II. Agenda Items

A. Executive Director Report

Enrollment as of today is 477, all spots in K-5, plus 2 extra in 1st grade, 167 in MS enrollment. Strong attendance so far roughly 97%. This year's Wildly Important Goal (WIG) was shared (Elevate Golden Eagles will show up and share out to make every day count. Elevate Golden Eagles will make every day count by tracking their attendance, learning and celebrations through 40 innovative ways to utilize their leadership binders).

Working with Third Plateau to strengthen our operational systems, policies, and structures to better support our staff and sustainability -- refine internal framework.

ELO-P, Champions, and clubs at SM, TS, and EMS -- new cooking club and fashion design club at TS; 2 coordinators overseeing.

Currently 70 team members on staff, including 3.5 Ed Specialists.

Math Curriculum - Illustrative Mathematics (gr 3-5 joining 6-8).

CAASPP overview:

-Math remains strong (69%) with goal to get back into the 70s; math dropped in 3-5, with focus for this coming school year added; 6-8 strong improvement after illustrative math implementation and bubble class.

-EL summary still strong though lower, and math SPED large improvement!

-Further discussion to come in October after review.

Board Update from the Foundation

-Fall Festival 10/18, 4-8pm; sponsorship opportunities still available.

-Fall Appeal letter.

-SnoCones and Dine Outs continue.

B. Financial Update

October 31st report due for '21-'22 and '22-'23 ELOP funds - any funds not used must be returned. Funds from last year ('23-'24) moving forward will have 2 years to spend, with report 2 years from date funds were received to confirm spending and return unspent dollars.

ADA analysis, despite lower enrollment this year, this is a wide-spread issue outside of Elevate (other schools started experiencing this last year). Additional revenue from PCSGP funds (not incorporated in budgets); higher learning recovery dollars and interest

from treasury account favorable for state revenue; additional spending in supplies and SPED spending (schools have been experiencing this due to volume and severity).

C. Approve 23-24 Unaudited Actuals

-Restricted vs. Unrestricted funding changes broken out (SACS report).

-Audit in process.

-Additional requirements for this years audit due to ending of one-time funds and subsequent support needed to verify spending of those funds.

Becky Madeja made a motion to Approve unaudited actuals.

Veronica Maxwell seconded the motion.

The board **VOTED** to approve the motion.
