**III. Review of Previous Meeting Action Items**

**A. Review of Previous Meeting Action Items**

Mr. Sullivan briefly reviewed the action items from previous meetings.

**IV. Board Annual Items**

**A.**

## Upcoming Meeting Agenda Items

The group discussed possible dates for the annual board retreat. One suggestion was to have more than one date as the meeting would need to be held remotely.

Possible / probable agenda items included the following:

- By-laws review
- Enrollment
- Next year's goals
- Accountability plan
- Re-opening committee - what if scenarios - what will Fall look like
- Officers and committee chairs
- Board recruitment
- Board on Track training

## B. Board Goals for SY 2019-2020

Progress on the board's goals for the current school year was reviewed.

## V. HOS Report

### A. Monthly Report

Dr. Cohen provided the Board of Trustees with his monthly update highlighting the following items:

- Staffing:
  - Conversations have been had with all but 2 teachers / staff - will complete in the coming week(s)
  - Alignment of goals
  - Market adjustments have been made where appropriate / available
  - SPED - new hire
  - Speech and language pathology - looking to fill this role
  - Enrollment - projecting 222 students
- Re-opening:
  - Meeting held today - more of an introduction / brainstorming - working groups will be formulated
  - Protocols were discussed
  - Exciting work, but daunting
- Roof discussion - currently in a holding pattern - looking to move forward sooner rather than later
- Auction - money keeps coming in - now up to about \$12K

Peter noted that the discussion points for re-opening are exciting, however somewhat daunting. Additionally he noted there would be a need to earmark certain funds for personal protection equipment as well as increased budget for cleaning / sanitation.

## VI. Other Business

### A. Annual Evaluation of Head of School

Artie Sullivan explained the process for the HOS evaluation to the group noting the dashboard was prepared and the report sent to Dr. Cohen for his review.

When questioned about his impressions of the process, Peter noted that the goals were effectively set last year with the help of the Personnel Committee, and that the completed surveys helped to provide context to align the HOS' goals with the Board of Trustees' goals. He considers the overall process to be fair.

Board members noted their disappointment that the participation rate was not 100%. Rebecca Whidden made a motion to accept the HOS evaluation for 2019-2020 school year.

Paul Baker seconded the motion.

The board **VOTED** to approve the motion.

### B. Presentation Budget for SY 20-21

Rudi Herve and Peter Cohen presented the SY'2020-2021 budget noting that enrollment was estimated at 210 - which is considered conservative / reasonable based on the results of the lottery and notices of intent received to date.

Peter noted that salaries were re-adjusted in attempts to normalize / bring them closer to market rates.

In discussing the per pupil expense (PPE) the group discussed the overall assumption that the numbers would be decreasing given the current state of the economy. Mr. Sullivan noted that the impact would be within the 'above foundation' figures. Again additional costs involved in the responses to the pandemic were noted and discussed.

Rodolphe Herve made a motion to accept the 2020-2021 budget as presented.

Karl Smith seconded the motion.

The board **VOTED** to approve the motion.

**C. Review of Proposed MCCPS bylaws**

Karl Smith presented the status of the updates and walked through the sections that were being deliberated.

The group focused significant attention on the Governance Committee membership and election / appointment of a Chair.

In the end it was determined that a member of the board needs to be on the Governance Committee, however if that committee would like a Chair other than a board member, they would have the ability to nominate that person, however the board would need to affirmatively vote to accept that appointment.
