II. Old Business

A. HOS Annual Review and Evaluation

Part I. End-of-Cycle Document

Artie edited the End-of-Cycle Evaluation Report document to show the 2 indicators that coincide with each HOS goal and blacked out those that, it was decided at the last meeting, would not be the focus for this year's evaluation. This is so Board members do not need seek evidence for those at this time, but may decide to do so for subsequent years. The committee suggested a few more edits for ease of use.

Action item: Artie will incorporate final edits and send to John Steinberg to make it digitally fillable for the Board to use. Artie will also draft a cover sheet explaining the process and the document.

Part II. Results of the HOS Evaluation Surveys

John Steinberg summarized the data from the Val-ed survey and presented graphs to show the results over time. The graphs collectively show a downward trend in areas from previous year to now, as well as an overall disparity among three respondent categories (HOS, Faculty, Board).

John will also take a look at the data from the CEO Board on Track Survey and prepare a summary for that looking at 2016 results and this year's. (There was no Board on Track survey used in 2017.)

Action item: John will prepare a presentation for tomorrow night's Board meeting.

B. SUCCESSION PLAN

Nina has shared three documents via email today with this committee to inform the creation of a succession plan.

Action item: Committee members will read all three documents in preparation for discussion at the next meeting.
