III. Other Business

A.

Capital Project Reserve Fund

The Finance Committee, at the request of Jeff Barry and Peter Cohen, discussed the opportunity to open a Capital Project Reserve account to support improvements made to the school. Expenditures in this account would have to track to the annual report filed with DESE.

It is understood that funds deposited in this account may only be used for capital expenditures purposes. At this point, no monies will be deposited on this account but given expected paperwork and time lag involved in its opening, MCCPS management suggested to open this account immediately.

Rodolphe Herve made a motion to authorize Jeff Barry to open a new Capital Project Reserve account, subject to Board Approval.

Tim Wadlow seconded the motion.

The committee **VOTED** unanimously to approve the motion.
