	Purpose	Presenter	Time	
<p>"The board demonstrates limited oversight of the school's academic performance. Board members reported that the academic excellence committee examines academic data and then provides updates to the full board about the school's academic performance. Meeting minutes included evidence that the academic excellence committee and the full board show reviewed and discussed MCAS data for 2023 but do not include evidence that the academic excellence committee or the full board reviewed or discussed additional academic performance data during the period August 2023 through July 2024."</p>
