure. The parent or eligible student will be given a full and fair opportunity to present evidence relevant to the issues relating to the challenge to the education record. The parent or eligible student may also, at his/her own expense, be assisted or represented by one or more individuals of his/her choice, including an attorney. The decision of the Principal or his/her designee will be based solely on the evidence presented at the hearing and is final. Within thirty (30) days after the conclusion of the hearing, Elevate's decision regarding the challenge will be made in writing and will include a summary of the evidence and the reasons for the decision.

If, as a result of the hearing, Elevate decides that the information is inaccurate, misleading or otherwise in violation of the privacy rights of the student, it will amend the record accordingly and inform the parent or eligible student of the amendment in writing.

If, as a result of the hearing, Elevate decides that the information in the education record is not inaccurate, misleading or otherwise in violation of the privacy rights of the student, it shall inform the parent or eligible student of the right to place a statement in the record commenting on the contested information in the record or stating why he/she disagrees with the decision of Elevate, or both. If Elevate places a statement by the parent or eligible student in the education records of a student, it will maintain the statement with the contested part of the record for as long as the record is maintained and disclose the statement whenever it discloses the portion of the record to which the statement relates.

## V. DISCLOSURE OF EDUCATION RECORDS AND DIRECTORY INFORMATION

Elevate must have a signed and dated written consent from the parent or eligible student before releasing any nondirectory information from a student's education record except as provided below. The written permission must specify the records that may be disclosed, the purpose of the disclosure and the party or class of parties to whom the disclosure may be made. When disclosure is made pursuant to written permission, the parent or eligible student may request a copy of the disclosed records and Elevate shall provide the requestor with a copy of the records disclosed upon request.
