**II. Academic Excellence Committee**

**A. Update on Draft Criteria**

Art - Dominique to continue to make edits/changes. Jessica, Matt, and Dominique to find a time to sit down and go over it.

Look to publish complete Criteria, with all subjects.

**B. Next Steps**

Teachers must be the first ones to see it/have seen it/contributed to it. We now need to set up PD on how to use it. Teachers must be unified in an understanding of use of the document.

Committee + Admin need to decide how it's going to be used. Teachers also will have valuable input into this.

Timeline? Parents in the summer? Teachers last 6 weeks of school? Sharing in the fall?

- End of this year - soft open - include in things like Exhibition/portfolios.
- Bring it up in context with parents; not a huge "grand opening".
- Giving teachers a chance to familiarize.
- Best venue - Parent's Night in the Fall re:Criteria. (As part of Back to School night?)

Timeline of Wednesdays - soon to rollout. MCAS training, TeachForce Team.

Posting the document to the website with blurb of work done to date + draft timeline.

Departments could possibly meet during some of these Wednesdays: May 5, May 19, June 2, June 16

- Discussion could also surround how far we got in the curriculum
- Departments should be familiar across all domains - Math/Science should be aware of Reading/Writing/Cultural Awareness. Looking to the interconnectivity of PBL. True team effort though the building - not living in silos.
- Assessment validation - revised version. SWOT protocol.
- Calibration exercise.

### **C. Rubrics**

Parker had the Rubrics to align with Criteria. Are we going in this direction?
