- From DESE: "If she never left the board, then there is no need to submit for a second approval... If you're simply adding a term to her stay on the board, you need only update her term end date (while ensuring that is it within your school's bylaws)."

VI. HOS Report

A. Monthly Report

- Please see HOS Report for further details
- February Update Summary
 - Matt Cronin departure
 - Summary
 - Matt will be leaving MCCPS next week
 - During prior meeting with Peter, Matt discussed interest in technology integration position and one fitting this description came up in Lynn
 - Dr. Cohen spoke to Matt's value to MCCPS and acknowledged that while the school will be sad to see him go, he's confident that Matt is well suited for this new role
 - Stephanie Brandt will serve as Assistant Head of School and MCCPS will begin looking for both IT supervisor position and Instructional Coach position
 - New Roles
 - IT- Dr. Cohen exploring various options on this including part-time resources and outsourcing some of these functions to a third party
 - Instructional Chair- in our current Dept. Chair system, our chairs are unable to consistently sit in on other teachers' classes and dedicate extensive time to program improvement (as they're full time teachers)... having someone full time in this position would help advance project-based learning and provide feedback to faculty
 - Questions
 - Paul- with MCAS coming up, are we prepared to handle this and gather appropriate data?
 - Dr. Cohen- Matt's gotten the school ready for this before his departure and we'll be offering a stipend to teachers

who volunteer to help comb through and organize testing data

- Rudi- in regard to school continuance plan, who takes over in event Peter is unable to?
 - Dr. Cohen- we updated the language in 2020 when we moved to current admin setup and will be changing language to clarify that Asst. Head of School would take over in the event HOS is unable to lead
- Architects update
 - Dr. Cohen shared latest rendering done by Ebbrell Architects
 - Next steps
 - Ebbrell will do 3D renderings (performance and STEM space) that Marketing hire (still TBD) will use to help with fundraising
 - Questions
 - Rudi- how are we planning on approaching this project in regard to phasing? Are we planning on doing this all at once or phasing?
 - Dr. Cohen- ideally we'd do windows & furnishing then do this all at once though we understand cost will affect whether it's plausible to do so... Jeff Barry and I met with a bank this week so that when we come up on 10 year on our current mortgage, we can have multiple options for fundraising this project
 - Katie- will this performance space be tiered and elevated?
 - Dr. Cohen- this is something we've considered and we will be doing as much sound proofing as possible to keep sound from affecting other classes... having this abutting the gym is one way we'll help limit sound
- Bathrooms
 - Summary
 - Needed emergency bathroom repairs/upgrades (approx. \$30k cost that is currently slated to come out of operating budget)
 - New basin is 2x size of former one
 - Upgraded from one to two pumps
 - Hopefully those bathrooms will be back online tomorrow
- Presentations at AMLE Hawaii Education Summit
 - Summary
 - Dr. Cohen presented in Hawaii on the Teaching Force program and will be doing another at Holy Cross in Worcester, MA (Nick and World Language teachers will join) on the same topic with the hope of expanding the network of schools involved
 - Questions

- Paul- I'd love to get Dr. Cohen's perspective on how these presentations went and potentially review deck during next BOT meeting?
 - Dr. Cohen agreed that this would be valuable
- Enrollment
 - 140 applicants for SY23-24 (down YOY- approx. 190 last year) and only 53 for 4th grade (with another 10 from Lynn/Salem)
 - Questions
 - Ian- are YOY numbers down in Marblehead, Swampscott, Nahant?
 - Marblehead, Swampscott, Nahant applications are down YOY
 - Katie- what are the MA state rules for charter school attendance?
 - Dr. Cohen- Salem/Lynn have maxed out % of students that can attend Charter schools (these districts are considered "at cap")
 - Ian- are the class sizes for local districts shrinking? How competitive is enrollment?
 - Dr. Cohen- local districts, especially MHD and SMPCT, have invested in their facilities, overall population is down, enrollment in Charter schools across the state is down... the marketing piece may be important for us as we need to get the word out
- Updates on HOS goals
 - Teacher Feedback
 - Over 50 peer-to-peer lesson visits
 - Student feedback elevated
 - Student reward system using beads- one sixth grader got to switch advisory groups for a day
 - Community Engagement
 - Coffee scheduled for March 1
 - 5th and 6th grade events (Cosmic Cafe & Night at Museum)
 - Facilities Oversight
 - Architect plans
 - Bathroom updates

Tim Wadlow made a motion to authorize spending of \$30,000 needed to finance bathroom upgrades.

Paul Baker seconded the motion.

The board **VOTED** to approve the motion.
