### **B. Enrollment update**

4 students placed out of district starting January 2. Potential loss of a 5th grade student if a sibling follows. HOS received several inquiries for this year since last BOT meeting. Accepted 3 students: 2 in grade 4, 1 in grade 5, several more expressed interest. Potential to fill 7 more seats from inquiries.

YMCA after school numbers are low. Goal to increase by 10 families. Looking to increase homework support/academic support by including teacher in room starting 1/1. Staff from Children's Island coming in Thursdays to run clubs. Hopefully increase in overall enrollment will help.

New inclusion teacher in grade 5. MCCPS graduate. Full staffed beginning December 16. Hired instructional assistant in grade 5 and will stay on to provide support to 3 person teaching teams.

Professional development on ELL, part of school's corrective action plan from DESE, PALS presentation, and IEP evaluations coming up.

The New Teacher Training Program coach coming in for classroom observation and to do teacher coaching to bring school scores in math closer to state average.
