## **III. Director's Report**

### **A. General Items**

A. Pieper gave the Directors Report

Educational Excellence and Student Information:

1:1 Technology for 8th graders has been rolled out.

Educational Excellence Committee has formed a staff sub-committee to revamp K-1 expectations and parent communication regarding the growth expectations for differentiated curriculum for those grades.

Admissions committee meets tomorrow. There is a seven-member committee this year. Communication goes out next week to applicant families as to whether their children have qualified for the lottery. March 19 is the scheduled date for the lottery. Ms. Pieper will give more details about admission statistics at the next Board meeting.

PTO Booster funds were used to purchase a play house for the front playground.

Teachers and Staff:

Ms. Thomas will attend and present at NCAGT State Conference in Winston-Salem for professional development. There will be seven teachers from Scholars Academy including Ms. Thomas attending the Conference this year.

We are in the process of hiring for the 2020-2021 school year. One position in the lower school and one in middle school Math have been posted.

Expansion and Finance:

There have been sufficient tickets sold for the 20 in 2020 event to break even, budget-wise. There will be a final count on Friday. Student celebration will happen March 11 in the afternoon. There will be fun activities for the children for them to "go back in time" 20 years.

A. Pieper updated the Board on a maintenance contract that is within budget, therefore no vote is necessary.

We are hoping to switch to a new landscaping company. The Board will vote on the new contract after closed session.

The Board will consider and vote on the proposed school year calendar for 2020-2021. The proposed start date will be August 31 to align with the CMS calendar. There have been some changes to teacher workdays to maintain the required number of days and end on June 11. Holidays will be the same. Five minutes will be added to the school day. Dismissal will be at 3:10pm. Bell schedule is TBD. The August 31 start date was decided upon as a result of a parent survey which showed that 25 families were concerned that they would have difficulty getting their children to school on the first day of school. Per pupil public funding for Scholars Academy is calculated based on student attendance on the first day of school, so the school cannot risk having many absences on the first day.

The Committee is actively looking for other suitable properties and speaking with lenders to determine borrowing capacity. The committee has also begun to reach out to commercial brokers as we prepare for the sale of our current building. It is anticipated that it may take some time to find a buyer and the relocation target date remains Fall of 2021.

**B. Expansion Student & Staffing Projections**

Ms. Pieper reported on the ways that the school has considered raising revenue. Specifically, there are alternative models for growing the student population in order to increase revenue. The Development Committee met to identify some proposed programs and partnerships that can support the goals of the Strategic Plan.
