A. Data Analysis	Discuss	KD MacDonald	60 m
<p>The board's most important work should be increasing opportunities and improving outcomes for students. We use academic data to monitor progress towards goals on a regular basis. The HOS defines strategy and presents data, the board monitors for success,</p> <p>Fall: Are we set up for success? Winter: Is it working? Spring: Will we hit our goals? End of the year: What did we learn?</p> <p>How do we ensure equity across all student groups?</p> <p>Guided reflection framework: What did we learn about our instructional model? What strengths should we protect and/or scale? What gaps in our system were revealed? How will this inform hiring, professional development and curriculum decisions?</p> <p>DESE school profile</p>			
IV. Break			10:20 AM
