II. Spring Fundraiser: FYI and Call for Assistance

A. Description and discussion of April/May BOT sponsored fundraiser; BOT member expectations.

- Kim discussed the idea of a Board sponsored fundraiser
 - Ideas include a cash bar, auction items (ex: Lunch with Mr. Santoro and three friends)
 - Theme, structure, etc. still TBD
 - Stephanie has scheduled meeting to discuss this on Thursday at 8am
 - Stephanie mentioned that fundraisers such as this are often 10-12 months in the making (takes time to find sponsors for auction items for example)
 - Sponsor would be signage at the event, public shout-out
 - Given that this fundraiser would be approx. 12 weeks out, there would have to be some level of expectation setting in terms of how much this could raise
 - Would this year's event be geared more towards community building, with an eye towards adding larger items next year?

- Need to identify primary objective for this event: is it more about community building or raising revenue, because these two things may at odds and event will operate differently depending on what the goal is
 - The Board noted that this could be two different events- PTO is already planning events for the Spring (also recently did a movie night)
- Board discussed merits of each of the two goals and how MCCPS can appropriately convey the urgent need of funds when promoting this event

III. HoS Report

A. Report Discussion

- Please see attached Interim HOS Report for full text
- Calling Snow Days
 - Phone call re: school cancellation/delays can come as late as 5:30am the morning of
 - Stephanie is now on the early call list
 - MCCPS will mirror MPS' decision on delays/closures
- Enrollment
 - Added two students after winter break (one from Peabody, another from MHD)
 - Enrollment is 175
- Admissions
 - Currently in "prime admissions season"
 - Recently held open house in Dec. with 12 families signed up (all of which are from sending districts and have since applied)
 - Extended times for January open house to accommodate demand (currently 19 families signed up, 10 of which are from sending districts)
 - Postcard campaign effective for generating interest from Peabody/Danvers
 - Question raised regarding whether opening of Peabody Charter School will affect applications numbers
 - Second targeted mailing to be sent to MHD, SWMPST, NHT
 - Given that these are our in-district communities, MCCPS must make push to get applicants from these towns
 - Applications are up YOY
 - 75 total applications last year, over 100 so far this year
 - 20-25 more applications this year from funding-eligible communities than last year
 - Lottery will close 2/26

- Community event for new families will take place in March
- Student Transportation
 - Stephanie has spoken with transport company that will provide estimate for transportation to/from communities outside MHD (potential options would include Nahant, Swampscott, Danvers, Peabody stops)
- Staffing
 - 5th grade humanities teacher resigned prior to Winter break
 - Recent restructuring since then- Meghan Hale will be taking responsibility for this position for remainder of SY23-24
- Advisories
 - Experimenting with combining 8th grade advisories (science as well)
 - 8th grade staff supported trials of this
 - Their hypothesis was that lack of peer models affected learning, and combining classes has not only allowed for new/different student groupings but has also made staff coverage easier (because all teachers know what's going on in each other's classrooms)
 - Leadership team may make this permanent for remainder of SY23-24
- SSU/MCCPS Partnership
 - Stephanie has signed MLU with Salem State to begin interviews with SSU fellows
 - Applications will be sent to MCCPS in March
 - MCCPS has taken 3 pre-practicum students this year, fellows next year would be at MCCPS daily
