II. Finance - Financial Statement Review

A. Committee review of Previous Month's Financial Statements

Financials for July were not discussed as they are not representative of normal operations and no immediate issue/concern was raised. The Committee will resume normal review of financials in September (July-Aug financials).

B. Review of Final 2022 Statements

There was very limited changes to the FY 2021/2022 financials but at this point, it looks like the solid results are confirmed, with no significant movements triggered by a DESE adjustment.

Audited reports are due in October for posting to the State by Nov 1, 2022.

The financial audit for 2021/2022 has started and is on schedule.

C. Revise 2022-2023 Operating Budget

The budget submitted in preparation of this review is already outdated as key assumptions need changing:

- enrollment will be closer to maximum of 230 than to the 218 that was reforecast
- there may be needs for additional staffing depending of the needs of the student population

Because of these moving pieces, and as we await confirmation of enrollment numbers at the start of the school year, Fincom decided to not submit a revised budget to the Board and will do so in the September or October Board meetings.

III. Other Business

A. Other discussion points

The Finance Committee acknowledges the resignation of Ndack Toure from the Finance Committee and would like to thank Ms. Toure for her contributions to this committee in the past two years.

IV. Closing Items

A. Adjourn Meeting

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 9:05 AM.

Respectfully Submitted,
Rodolphe Herve
