## II. Diversity, Equity and Inclusion

### A. Student Opportunity Act MCCPS Plan

- Lindsay shared summary information about the Student Opportunity Act (SOA) via email prior to the meeting.
- Also useful to take a look at the DESE link -  
<https://profiles.doe.mass.edu/general/general.aspx?topNavID=1&leftNavId=100&orgcode=04640305&orgtypecode=6>
- **Background:**
  - Student Opportunity Act signed into law in 2019. Very popular. 1993 was the last time there were significant reforms to education.

- Shift to evidence-based research (before 1990s policies weren't really focused on the data)
- Acknowledgement that there are glaring disparities for various populations within school communities.
- Act requires schools to identify the disparities, how we are going to address them, and how we will fund
- MCCPS context:
  - Charter has a considerably more diverse population than other area schools.
  - We have seen decent/marginal improvements with regards to testing but overwhelmingly white population does better. We are at the threshold to allow our students to make a breakthrough going forward.
  - New entrants to MCCPS coming from different preparation backgrounds (ie. homeschool experiences, varied third-grade experiences)
  - Identified that needed more time on learning to achieve better results.
  - Numbers in the high needs category expected to continue to rise.
  - Addressing behavioral issues is a cross-cutting issue for addressing equity.
- Leadership Team drafted the MCCPS SOA plan in summer 2024 and began implementing changes for the 2024-2025 school year with focused on equity and academic rigor.
  - Changes to the schedule at MCCPS to allow 30 minutes of extra instruction per day and more dedicated time on learning.
    - reducing morning recess time
    - adjusting afternoon recess time to offer enrichment programs
    - extended school day (3pm),
    - adding more time for math/ELA instruction,
    - increasing to 3 PALS blocks per week (targeted individual and small group instruction that is evidence-based to accelerate progress),
    - adding a student seminar course (more structured setting for portfolios/technology usage),
    - 10-minute advisory block (focus on improving executive functioning), etc.
  - Partnership with YMCA for after school care (to ensure staff available for homework assistance).
  - New multi-lingual teacher - specialist providing instruction to teachers to help level the playing field, looking at the unique needs of different groups
  - Coaching (from LANs network) to help set up initiatives.
  - Parent Square as a communication platform - provides so many different opportunities to communicate with families and engaging them as partners in student learning. Current communication trends suggest email doesn't work - no one wants to read them, 2-way communication/messaging/texts is preferred. We will need to assess if it's working well for parent engagement.
  - Fellowships with Endicott College and Salem State University - pre-service teachers primarily with the role of instructional assistant

- MCCPS is looking to actively seek out diverse teachers. Fellowship opportunities could lead to a hiring pipeline.
- Teacher shortages in the state and the fact that the number of diverse pre-service teachers nationwide are skewed toward a white background will continue to be an issue. The fellowship program may help find new MCCPS teachers with different backgrounds.
- Additional benefits - the SOA will help with enrollment next year (particularly from Lynn and Salem communities).
- For follow-up: What next steps are needed to convert this "draft" to a final plan, how/when does it get finalized? What are the plans to share this with the broader community? Note: Charter went through its 5-yr renewal process this fall. Board reviewed the plan in August and approved.

### **III. Other Business**

#### **A. Possible agenda points for the next month:**

- Presentation: Lindsey has discussed a possible presentation from an interested party with her perspective from the Dominican Republic
- Reviewing Handbook with a DEI lens\*
- Drafting DEI statement for website\*

\*Jennie 's editorial background may be useful to tap into

### **IV. Closing Items**

#### **A. Adjourn Meeting**

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 8:09 PM.

Respectfully Submitted,  
Christina Webber
