## **II. HOS Report**

### **A. Monthly Report**

The HOS presented her monthly update.

The first Exhibition of the school year was a fabulous success.

Judith Nunez is continuing her student attrition/retention project. Two open meeting have been held to date, both of which were sparsely attended. Karl Smith suggested that the project be expanded to include current and former teachers and staff.

A Lockdown Drill will be conducted on 12/1/17. Parents will be informed by email prior to the event in order to alleviate any undue stress.

Erik Murphy has been hired as a teaching assistant for the 6th Grade and Integrated Arts. An additional one-on-one teacher is required for a 5th grade student and \$12,000 is necessary to fill the position.

Twenty out of the 50 students in 5th grade are on either IEP's or 504's, which is well above the State average. Just over 30% of the student population are on either IEP's or 504's, again, well above the State average.

MCAS results were not mailed last week as planned but will be mailed out by Wednesday 11/30/17. The Board will be presented with a review of the scores at the 12/17/17 Board meeting.

The HOS has been appointed to the Board of Trustees at the Equity Lab Charter School, a proposed charter school that hopes to open in Lynn in 2018. HOS assured the Board that she had sufficient time to devote to this position.
