**II. Governance Matters**

**A. Board Meeting Update**

Paul Baker - last two board meetings - May regular and June retreat.

Discussed Peter's final evaluation and results of discussion points and follow-thru items.

Some time spent talking about what would be covered at the retreat.

Going forward with the building - Becca's hard work on what the path forward would look like.

Three main / immediate concerns - roof, fire panel, and plumbing.

Facilities was discussed in more detail. Solar panels is a possible option to help defer some of the costs.

Historically the fundraising capped out at around \$300K

Cindy - any research on suburban charter schools and what they have been able to accomplish.

Peter met with Jan Brode - former fundraiser - difficult when the name of the school has "Marblehead" in it and expect to pull on heartstrings.

Peter provided some insights into other charter school leaders with which he has been able to network.

Trade school - any sort of availability or use of resources.

New chairs - Paul - clerk responsibility

Richard Doran - vice chair

Rudi - treasurer

Artie - chair

Paul - taking over as Governance Chair

Ian Hunt - Communications

Will Rockwell - chairing facilities committee

Committees taking action -

Open meeting law - we weren't able to meet before the retreat. Assigning tasks before - more of a sharing of responsibilities.

Personnel, development, and Governance are low with regards to members.

Suggested a sort of job fair like function

Could some of the PTO members feed the committees? Promotion to a committee?

Some potential candidates were discussed.

## **B. Board Composition**

With Becca and Karl stepping back.

Two vacancies and one more faculty members

some potential candidates - one possibly in special education.

Some other potential candidates were discussed.

## **C. Committee Responsibilities**

Went over the task force and committee chairs.

## **III. Other Business**

### **A. Planning for future meetings**

June 15th - Governor's state of emergency is being lifted.

Filed legislation to extend the remote meeting availability to September time-frame.

All meetings will revert to in-person.

Put by-laws to the test. Did accommodate some remote participation, so we will see what happens.

July - normally Governance skips.

Tuesday, August 3rd - 7 PM - in person.

What's driving the new law - more people are able to attend and the extension is based on that.

May become a new and continuing option.

Kay - look at bylaws and remote attendance was only mentioned with regards to board members.

Keep the first Tuesday of every month.

Also some discussion about having some vice chairs.

Peter recommends that responsibilities are shared.

## **B. Board training discussion**

Kay's materials were noted and Karl mentioned that we were not able to review those in detail before the retreat and provide the training to the board.

Peter - maybe in August some work can be done on OML presentation for new board members. Provide that training in September.

Karl talked briefly about mentoring program - continuing that initiative.

## **C. Other matters - discussion**

Karl expressed his thanks and appreciation to Peter and the other committee members. The committee members also expressed their thanks.
