B. Board Goals for SY 2021-2022

See Agenda...REALLY need to bolster committee and Board membership and quickly. Parent Tim Wadlow has expressed interest in joining the Board of Trustees. Tim will be meeting the Governance committee at their January meeting and all being well, will be presented to the Board at the 1/25/22 meeting.

VI. HOS Report

A. Monthly Report

Peter presented his update. See HoS report in agenda for details.

There were questions regarding how the school will finance these two new positions (Dean of Students and a Human Resources professional). Finance committee assured Board that school has funds to do so. Also questions on how funding for the proposed murals will be attained.

Peter emphasized the importance of 100% Board participation in donating to the school fund. Board agreed that each member should donate an amount (of their choosing) annually in order to substantiate the claim that we have 100% participation.

VII. Other Business

A. Presentation on new contract with HOS

Discussion of Dr. Cohen's new contract.

The HoS Contract Negotiation Committee (Artie Sullivan, Paul Baker, Peter Cheney & Rudy Herve[absent]) presented the contract that they had negotiated with Dr. Cohen.

Please see agenda for actual contract.

The contract presented was for 5 years with a pay increase each year.

Much discussion ensued. The length of the new contract was not at issue, however the rate of pay year over year was debated at length.

In particular, Board members Ian Hunt & Jessica Gelb were concerned as to the percentage rate of salary increase, particularly when compared to that of faculty as well as the fact that faculty have no tenure and, for the most part, have only yearly contracts. It was generally agreed and that the Contract Negotiation Committee could and should have done a better job of presenting comparisons and data to substantiate the merits of the new contract. Ian & Jessica Gelb, rightly, requested that this be reflected and noted in the minutes and that, moving forward, a powerpoint presentation (or something similar) be utilized in HoS contract presentations.

Peter Cheney made a motion to Approve the new HoS contract for Dr. Peter Cohen as presented.

Richard Doron seconded the motion.

The board **VOTED** to approve the motion.
