#### V. HOS Report

### A. Monthly Report

The discussion followed the outline provided by Peter Cohen in the Board Pack: - Covid19 update: School is ready to move into the new phase of "less masked learning" environment (i.e. optional mask wearing in the whole school, except for the nurse's office, where masks will still be mandatory). Current vaccination rate is 79% within the student population and 100% within the staff and faculty population.

- Mental health: continues to be an issue at MCCPS and in all schools across the country with higher reports of behavior issues, short-term hospitalizations

- Snow removal: we had several intense snow falls this period. A plowing company takes care of the parking lot and roads, and MCCPS maintenance staff handles egress areas, stairs.

- Letters to the Board: Due to privacy and OML concerns, Board Members should not respond directly to parent emails beyond redirecting parents to the School administration

- Enrollment: some attrition is expected later this month leading to enrollment of 222 students from 228 when the Board packet was issued. Budget was based on enrollment of 220 students so this is not a concern.

- Lottery: the admission lottery was conducted on Feb 28 and 181 applications were received. This is down from last year but reflects a higher number of applications from sending communities Marblehead, Nahant and Swampscott, which bodes well for actual 2022-2023 enrollment

## **VI. Other Business**

#### A. Salary Study

A discussion was held comparing average MCCPS salaries to local public schools and reviewing the salary progression of MCCPS staff in 2020, 2021 and 2022. Based on this data, Peter Cohen made the following points:

- MCCPS is now competitive for entry-level salaries

- Some disparities were successfully addressed in the last 2 budget cycles

- The school has no automatic pay increases with seniority, giving it more flexibility to reward performance

- Salary is only one facet of the overall compensation as MCCPS's benefits package is deemed very competitive

A discussion was held with the Board about the merits of the automatic pay scale system.

#### B. 22-23 School Calander

Rodolphe Herve made a motion to approve the MCCPS 2022-2023 school year calendar.

William Rockwell seconded the motion.

A brief discussion regarding the proposed school calendar ensued. The board **VOTED** to approve the motion.

## C. Facility Design

Will Rockwell presented the latest output from the Facilities task force and in particular reviewed 2 options with the Board. Details of these options were provided in Board materials.

The Board expressed its thanks for the quality of the work presented and gave indication to the Facilities task force to continue its work. Specific feedback included:

- "Low and slow" approach (i.e. a multi-year approach that minimizes cash outlays in any given year) will be favored

- Additions that have an easier fundraising appeal should be prioritized (i.e. Stem Lab)

- Imperative that proposed changes should be careful not to trigger automatic code upgrades

## D. MCCPS Staff Survey for Annual HOS Evaluation

The Board discussed launching this survey, as a key element of the HOS Evaluation but also as a tool for the Head of School to establish his own objectives.

It was noted during the discussion that the survey was a good idea in general but required several factors to be a successful exercise:

- complete respondent anonymity must be guaranteed

- the survey should be carried out every year with the same questions to better assess results

- some clean up work was required as some questions were missing normal response options ("disagree")

The survey will be administered by John Steinberg.

Nick Santoro made a motion to accept the MCCPS Staff Survey and for it to be launched in March 2022 pending 2 conditions: 1) review and final clean up by the Personnel Committee 2) guaranteeing anonymity of responses. Peter Cheney seconded the motion.

The board **VOTED** to approve the motion.

Paul Baker shared that the committee met and created a google document regarding Board self assessments. The Committee also discussed ways to have the Board better informed regarding staff/student achievements/actions.

## **B.** Finance Committee

Rudi Herve led a brief discussion of financial results after 7 months, noting the following:

- net income remains strong and reflects enrollment of 228, which is higher than enrollment we anticipate for the end of the year. As has been the case the last 2 financial years, there will be an adjustment at the end of the school year.

- The Board will be requested to approve 2 one-off spend items which will first be discussed in the Finance Committee when more details become available. These relate to:

- the replacement of the kitchen floor, for which estimates are being sought. It is noted that grants and donations are also available to fund part of the work
- settlement with 2 enrichment vendors who have an ongoing claim with MCCPS

The Principal, Director of Student Services, and Head of School will each be assigned members of the staff for whom they are the primary evaluator. We will calibrate and collaborate to ensure an equitable evaluation process.					
	2022: The integration of the peer feedback system (Teaching Force) and the more formal, evaluative feedback will be meshed together to create our fully realized system for providing educators with the information they need to continuously improve.

Indicators         Unsatisfactory = Performance on a standard or overall has not significantly improved following a rating of Needs Improvement, or performance is consistently below the requirements of a standard or overall and is considered inadequate, or both.         Needs Improvement/Developing = Performance on a standard or overall is below the requirements of a standard or overall but is not considered to be Unsatisfactory at the time. Improvement is necessary and expected. For new Heads of School, performance is on track to achieve proficiency within three years.         Proficient = Proficient practice is understood to be fully satisfactory. This is the rigorous expected level of performance. ## FinCom notes February 2022

The February check from the Commonwealth was \$316,872, same as January & December. At press time the enrollment was 224...updated numbers go to the state in March. Peter can update on enrollment and admissions for next year.

We have not heard anything further on the potential disbursement of additional federal or state Covid dollars.

## Revenue

We continue to receive Fund A Need donations, primarily for the mural. While the mural installation itself will be 20K – and that has been raised – the prep work for that front façade will also be a significant investment, so we will continue to raise funds. Attached is a summary of donations rec'd to date.

The MCEF rec'd a donation of \$2,327.32 from the PayPal Giving Fund (see Feb General Donations)

## Expenses

- SubNurse between Lauren leaving and Melissa starting we incurred a \$1,200 expense
- We have seen a noticeable increase in utility costs and have been emphasizing conservation with the staff. The cost of everything is increasing.
- We paid the auditors in February
- \$1,640 for snow plowing
- \$2,160 in refunds by the school for the DC trip that was cancelled (we are refunding the \$120 insurance premium)

## Grant updates

Andrea recently applied for a competitive grant from the state in the amount of \$31,400 for Accelerating Literacy with High-Quality Instructional Materials and we are still waiting to hear from the Commonwealth. **We have been awarded this grant!** It ends 6/30/22.

## Other notes

## **Rockland Trust line of credit**

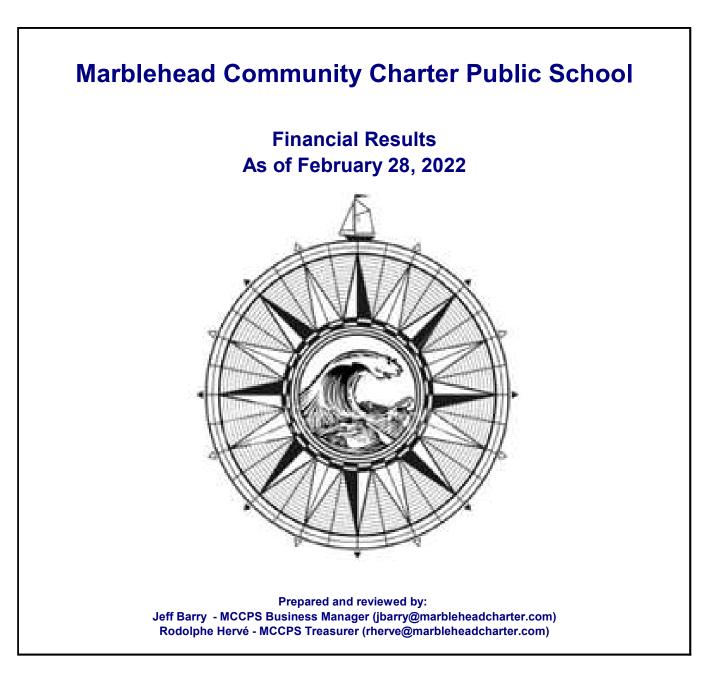

The line runs on the calendar year and is good up to \$300K. When it expired at the end of 2021 I began working with Dave Lawson and Jayne E. Brown, Portfolio Manager III, VP (new, additional contact) on the extension until 12/31. They asked for more information than in the past including specific data re enrollment, details about last year's audit and questions about the impact of the pandemic on the school. I expect a positive response before the end of March.

## Covid payroll reimbursement

I have applied for \$10,881 in payroll reimbursement through a state funded program. The Commonwealth will reimburse employers for certain payroll expenses related to Covid absences. According to our records we've had 13 folks out since May 2021 when this program began.

## FY23 budget update

Work continues...I had expected a draft before this meeting, alas...sorry. There will be an update after press time.
