## **II. Financial Statements Discussion**

### **A. Committee review of Previous Month's Financial Statements**

The discussion tracked with the notes provided by Jeff Barry. Key discussion items included:

- the adjustment from DESE occurred in December and the monthly check reflected enrollment of 224. In practice, current enrollment gravitates around 221 so another adjustment is expected in the coming months.
- that said, PPE receipts average \$17.6K/student, a level that is approximately \$1,000 above budgeted PPE. Therefore, we still expect to end this financial year in the black.
- there was a long preliminary discussion about what the right MCCPS enrollment level is. That topic is expected to be discussed at the Board level along with a proposal from the Head of School.
- there is no update on the unemployment contribution liability claim from DESE as our demand for resolution still has not generated a response from the state.

## **III. Other Business**

### **A. Finance Committee members should agree date of next meeting**

The next Finance Committee meeting will take place at 8:30am on February 17th.

## **IV. Closing Items**

### **A. Adjourn Meeting**

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 11:00 AM.

Respectfully Submitted,  
Rodolphe Herve
