## **II. Review of Final 2018-2019 Audit report and findings**

### **A. Auditors presentation**

Colleen D'Alfonso from Daniel Dennis & Co presented the June 30, 2019 audit report for MCCPS.

Main points from her presentation include:

- a general statement from Ms. D'Alfonso that "financial statements of MCCPS are reliable and can be trusted". No material discrepancy was found by the auditors for the fiscal year 2019
- 2 minor findings from the 2018 audit were satisfactorily closed
- no new findings for the fiscal year 2019 were found
- in review of financial ratios for the school, only Unrestricted Days of Cash shows in the "High Risk" category. However, this is due to a tuition payment delayed into July, and affected all similar charter schools. DESE is familiar with this situation
- Daniel Dennis & Co audits about 20 other Charter schools and they rated MCCPS in the middle of the pack in terms of financial health, mainly due to its small size and revenue potential
- The audit report will be due to DESE on Nov 1, 2019

Following the auditors' presentation, the Finance Committee viewed the audit report favorably and voted to submit the 2019 Audit report and auditor presentation to the MCCPS Board.

## **III. Finance - Financial Statement Review**

### **A. Committee review of Previous Month's Financial Statements**

Financials as of Sep 30, 2019 (first quarter) reflect the previous school year's enrollment numbers. On Oct 1, 2019 enrollment numbers are sent to the state every month. Therefore, the P&L income is currently overstated and will normalize during the school year.

Jeff Barry mentioned the following items:

- MY Basketball rental will generate \$1200 in net proceeds in the next few months
- \$1500 in stipends will be provided to a staff member over the next few months for temporary logistical support to a MCCPS family in need
- this period saw a few large items for Development fund, including \$1600 search cost and \$6400 for the Massachusetts Charter School Association
- \$3000 maintenance cost for upgrades of the emergency lights pre inspection (which we passed)

- \$1500 fix for fan motor of HVAC unit
- audit fees

Enrollment this month is at 204, from 206 previously.

#### **IV. Other Business**

##### **A. Other discussion points**

#### **V. Closing Items**

##### **A. Adjourn Meeting**

Julie Santosus made a motion to adjourn the meeting.

Richard Doron seconded the motion.

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 8:57 AM.

Respectfully Submitted,  
Rodolphe Herve
