When the opportunity presents itself to grow as a professional, I believe to take the opportunity! Joining MCCPS last year has changed my life. I am pursuing dreams and being the person that I always wanted to be. I can bring not only an educational view but also the “business” view. Prior to joining the staff at Charter, I worked for Cross Financial Corp. as their PMO (Project Management Office) Manager. This role allowed me to grow as a leader. CHARTER SCHOOL FISCAL CONTROL POLICIES AND PROCEDURES

OVERVIEW

The Governing Board of CHARTER SCHOOL has reviewed and adopted the following policies and procedures to ensure the most effective use of the funds of CHARTER SCHOOL to support the mission and to ensure that the funds are budgeted, accounted for, expended, and maintained appropriately.

1. The Governing Board formulates financial policies and procedures, delegate's administration of the policies and procedures to the Executive Director and reviews operations and activities on a regular basis.
2. The Executive Director has responsibility for all operations and activities related to financial management.
3. Financial duties and responsibilities must be separated so that no one employee has sole control over cash receipts, disbursements, payrolls, and reconciliation of bank accounts.
4. All administrative employees are required to take annual vacations of at least five (5) consecutive days.
5. All documentation related to financial matters will be completed by computer, word processor, typewriter, or ink.
6. The Governing Board will commission an annual financial audit by an independent third party auditor who will report directly to them. The Governing Board will approve the final audit report, and a copy will be provided to the charter-granting agency. Any audit exceptions and/or deficiencies will be resolved to the satisfaction of the Governing Board and the charter-granting agency.
7. The Governance Council can appoint someone else to perform the Executive Director's responsibilities in the case of absence.

Annual Financial Audit

1. The Governing Board will annually appoint an audit committee by January 1 to select an auditor by March 1 prior to year end (June 30th).
2. Any persons with expenditure authorization or recording responsibilities within the school may not serve on the committee.
3. The committee will annually contract for the services of an independent certified public accountant to perform an annual fiscal audit.
4. The audit shall include, but not be limited to:
 - a. An audit of the accuracy of the financial statements
 - b. An audit of the attendance accounting and revenue accuracy practices
 - c. An audit of the internal control practices

2. The Executive Director must approve all purchases. Purchase requisitions, authorizing the purchase of items greater than \$500 (format to be provided by ExED), must be signed by the Executive Director and submitted to ExED with the related invoice.

Parking Lot Liability

1. Parking lot related incidences are not covered under any insurance policy. The school assumes no liability for damage to cars:
 - a. Parked in the parking lot during school hours
 - b. Parked in the parking lot after school hours
2. The only exception to this policy will be when a student is observed by an adult accidentally causing damage to a vehicle while engaged in a school activity, such as physical education equipment breaking a window (e.g. a ball)
3. Otherwise, liability is as follows:
 - a. If a student willfully causes damage (i.e. not an accident as described above), the student's parent or guardian is responsible.
 - b. If a parent or other visitor causes damage, that individual is responsible.
 - c. If an employee causes damage, the employee is responsible.
 - d. If an unknown person causes damage and there is no witness, the affected individual would determine if they have applicable coverage through his/her individual insurance policies.
