## II. Financial Statements Discussion

### A. Committee review of Previous Month's Financial Statements

The discussion tracked with the notes provided.

One additional item was mentioned. DESE is looking to claw back \$4,927 from MCCPS claiming that an excess payment was made to the school. After investigation, Jeff Barry believes this is a legitimate claim. This payment will be reflected in subsequent months and was not included in the February accounts we received today.

### B. Discussion of Draft 2024-2025 Budget

The 2024-2025 budget was created based on the following assumptions:

- Enrollment of 190 students
- Uses current projected PPE from the state
- Includes an across the board 3% salary raise
- Includes changes in Personnel
- Assumes 10% increase in health insurance
- Assumes increase in utilities
- Assumes increase in mortgage from 3.29% to 5% effective 8/2024

Rodolphe Herve made a motion to approve this budget and submit it for Board approval. Julie Santosus seconded the motion.

It is necessary to receive Board approval on the budget prior to starting salary negotiations for the next school year. This budget might be revisited later on. The committee **VOTED** to approve the motion.
