The Chief was very thorough and explained that all Salem/Marblehead schools were utilizing Alice and adapt all training to each individual building.

Intercoms/communication important.

How to prepare for lockdowns.

Polly asked re: costs to get the school up to Alice "code."

Do not "have" to do Alice..plenty of other options, such as "RHF" that the Federal government use and "ILYG" which Swampscott use but continuity helps/aids the PD. Timeline/contact Salesforce/training of "Champions."

There are "upfront" costs.

**VI. Other Business**

**A. PROPOSED BYLAW AMENDMENT: NON VOTING MEMBERS**

Katie explained DESE's ruling on Kathy and Thomas having too many conflicts. Kathy and Thomas would become non voting members. Nick asked if this would affect the voting membership of 15 and add additional non voting members. Thomas not in favor of using AI to make this happen. Not timely, or convenient. Cumbersome "kids table". A quandary for sure. Ian/We need both of them at this time. Much discussion. Tabled for now and throwing it to Governance to hopefully have an answer by next meeting of the Board. AI in favor/ DESE not happy. Kathy and Thomas happy staying in limbo at present:)
