## II. Governance Matters

### A.

## **Board Meeting Update**

Paul Baker, Dr. Peter Cohen, and Karl Smith provided a brief update of the most recent Board meeting.

Peter discussed hybrid learning approach and noted the plans surrounding the holidays and how additional full remote periods will help mitigate some of the travel concerns raised. He noted that at least 75% of the parents and staff surveyed, approved of this plan.

## **B. Board Composition**

The group discussed memo on board composition and membership.

There was discussion regarding a newly proposed process to have board members interested in serving additional terms. The basic premise is for trustees to indicate to the Governance Committee their desire to renew their term, Governance would consider and deliberate the potential renewal, and then Governance would present that member to the full board for their consideration and vote.

## **C. Bylaws review**

MCCPS has received feedback from DESE with regards to the updated bylaws, and they had specific comments and suggestions regarding the available terms of the trustees, along with the term lengths for the officers. There was some extended conversation regarding these specific areas.

Cindy Canavan wanted to ensure that the members of the board fully understand the updated indemnity provisions, and expressed her concern / reservation regarding extending officers' term lengths.

Ultimately the group agreed that the updates were acceptable and that the final version with the DESE's updates was OK to be re-submitted.

## **D. Read through of Charter document**

With the comments received back from the State regarding the enrollment and potential updates to the stated communities served by the school, we have a chance to revisit and potentially update the Charter document. A few members had read through the current charter and discussion ensued.

This 'guiding document' is designed to be a bit more descriptive and promotional, however several members noted some areas that appeared to be outdated or no longer relevant.

As the updates need to be submitted in August, there is additional time to consider updates or revisions.

This will be included as a standing item on the agenda.

### III. Other Business

#### A. Planning for future meetings

Proposed Monday, December 14th - 7 PM.

#### B. Board training discussion / planning

There are a few open meeting law trainings offered by Maura Healy's office - a few board members have already attended. The board members will remind all of the trustees at the next meeting about the additional session available.

### IV. Closing Items

#### A. Adjourn Meeting

Karl Smith made a motion to adjourn meeting.

Paul Baker seconded the motion.

The committee **VOTED** to approve the motion.

##### Roll Call

Cynthia Canavan	Aye
Kay O'Dwyer	Absent
Karl Smith	Aye
Jeanne Smith	Absent
Elizabeth Burns	Aye
Paul Baker	Aye

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 8:30 PM.

Respectfully Submitted,  
Karl Smith
