## II. Governance matters

### A. Board Meeting Update

Dr. Peter Cohen provided an update to the committee regarding MCCPS' first board meeting held remotely.

Peter noted that overall the board was able to conduct the meeting effectively and efficiently.

He was able to speak to MCCPS' response to Covid 19 to date and the challenges faced with remote learning.

Other points discussed:

- The board agreed to keep the existing timeline for HOS evaluation
- School year budget and potential impacts
- Enrollment projections - trending favorably
- Overall the atmosphere is considered positive

With regards to next year's enrollment and related financial health, the group remains conservative.

Cynthia Canavan arrived.

## **B. By-Laws Update**

Stephen Veiga as the task force lead provided an update regarding the last meeting held to review the by-law updates.

There was concern expressed regarding the availability of the agenda and notice of the meeting.

The group walked through how to locate the meeting agenda and notification of the "Zoom" meeting through the school's website.

The proposed process for these by-law updates was reviewed and clarified. The group needs to complete the updates, seek review and advice from school counsel, and then vote to present the updated by-laws to the Board of Trustees for their review and approval.

It was noted that the goal should be for the committee to have a final proposal (after review by counsel) to present to the Board during the June retreat.

Significant discussion occurred surrounding Article 9 and the need for trustees to be members of each sub-committee.

Several other sections were re-worded or updated to provide clearer, more concise wording.

Certain areas were identified for additional review and commentary by school counsel.

It was determined to hold an additional meeting to complete the review and provide for additional time to discuss potential wording changes or updates.

## **C. Board Composition**

The group was reminded of the pending expiration of trustee during 2020, and urged to continue to search for potential candidates.

### **III. Planning - Future meeting**

#### **A. Next Meeting - May**

### **IV. Closing Items**

#### **A. Adjourn Meeting**

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 8:30 PM.

Respectfully Submitted,  
Karl Smith
