 - Began rollout in 2018, meant to focus on students' critical thinking skills (students have to explain their work/provide supporting evidence more than on previous iteration)
 - Digitized- no longer written out
 - New, revised achievement categories
 - Results
 - Statewide 2023 ELA results
 - 42% met or exceeded expectations (down from 52% in 2019)

- Kim: have results affected morale?
 - Stephanie- recent staff satisfaction survey showed very high levels of satisfaction

B. Governance Committee

- Polly in process of scheduling next meeting
- Polly provided several updates regarding governance
 - Scope of COI and Ex-Officio rule
 - COI: conflict law prohibits state employees' immediate family (parents, spouses, children) from serving on same Board
 - Ex-Officio: even if you're not a voting member, COI rules still apply (so Board members' family members are prohibited from serving as committee members as well)
 - Board can amend its size and MCCPS student composition figures
 - Stephanie: met with DESE to discuss changes to in-district proportions
 - MCCPS at cap for Salem/Lynn students (cap based on whether these districts are in bottom 10% of standardized testing)
 - Should state lift this cap, MCCPS could submit proposal to amend MCCPS' Charter but this would require DESE sponsorship and may not be long-term solution
