## II. STEM Charter Renewal Contract

### A. Vote Charter Renewal Contract

Questions:

Ish-2.2(E)-Must we go through Rep/expansion process to buy a new building on-site? Yes, but hopefully more streamlined since its a bit different than actually replicating or expanding.

Greg-Confirming what we are voting for...what would a 'no' vote mean for us? Possibility to appeal to district and state, but probably not successful as the revisions are commonplace for charters within DCSD.

Kelly-Confirm, the removed items are no longer required, but can still be performed? Yes.

Greg-7(A)(V)-Enrollment affecting funding AFTER count date...how much is substantial? Review can be monthly, no real # for 'substantial', but Matt is not worried.

Erin-Special Education enrollment process? Keep this in mind as needs grow.

Carla-FYI enrollment waiver not necessary in accordance with DCSD open-enrollment, but we will maintain policy (just in addition to DCSD, not waived).

I. Kalra made a motion to accept the negotiated changes to the charter renewal as recommended by Matt and Legal services.

R. Lukez seconded the motion.

The board **VOTED** unanimously to approve the motion.

## III. Closing Items

### A. Adjourn Meeting

I. Kalra made a motion to adjourn public session at 5:53pm.

R. Lukez seconded the motion.

The board **VOTED** unanimously to approve the motion.

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 5:53 PM.

Respectfully Submitted,  
M. Horne
