III. Mid Year Student Data Review Presentation

A. KD Macdonald to present on Student data

KD McDonald shared a preliminary mid-year diagnostic for the school. This analysis provides an early snapshot of student performance. The analysis was based on iReady (Math) and IXL Flex ELA) diagnostics. A deeper analysis and instructional adjustments are ongoing. Typical Growth and Stretch Growth criteria were shared before KDM presented snapshots on both Math and ELA. Data was shared for Overall, SWD and MLL trends, followed by an analysis of each grade. General progress is being made by MCCPS students. KDM also shared that data was explored by the staff at a special PD event. The board explored general trends and challenges with KDM and reflected on the good progress being made by the school, in particular around MLL and SWD students. The board congratulated KDM on the data-driven presentation.

IV. Head of School Report

A. February 2026 HOS report

HoS provided updates on the following:

Mid Year Goal Update

- HoS provided mid-year progress report vs. SY25-27 goals as agreed by the board. Good progress is being made, as highlighted in the mid-year diagnostic presentation by KDM.

Head of School Monthly Update

- Current enrollment is good and on target for 2026/2027 recruitment of 230 students, with the caveat that sending districts still remain low (56% cw target of 80%). HoS shared a detailed breakdown from sending and local districts. Discussion also centered on how the school was leveraging a variety of engagement strategies for new students. This included a successful digital campaign.

Curriculum, Teacher and Learning Updated

- HoS shared updates on science curriculum progress that adds to the positive growth showing in Math and ELA.

30Yr Anniversary Location

- MHD Beacon has now be identified as a location, with sponsorship conversations on going.
