Colorado League of Charters Conference

Bellwether Consulting

The background of the slide features a white upper section and a lower section with abstract, flowing shapes. On the left, a bright orange shape curves upwards. In the center, a dark grey shape curves downwards. On the right, a black shape curves upwards, and below it, a lighter yellow shape curves downwards.

Bellwether Consulting

- Cohort Meeting Update - March 5, 2024
- Board Effectiveness Diagnostic Review

Growth Opportunities Update

The background features a white upper section with the title text. Below the text, there are two large, overlapping, wavy shapes. The bottom-most shape is a vibrant orange, and the shape above it is a dark charcoal grey. The grey shape is positioned such that it appears to be layered on top of the orange shape, creating a sense of depth and movement.

Intended Impact

DEEPEN

Over the next 3 years, STEM Highlands Ranch will add 100 preschool students, homeschool program for 100 students, and summer school classes/camps that support 500 students to its existing location.

EXPAND

Koson Schools will add 2 elementary schools within 15 minutes drive of the Highlands Ranch Campus that will educate 450 K-5 students and 100 preschool students at each campus.

Enrollment Plan

The background features a white upper section and a lower section with abstract, wavy shapes. On the left, there is a solid orange shape. A dark grey or black shape curves across the middle, dipping down towards the center. Below this, a lighter orange or yellow shape follows the curve, creating a layered, wave-like effect.

Upcoming Dates

The background features a white upper section and a lower section with abstract, wavy shapes. On the left, there is a solid orange shape. A dark grey or black shape curves across the middle, dipping down towards the center. Below this, a lighter orange or yellow shape follows the curve, creating a layered effect.
